Extra Heliotrope seed from Miss Grand

62.67

SPRING OF 1902.

BOOK OF FLOWERS

FROM MISS MARTHA HISER,

SEEDSWOMAN AND FLORIST.

• • • • URBANA, OHIO.

My seeds are all new and fresh, and all this year's crop. Sure to grow and bloom where others fail. I do not sell cheap seeds, but I do sell seeds cheap. I WILL ACCEPT ANY AMOUNT OF MONEY FOR SEEDS, NO MATTER HOW SMALL.

MRS. ROBERT PEARY.

83: can not fill plant orders for less than 25 cents, unless 10 cents be added to pay for postage and packing.

HOW TO SEND MONEY

Make your remittance by Postoffice Money Order, Express Money Order or

New York or Chicago Bank Draft; these three methods are absolutely safe. If lost a duplicate can be had from the issuing office; you may select any packet of Seed to cover the cost or your remittance. Do not send personal checks or on your local bank, it costs 15 to 25 cents to collect them. The proper remittance must in all cases accompany the order. It will save me time and you worry.

NEW EVER-BLOOMING CLIMBING ROSE, MRS. ROBERT PEARY.

***** SEE CUT OF FLOWER *****

Can be Grown as a Bush Rose by Pinching Off the Tips of the Strong Shoots.

Sport from one of the most magnificent and celebrated Roses grown, i.e., Kaiserine Augusta Victoria. This is sufficient to guarantee its advent, no matter what the climate may be. It surely meets a demand that has never been supplied. Flowers extra large, full, deep, double, of excellent substance, produced on long, stiff stems, like a forcing rose; in fact, both in bud and flower, this grand new variety is superior in grace and finish to any white cut flower Rose. Buds long and pointed, a remarkable feature not found in any other Climbing Rose; fragrance delicious. The most remarkable feature of this variety, however, is that it blooms continuously the first year, a characteristic found in no other white climbing Rose. Absolutely hardy, flowers truly beautiful. If you want a quick growing, hardy climbing Rose—one that will give you flowers this year—this is the only white variety that will do it. No weak spot. Grows to perfection outdoors, throwing up numerous shoots, 10 to 15 feet high in a single season. I regard it as the most important introduction of modern times. Its beauty, healthy, thrifty growth will astonish you. For a sensational new Rose, of pronounced superiority over all others, the price is wonderfully low. Be sure and try it.

PRICE—For strong plants, 15c. each, 2 for 25c.; large two year old plants 40c. each, three for \$1.00.

All Special Offers and Collections are Strictly Net Cash, and Not Subject to Any Discounts.

Amaranthus, Tricolor—(Joseph's Coat)—These are grand plants for Summer bedding, growing to a height of two feet, and have beautiful crimson, yellow and green foliage. **pkt. 3 cts.**

Amaranthus, Caudatus—(Love Lies Bleeding.) Blood-red, drooping panicles of flowers. Pretty for decorations. **pkt. 3 cts.**

Balsam, Defiance—This is a fine mixture, composed in nearly equal proportions of violet white spotted, shining scarlet, white tinted lilac, scarlet white spotted, rose white spotted, royal purple, pure pink, chamois rose, all the above, eight colors, each having been grown separately. **Fines mixed. pkt. 5 cts.**

Balsam, Superb—The finest large flowered, perfectly double Balsam in cultivation. Frequently over two inches in diameter. Bright and effective, and brilliant self-colors; also superbly mottled and striped varieties. All colors mixed. **pkt. 5 cts.**

Balsam, Fines Double Mixed—This is a first-class mixture, very choice colors. **pkt. 3 cts.**

Candytuft, New Empress—Really a magnificent variety; enormous heads of pure white flowers. **pkt. 5 cts.**

Candytuft, New Dwarf Hybrids—Of dwarf habit and perfect shape, abundant flowers from pure white to purple. **pkt. 5 cts.**

Candytuft, Snow Queen—It bears but little foliage, and the mass of white produced makes it useful. **pkt. 3 cts.**

Candytuft, New Carmine—Richest in color. **pkt. 3 cts.**

Candytuft, White—Oz. 20 cts, **pkt. 3 cts.**

Candytuft, Mixed Varieties—Oz. 20 cts, **pkt. 3 cts.**

Abutilon—(Flowering Maple.) Although universally admired, comparatively few are aware how easily Abutilons can be raised from seed and how beautifully they flower all Summer the first season. To get them in bloom early the seed should be started in the house and the young plants set out in the garden when the weather is warm and settled. They grow rapidly, bearing a rich profusion of the elegant bell-shaped flowers. A splendid house plant, blooming freely in Winter.

Abutilon, Royal Prize—(Mixed.) Embracing the most elegant colors, both selfs, streaked and veined. **pkt. 10 cts.**

Agapanthus Umbellatus—(African Lily.) Large umbels of bright blue flowers. **pkt. 5 cts.**

Antirrhinum Majus—(Snapdragon.) Useful border plants, with large flowers of various bright colors in spikes. Height, 1½ feet. They do best in a light soil, well enriched. **pkt. 5 cts.**

Antirrhinum, New Hybrids—A grand mixture of choicest exhibition flowers. **pkt. 10 cts.**

Antirrhinum Tom Thumb—A dwarf-growing variety of six or seven inches. Fine for bedding. If sown early will bloom first season. **pkt. 5 cts.**

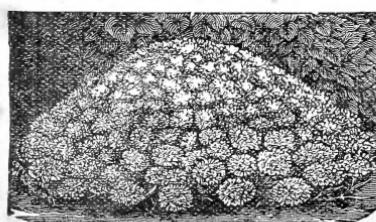

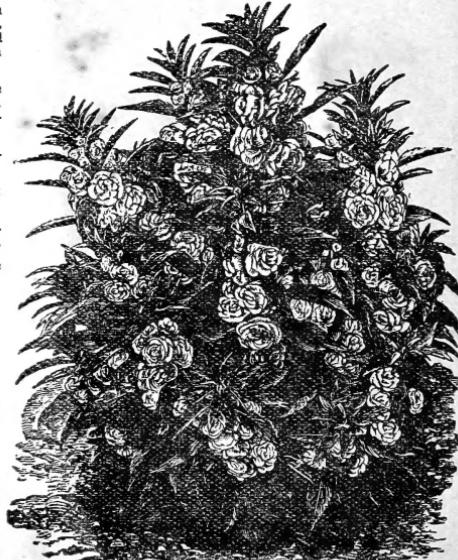

Amaranthus Salicifolius—(Fountain Plant.) Foliage red, orange and green, elegantly contrasted. Height, 3 feet. A good vase plant. **pkt. 3 cts.**

Alyssum, Maritimum—(Sweet Alyssum.) Flowers white, produced in the greatest profusion. Height, nine inches. **pkt. 5 cts.**

Alyssum, Little Gem—The plants are very dwarf, and each spreads so as to completely cover a circular space 12 to 20 inches in diameter. They soon become one mass of white. Blooms from Spring till Fall. **pkt. 5 cts.**

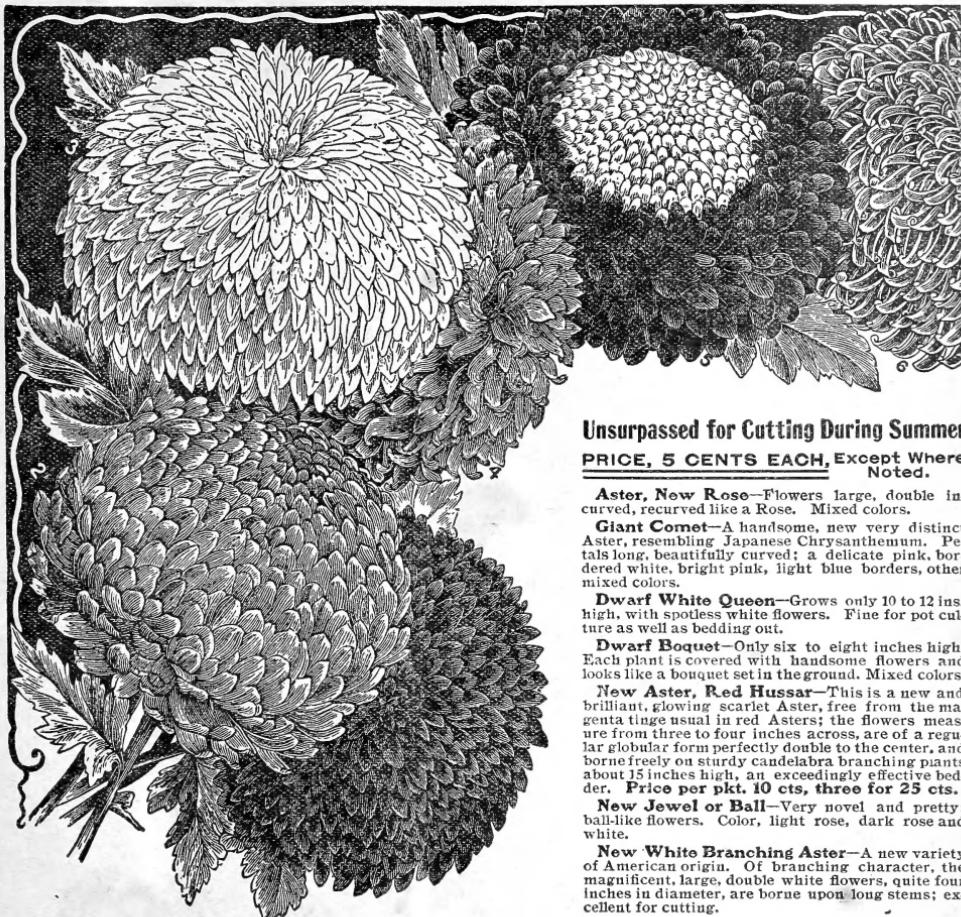

ANTIRRHINUM TOM THUMB

CANDYTUFT, SNOW QUEEN

BALSAM, DEFIANCE

NEW LARGE FLOWERING ASTERS.

Unsurpassed for Cutting During Summer

PRICE, 5 CENTS EACH, Except Where Noted.

Aster, New Rose—Flowers large, double incurved, recurved like a Rose. Mixed colors.

Giant Comet—A handsome, new very distinct Aster, resembling Japanese Chrysanthemum. Petals long, beautifully curved; a delicate pink, bordered white, bright pink, light blue borders, other mixed colors.

Dwarf White Queen—Grows only 10 to 12 ins. high, with spotless white flowers. Fine for pot culture as well as bedding out.

Dwarf Bouquet—Only six to eight inches high. Each plant is covered with handsome flowers and looks like a bouquet set in the ground. Mixed colors.

New Aster, Red Hussar—This is a new and brilliant, glowing scarlet Aster, free from the magenta tinge usual in red Asters; the flowers measure from three to four inches across, are of a regular globular form perfectly double to the center, and borne freely on sturdy canelike branching plants about 15 inches high, an exceedingly effective bedder. **Price per pkt. 10 cts, three for 25 cts.**

New Jewel or Ball—Very novel and pretty; ball-like flowers. Color, light rose, dark rose and white.

New White Branching Aster—A new variety of American origin. Of branching character, the magnificent, large, double white flowers, quite four inches in diameter, are borne upon long stems; excellent for cutting.

New Yellow Aster—This new color is of the Quilled type. Form of the double flower is a perfect ball; quills close together, brightest sulphur yellow, not a mere indication of the color, as in former productions. Border petals are broad and seem to enclose the flower like bouquet paper. Flowers are excellent for cutting. **Per pkt. 10 cts.**

New American Branching Aster, Semple's Late Flowering—This is an American novelty of unusual merit—sure to be popular even in Germany. Flowers during August and September. Grows 2 feet high and each plant should be allowed sufficient space for its full development. Superb, large, double flowers in great profusion, are borne on stems 12 inches long and are most desirable for cutting; beautiful soft shades and colors.

Peony-Flowered Perfection—Very double, large and beautiful flowers. Mixed colors.

Queen of the Market—The earliest blooming of all the Asters, fully two weeks earlier than any other sort. Large flowers, free blooming; graceful spreading habit. I have in separate colors, **White, Flesh, Crimson, Dark Blue, Mixed.**

Victoria—Flowers large, quite double, beautifully reflexed and dwarf. Over twenty colors mixed.

Washington—Very fine, large flowers, frequently measuring 4 to 5 inches across.

Excelsior Mixture of Tall Asters—A mixture of the most beautiful, striking, and delicate colors of tall tall growing Asters, selected from the cream of the Truffaut, Victoria, Comet, Crown, and other most desirable sorts. It was especially prepared for me.

Excelsior Mixture of Dwarf Asters—Like above strain is a mixture of the finest varieties, but consists of dwarf and half-dwarf sorts in choicest colors; especially adapted for edging, for ribbons and pot culture.

Superfine Mixture—Of all varieties. $\frac{1}{2}$ oz., 50 cts.

New Aster, Daybreak—A grand new variety of American origin. Of symmetrical growth and habit, it attains a height of 18 to 24 inches, and produces lavishly its perfect globe shaped flowers of beautiful shell-pink colors, similar to that of the Daybreak Carnation. A magnificent variety either for bedding or for cut flowers. **Per pkt. 10 cts, three for 25 cents.**

New Diamond Asters—Flowers from 2 to 2½ ins. across, perfectly double, each petal distinctly incurved. Very valuable for bouquets. 18 to 20 inches in height; a perfect mass of bloom; colors varied. **Per pkt. 10 cts, three for 25 cts.**

New Japanese or Tassel Asters—The beautiful flowers form a striking contrast with those of any other variety. Immense size, three to six inches across; long curiously waved and curled petals; resemble the most disheveled Japanese Chrysanthemum. Vigorous growing 14 to 15 inches high, producing a number of enormous flowers. Colors, beautifully rich and soft.

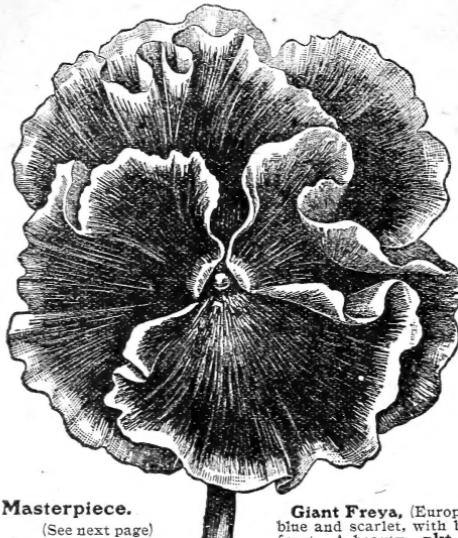

New Giant White Aster, Ostrich Feather—This magnificent new Aster bears some resemblance to the New Giant White Comet, differing in its candelabrum form of growth and much greater freedom of bloom, but its greatest merit is found in its flowers, which are of immense size, averaging six inches in diameter, of a beautiful snow white, made up of much longer, more closely formed petals, equaling the best Japanese Chrysanthemums. A gem among Asters. **10 cts per pkt, three for 25 cts.**

New Giant Rose Aster, Ostrich Feather—Same as the White Ostrich Feather, but of a beautiful rose color. **Pkt. 10 cts, three for 25 cts.**

Prince of Wales—New, very fine. Plants about 15 inches in height, branching freely in all directions. Flowers are of a deep crimson red color, and very large.

New Giant Emperor PANSIES.

THE NEWEST AND LARGEST STRAIN TO DATE.

Masterpiece.

(See next page)

Giant Beaconsfield—A great favorite on account of its extra large flowers and rich combination of deep violet, which shades off to a pale lavender towards the top. **pkt. 10 cts, three for 25 cts.**

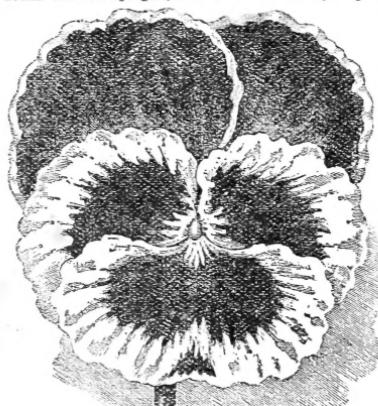

Giant Golden Yellow 5-Spot—Grand and magnificent; each has a dark blotch on each petal, with rigid stocks of great substance. **pkt. 10 cts, three for 25 cts.**

SPECIAL OFFER—For 85 cents I will send one packet of each of the Giant Emperor Pansies, including one packet of the Giant Emperor Mixture.

Giant Emperor Pansy Mixture—This includes all the above new sorts of the Emperor Strain, and is without doubt the finest mixture in the world. Contains all the newest shades, the richest colors that can be found, and unsurpassed by any other firm. **pkt. 15 cts, two for 25 cts, five pkts. for 50 cts.**

New Improved Imperial PANSIES.

Black Prince—The flowers are enormous, of great substance and quite distinct in color. The rich, glossy black has a peculiarly soft, velvety appearance, hitherto unknown. The flowers are of fine circular form, carried upright, well above the foliage. **pkt. 10 cts.**

MAMMOTH BUTTERFLY

SPECIAL OFFER—I will send one packet each of the above New Improved Imperial Pansies, including one packet of the "New Superb" Prize Pansy mixture, for 75 cents.

Cardinal Queen—The flowers are a brilliant brownish scarlet, the lower petals each being marked with a dark brown blotch. **pkt. 10 cts, three for 25 cts.**

Coquette de Poissy—Of a reddish lavender; three maroon blotches on lower petals; novel and distinctly beautiful. **pkt. 10 cts, three for 25 cts.**

Emperor Frederick—Velvety-brown, shaded into a narrow band of deep golden-yellow, which borders each petal. **pkt. 10 cts, three for 25 cts.**

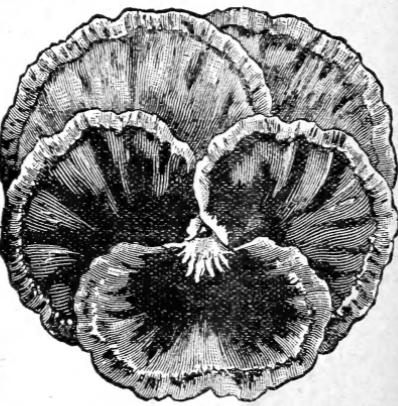

Emperor William—Beautiful deep blue with a heavy dark blotch on each of the five petals; grand and imposing. **pkt. 10 cts, three for 25 cts.**

Meteor—Color, bright canary yellow; the three lower petals are spotted with mahogany-brown, while the two upper petals vary from reddish brown to dark purple, margined with gold or silver. **pkt. 10 cts, three for 25 cents.**

Pigeon Blood—Rich velvety blood-red, distinctly superior to all other so-called reds. **pkt. 15 cts.**

Pres. Carnot—Has a large violet blue blotch surrounded by a sharply defined silvery white margin on each of the five petals. **pkt. 15 cts, two for 25 cts.**

Giant Freya, (European Novelty.)—The flowers are large, deep velvety purple, shaded blue and scarlet, with beautiful white rim. A characteristic is that the back is like the front. A beauty. **pkt. 15 cts, two for 25 cts.**

FREYA

Giant Trimardeau Pansies—These remarkably large pansies, for size of flower and robust growth, eclipse any known strain. The flowers are of immense size and splendid shape, and stand well above the foliage, each flower distinctly marked with three large blotches. **pkt. 10 cts.**

Odier—Superb five-blotched flowers. **pkt. 10 cts.**

Pelargoniflora—Flowers showing the beautiful shades and markings of Pelargonium. **pkt. 10 cts.**

Red Riding Hood—The flowers are of good size, fine circular form and of the most brilliant, solid red. **pkt. 10 cts.**

Improved Striped—Very large, perfectly formed flowers of the most brilliant and exquisite tints of coloring, each flower being very handsomely striped. **pkt. 10 cts.**

"Rainbow"—Upper petals sky blue, edged with violet; lower petals are most purple, sometimes on a white, sometimes on a yellow ground, marbled and spotted. **pkt. 10 cts.**

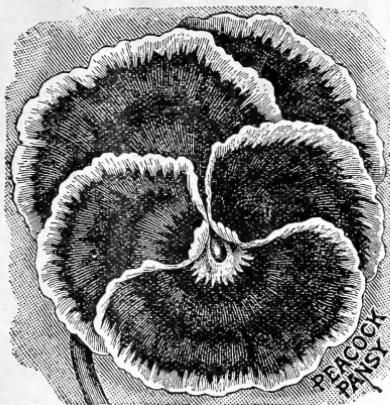

Fire King—Three lower petals have each a large blotch of deep brown-red or magenta, margined with yellow, while the upper petals are of a bright reddish brown, of a really fiery shade. **pkt. 10 cts.**

Peacock—A grand fancy colored flower, petals edged with a thin white line, within which is a space of purplish crimson, passing into a rich central blotch of deep blue, shading to black. **pkt. 10 cts.**

Yellow Prince—Of perfect form and color, pure golden yellow, with the three lower petals distinctly marked with a large, double purplish blotch. It is of very compact, bushy growth, and free-flowering. **pkt. 10 cts.**

Mammoth Butterfly—A most beautiful strain of Pansies with matchless form of beauty. **pkt. 10 cts.**

Snow Queen—Pure glistening satiny white, without blotches. Wonderfully profuse bloomer. **pkt. 10 cts.**

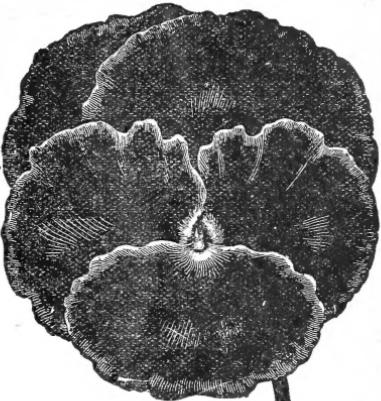

ALL OF THE FOLLOWING VARIETIES OF PANSIES AT THE UNIFORM PRICE OF 3 CENTS PER PACKET.

Pansy, Azure Blue—Very fine; beautiful shade.
 Pansy, Bronze Color—A new and striking color.
 Pansy, Dark Purple—Rich dark purple.
 Pansy, Dark Blue—Very rich, lasting.
 Pansy, King of the Blacks—Almost a coal black; a beauty.
 Pansy, Light Blue—Very rich and lasting.
 Pansy, Mahogany Colored—Beautiful.
 Pansy, Pure Yellow—True to color.
 Pansy, Red—Bright coppery colors, red shades.
 Pansy, Striped and Mottled—Fine.
 Pansy, Violet—With white border.
 Pansy, White—Sometimes marked purple.
 Pansy, Yellow Margined—Beautiful.
 Pansy, Extra Fine Mixed—Above 13 varieties mixed. pkt. 5 cts, six pkts. for 25 cts.

SPECIAL OFFER—I will send one packet each of the above 13 varieties, priced at 3 cts. each, for 30 cts.

NEW
GIANT PANSY,
BLACK PRINCE

THE NEW SUPERB PANSY MIXTURE.

A combination of the finest French and German Prize exhibition varieties. The labor of many years of careful cultivation and constant selection has resulted in an almost endless variety of constant shades of color and good circular substance, and extra large-sized flowers. Embrace, all solid and self-colors, delicately shaded; five-spotted on back-grounds of every color; large spotted; edged or bordered; flowers of various colors, each with distinct rim of white, yellow or blue; dark and light marbled varieties; striped flowers of striking beauty, blotched, veined, mottled and margined in combinations that would be thought impossible. **pkt. 10 cts, 3 for 25 cts.**

SWEET SCENTED PANSIES.

This lovely new class is the result of crossing the Pansy with the Violet, retaining the Violet perfume, with Pansy blooms two inches in diameter, in many colors, including pure white, yellow, black, maroon, striped, blotched, etc. Mixed colors. **pkt. 10 cts, 3 for 25 cts.**

NEW TUFTED PANSIES

VIOLAS OR NEW TUFTED PANSIES.

For years these hardy, tufted Pansies have grown in England, where they are most extensively used for borders, but they were always propagated by cuttings. I have succeeded in securing a limited amount of seed. The plants grow in dense, compact little bushes, which are completely covered with their bright flowers from early Spring until late in the Fall. The colors range in all shades of white, pink, blue, yellow, violet and purple, as self-colors, or in combinations. It is a decorative plant of the highest order, and I feel sure it will soon be as universally grown in this country as it has been for years in England. **pkt. 10 cts, 3 pkts. for 25 cts.**

NEW GIANT RUFFLED PANSY, "MASTERPIECE."

This superb new Pansy is distinct from all others in the form of flowers, the border of every petal being conspicuously undulated and curled, as shown in our illustration on page 4. The flowers are extremely large and nearly all of them exhibit this peculiarity. The curled petals give the flowers a fuller and more globular appearance than those of other classes of Pansy. This new class is remarkable also for the wonderful combinations of color which it shows, including some tints hitherto unknown in Pansies. The plants are very vigorous and bloom profusely. **pkt. 20 cents, three pkts. for 50 cents.**

PETUNIAS.

Petunia, Blotched and Striped—A magnificent strain producing a great profusion of crimson and white flowers, beautifully blotched, striped and marked. Flowers very large and plants completely covered with bloom the whole season. **pkt. 5 cts.**

Petunia, Hybrid Grandiflora—A very charming race of unusual beauty. The flowers are of a very large size and deeply fringed; they are of various rich, deep colors, beautifully blotched, marbled, fringed and variegated. **pkt. 5 cts.**

Petunia Hybrid, Finest Mixed—A good mixture, embracing all colors, including the striped and blotched varieties; very profuse flowering and excellent for bedding or massing. **pkt. 3 cts.**

Best Double Petunia—In raising plants from this seed great care should be taken to preserve the smallest and weakest plants, as these are the ones that bear the finest double flowers. **pkt. 20 cts, three for 50 cts.**

The Best New and Choicest Sweet Peas.

This list has been selected from varieties of the true **Grandiflora Strain**, bearing three to four of the largest flowers to a stem, and includes the best of the late novelties. No better list is offered in any catalogue.

5 cts. per Packet, any Seven Packets for 25 cts. 10 cts. per Ounce, any Four Ounces for 25 cents. 20 cts. per $\frac{1}{4}$ lb., 60 cts. per lb., postpaid.

Admiration—Delicate shade of rosy lavender.

Brilliant—New bright scarlet; does not burn.

Chancellor—Bright shade of orange-pink.

Daybreak—Standard white clouded with crimson; wings white flaked rose.

Earliest of All—Standards bright rosy-pink; wings creamy white, suffused with rose. Fully **ten days earlier** than any other Sweet Pea.

Fashion—Beautiful shade of cereise-pink.

Lottie Hutchins—Cream flaked with pink.

Maid of Honor—White delicately edged with blue.

Navy Blue—Largest size; deep rich blue.

Novelty—Standard bright orange-rose; wings light mauve.

Orange Prince—Standard orange-salmon; wings a bright pink.

Othello—Deep glossy maroon; a grand variety.

Prince of Wales—Bright rose; self colored.

Ramona—White, daintily splashed with pale pink.

Sadie Burpee—The largest and earliest pure white.

Sunproof Salopian—The finest scarlet grown.

Senator—Bright brown; chocolate stripes on white ground.

Sensation—White suffused with faint blush.

Triumph—Standard orange pink; wings white flushed with purple.

Wawona—Heliotrope delicately striped with white.

Perfection Mixture of the Newest Sweet Peas—This mixture is made by myself in equal proportions of the above varieties, thus my patrons can be assured of getting the best assortment it is possible to obtain. **pkt 5 cts., oz. 10 cts., quarter pd. 20 cts., pd. 60 cts., postpaid.**

BEST STANDARD VARIETIES of SWEET PEAS

At the Uniform Price of 3 cts. per Pkt., Ounce, 8 cts., 1-4 lb. 15 cts.

America—The brightest blood-red striped.

Alice Eckford—Rich cream tinted standard; white wings.

Aurora—Large flowers, white ground flaked and striped bright salmon.

Blanche Burpee—Finest giant flowered white; very free bloomer.

Blanche Ferry—Large pink and white flowers.

Captivation—Beautiful light magenta or claret.

Crown Jewel—Primrose veined with violet-rose.

Duke of Clarence—Brilliant shade of rosy claret.

Emily Henderson—The earliest pure white; fine.

Golden Gleam—Beautiful deep primrose yellow.

Gray Friar—Watered purple on white ground.

Her Majesty—Bold flowers of the most beautiful rose color.

Lottie Eckford—White edged lavender blue.

Lovely—Grand flowers of soft shell-pink.

Mars—The largest and finest bright scarlet.

Mrs. Eckford—Beautifully shaded primrose yellow.

Mrs. Sankey—Remarkably large pure white flowers.

Oregonia—Silvery-white ground, watered rosy carnine.

Royal Robe—Standard delicate pink; wings blush pink.

Beautiful.

Stanley—Rich dark maroon of largest size.

Stella Morse—Rich primrose, flushed pink.

Eckford's New Sweet Peas, Mixed—This is a mix-
ture of all the above and other distinct varieties, and I can
recommend it as the finest strain of Mixed Sweet Peas ever
offered for sale. **pkt 3 cts., oz. 8 cts., quarter pound 18
cts., pound 50 cts.**

BURPEE'S BUSH SWEET PEAS.

This is a new race of entirely distinct growth and proven entirely satisfactory in every way. The plants are erect, 15 to 18 inches high and frequently same in diameter. The stout stalks and interlacing tendrils keep them erect. Prolific bloomers and flowers of as fine form and coloring as the tall varieties and are quite distinct from the Cupid type in being borne on long slender stems. As the stems of the flowers can be cut with some of the neat attractive foliage, they are most desirable for bunching in bouquets or used as floral decorations.

Finest Varieties Mixed, pkt. 5 cts., oz. 15 cts., 1-4 lb. 40 cts.

CUPID SWEET PEAS.

Packet 5 cts., oz. 15 cts., 1-4 lb. 40 cts.

Pink Cupid—In habit and manner of growth it is strictly a Cupid, spreading from the root, from a foot to eighteen inches around, growing from six to eight inches high and shooting up stems about six inches long, which bear in full bloom at once from **three to four hundred large flowers** and all borne close to the end of the stem.

White Cupid, New—Dwarf; does not grow over six ins. high. Flowers pure waxy white and borne three on a stem; wonderfully free blooming. The finest plants for bedding and planting in the borders. Bloom until frost.

Cupid, Mixed Varieties—This mixture contains seed in suitable proportions of all the various Cupid varieties, eight in number, which are becoming so popular for beds, borders and pot plants.

NEW DOUBLE SWEET PEAS.

From most carefully selected stock seed, saved only from plants bearing the best double flowers and including the finest varieties offered. **pkt 5 cts., oz. 10 cts., quarter pound 30 cents.**

NEW AGERATUM BLUE PERFECTION

Adiumia Chirrhosa—The Mountain Fringe or Allegheny Vine. A very attractive and beautiful plant, flowering the first season. Of graceful habit. Pale green, delicate foliage, with clusters of small, rosy-lilac flowers. Grows to a height of fifteen feet. **pkt 5 cents.**

Anchusa Italica—Intense blue flowers in large panicles. **pkt 3 cts.**

Aristolochia Siphon—Dutchman's Pipe. Fine, hardy climber, curiously shaped flowers resembling a pipe. **pkt 5 cts.**

Aristolochia Elegans—An elegant Summer climber, of rapid and dense growth. It bears even on small plants handsome flowers of a rich purple color, ornamented throughout with regular markings of creamy white; center of flower deep yellow. **pkt 10 cts.**

Acacia Mixed—Decorative greenhouse shrubs with elegant foliage; flowers yellow, white or red. **pkt 5 cts.**

Alyssum Saxatile (Gold Dust)—Small, golden yellow flowers. Hardy perennial. **pkt 8 cts.**

Aquilegia (Columbine,) Single Mixed—A great variety of colors. **pkt 3 cts.**

Aquilegia (Columbine,) Fine Double Mixed—A very choice assortment of the best. **pkt 3 cts.**

Aquilegia Chrysanthia—Beautiful, long golden-yellow spurred flowers. **pkt 5 cts.**

Adonis—Ornamental garden plants of easy culture, flowering freely; graceful, feathery foliage. **pkt 3 cts.**

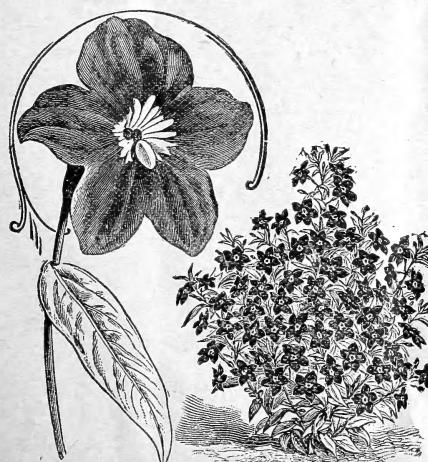

Aconitum—(Monkshood.) Free growing plants for borders or windows. Hardy. Mixed colors. **pkt 3 cts.**

Anemone Coronaria, Mixed—Large, saucer-shaped flowers of many colors. Showy, hardy plants. **pkt 3 cts.**

Arabis Alpina—One of the earliest of all Spring flowers; spreading tufts with pure white flowers. **pkt 5 cts.**

Asparagus Sprengeri—One of the best plants to grow in suspended baskets, for greenhouse or for out doors in the Summer. The fronds frequently grow four feet long and are now considered indispensable in all fine decorations; grows readily from seed. **pkt 15 cts.**

Asparagus Plumbosus Nana—A greenhouse perennial plant, with exquisitely graceful and feathery, lace-like foliage; extensively grown by florists for decorating purposes. Per packet of five seeds. **10 cents.**

GIANT FLOWERED BLUE BROWALLIA

New Ageratum Blue Perfection—This new variety is the darkest colored of all large flowering kinds. The color is a deep amethyst blue, of dwarf, compact growth; a very valuable plant for borders of walks, flower beds, etc. (See cut.) **pkt 10 cts.**

Ageratum Mexicanum—The species most extensively grown. Height 12½ inches. Blue or white. **pkt 3 cts.**

Ageratum Imperial Dwarf—Dwarf variety, only growing to a height of about nine inches. Blue or white. **pkt 3 cts.**

Ampelopsis Veitchi—Boston or Japan Ivy. One of the most valuable of our hardy climbing plants, clinging with great tenacity to wood as well as brick or stone. Beautiful foliage; grows rapidly from seed. **pkt 5 cts.**

Anchusa Chirrhosa—The Mountain Fringe or Allegheny Vine. A very attractive and beautiful plant, flowering the first season. Of graceful habit. Pale green, delicate foliage, with clusters of small, rosy-lilac flowers. Grows to a height of fifteen feet. **pkt 5 cents.**

Anchusa Italica—Intense blue flowers in large panicles. **pkt 3 cts.**

Aristolochia Siphon—Dutchman's Pipe. Fine, hardy climber, curiously shaped flowers resembling a pipe. **pkt 5 cts.**

Aristolochia Elegans—An elegant Summer climber, of rapid and dense growth. It bears even on small plants handsome flowers of a rich purple color, ornamented throughout with regular markings of creamy white; center of flower deep yellow. **pkt 10 cts.**

Acacia Mixed—Decorative greenhouse shrubs with elegant foliage; flowers yellow, white or red. **pkt 5 cts.**

Alyssum Saxatile (Gold Dust)—Small, golden yellow flowers. Hardy perennial. **pkt 8 cts.**

Aquilegia (Columbine,) Single Mixed—A great variety of colors. **pkt 3 cts.**

Aquilegia (Columbine,) Fine Double Mixed—A very choice assortment of the best. **pkt 3 cts.**

Aquilegia Chrysanthia—Beautiful, long golden-yellow spurred flowers. **pkt 5 cts.**

Adonis—Ornamental garden plants of easy culture, flowering freely; graceful, feathery foliage. **pkt 3 cts.**

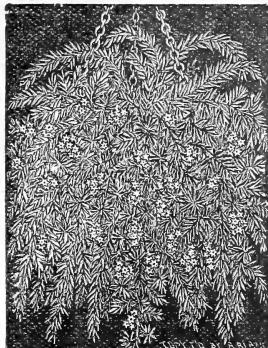

Aconitum—(Monkshood.) Free growing plants for borders or windows. Hardy. Mixed colors. **pkt 3 cts.**

Anemone Coronaria, Mixed—Large, saucer-shaped flowers of many colors. Showy, hardy plants. **pkt 3 cts.**

Arabis Alpina—One of the earliest of all Spring flowers; spreading tufts with pure white flowers. **pkt 5 cts.**

Asparagus Sprengeri—One of the best plants to grow in suspended baskets, for greenhouse or for out doors in the Summer. The fronds frequently grow four feet long and are now considered indispensable in all fine decorations; grows readily from seed. **pkt 15 cts.**

Asparagus Plumbosus Nana—A greenhouse perennial plant, with exquisitely graceful and feathery, lace-like foliage; extensively grown by florists for decorating purposes. Per packet of five seeds. **10 cents.**

ASPARAGUS SPRENGERI

BEGONIA VERNON.

Plants grow rapidly and thrive amazingly under our hot Summer sun. The flowers are borne in constant profusion from early Summer until late Autumn. The color is deep red magnificently set off by the abundant and vigorous foliage, which is waxy and glossy, stained, spotted and margined, bronze-purple. Few other flowering plants as rich and handsome can be so easily raised from seed and come to full perfection in so short a time. **pkt 10 cts.**, three for **25 cts.**

Begonia, Tuberous Rooted Hybrids—These very charming and showy Begonias, with their orchid-like flowers and rich tropical foliage, can be planted in light, moderately rich soil with a liberal mixture of sand. Seedlings raised from sowings made early in the year will bloom freely in the course of Summer. Fine mixed. **pkt 15 cts.**, two for **25 cts.**

Baloon-Vine—*Cardiospermum*. Of rapid growth, with pretty foliage and inflated capsules. **pkt 5 cts.**

Brazilian Morning Glory—The most magnificent Summer climber in my collection. Makes a growth of thirty to forty feet in the course of the Summer. The flowers, which open in the morning, are three inches or more across, of a beautiful rose color, and are borne in large clusters freely from July to frost. **pkt 5 cts.**

Brachycome Iberidiflora—(Swan River Daisy). Very effective, dwarf growing plants, covered for months with a profusion of single daisy-like flowers; blue and mixed; six inches. **pkt 3 cts.**

Browallia—Handsome plants, eighteen inches tall, with shining green foliage and bright blue and pure white flowers; mixed. **pkt 3 cts.**

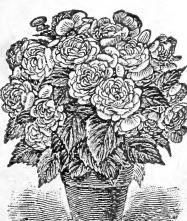

New Giant Browallia—Without doubt the most beautiful of all the Browallias. Plants only a foot high, covered with an abundance of large sky-blue flowers. For beds, borders or pots there is hardly another plant with blue flowers that compares with it. **pkt 10 cts.**, three for **25 cts.**

Calla Aethiopica—The popular Calla Lily. Easily grown from seed, flowering the second year. **pkt 5 cts.**

Canary Bird Flower—This is one of the most beautiful of climbers, with handsomely fringed, rich yellow and delicate flowers. **pkt 3 cts.**

Cobaea Scandens—Of rapid growth and large size, with fine foliage. This is one of the most graceful climbers. Large, bell-shaped flowers of a beautiful violet hue. **pkt 5 cts.**

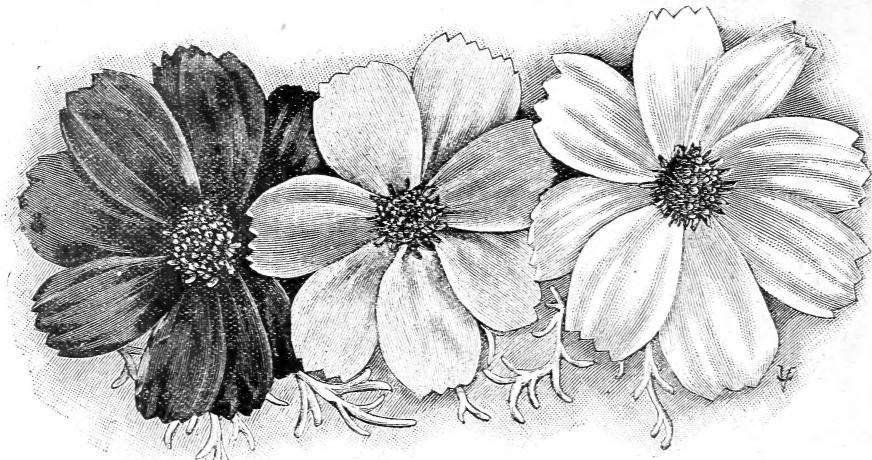

Centaurea Margaret—A very handsome plant which grows about eighteen inches high, and produces large, pure white flowers of the sweetest fragrance. Being produced on long, stiff stems, the flowers are most admirably adapted for bouquets, vases, etc., especially as they keep in good condition for a week after being cut. It is as easily grown as Bachelor's Button, to which family it belongs. **pkt 5 cts.**

BEGONIA TUBEROUS ROOTED

BEGONIA VERNON

COSMOS, NEW GIANT VARIETIES.

Cosmos, New Giant Fancy—This new strain of Cosmos is notable both for purity of color and the gigantic size of its flowers. The broad petals overlap each other producing perfectly circular flowers of splendid substance, which measure 4 inches across, sometimes even reaching 5 inches in diameter. **Pkt 10 cts, three for 25 cts.**

Cosmos, New Yellow—A distinct new variety, with beautiful yellow flowers, blooming from early Summer to late in the Fall. **Pkt 10 cts.**

Cosmos, New Giant White and Pink—Very grand and beautiful; giant flowers of purest white, sometimes very lightly tinged with pink. **Pkt 5 cts.**

Cosmos, The Klondike, New—The so-called Yellow Cosmos, which I never offered, is not a *Cosmos* at all! It is simply the old small-flowered *Bidens ferulifolia*. This variety from Mexico, now first introduced, produced at Fordhook the past Summer magnificent bright yellow flowers, $2\frac{1}{2}$ to 3 inches in diameter. **Pkt. 10 cts, three for 25 cts.**

Cosmos, Dawn—This new variety comes into bloom in July and continues to flower until cut down by severe frost. Of good size; the handsome circular flowers are white, with a delicate tint of rose at the base of the petals. The plants are of a compact, bushy growth, four and one-half feet. Valuable particularly for the North, where the seasons are too short for other strains. **Pkt. 10 cts, three for 25 cts.**

Marguerite Carnations, California Giants—This is a very greatly improved strain of the New Marguerite Carnation, which is so popular because it produces fine, fragrant, double flowers in only four months from seed. The plants are dwarf and compact, though of vigorous growth. Comes into bloom earlier than the Marguerites. Produces much larger and more finely double flowers, continue to bloom profusely until the flower buds are destroyed by heavy frosts. Finest colors mixed. **Pkt. 10 cts, three for 25 cts.**

New Dwarf Margaret Carnation—Like its parent the Marguerite, this Carnation blooms in four months from sowing, but is as much in advance of the type as the new French Cannas are ahead of the old "Indian Shot." The flowers are larger, more double and the variety of colors is infinitely greater. The plants grow about 15 inches high, flowers always erect. If taken up in the Fall, the plants will bloom all Winter. **Pkt. 5 cts, 6 for 25 cts.**

Calceolaria, Prize Strain—The blooms are remarkable for their oddness of shape, for their size, and for richness, diversity and delicacy of coloring. Seeds may be sown from May to August in light, rich, well sifted soil, and frequently transplanted. Tender perennials. One foot in height. **Pkt. 10 cts, three for 25 cts.**

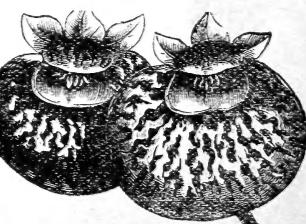

Cactus, Mixed Varieties—Beautiful plants for pot culture in the window or in the greenhouse. **Pkt 5 cts.**

Coreopsis Lanceolata—Large golden yellow flowers; profuse bloomer; keeps in flower throughout the Summer; one of the best hardy plants. **Pkt 3 cts.**

Catchfly, Mixed—Showy, early-flowering garden annuals. **Pkt 3 cts.**

CALCEOLARIA PRIZE FLOWERS

Coleus, Sunset Strain of Large Leaved—Embracing varieties of extraordinary merit, all with richly colored leaves of large size. The foliage is beautifully lacinated, of intensely brilliant colors, variegated in every conceivable manner, and nearly every plant is entirely different from the other. Are very easily raised from the seed, and one packet will produce an almost endless variety. **Pkt 10 cts.**

Chrysanthemum Tricolor, Mixed Varieties—Distinct and valuable for cut flowers. **Pkt. 3 cts.**

Chrysanthemum Inodorum Pileossum—Although a perennial, it flowers abundantly the first year from seed, each plant producing hundreds of beautiful perfectly double snow-white flowers. **Pkt 3 cts.**

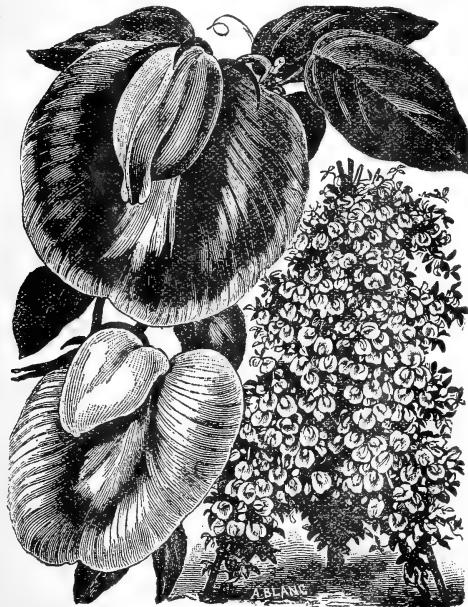

Chrysanthemum, Perennial—As grown formerly in the old-time garden these were entirely hardy, the plants living out during the Winter, and flowering before frost in the Fall. They have been hybridized and improved greatly in size, form and colors by the florists, but with a loss of hardiness and bloom during a later period in the Fall, needing the protection of a greenhouse to bring them to full development except in especially favored localities. By planting these fine varieties in California in the open ground we have secured a strain of seed, which, sown in the open ground early in the Spring at Fordhook Farms, produced fine plants which flower quite freely in the Fall. They are entirely hardy, living out all Winter and growing stronger each year, and at the same time produce flowers more than

double the size of the old-fashioned varieties, while they embrace all the distinct types of flowers and many of the rich shadings of color seen in the finest greenhouse varieties. **Pkt 10 cts, three for 25 cts.**

Chrysanthemum—“French Marguerites” or “Painted Daisies.” The plants grow 12 to 15 inches high, and produce on long stems beautiful large flowers of many bright colors, having the appearance of being laid on with a paint brush. **Pkt 5 cts.**

Chrysanthemum, Golden Feather—The dark velvety disk in the center is surrounded by a circle of bright golden yellow, followed by another clear-cut circle of crimson; beautiful golden foliage. **Pkt 5 cts.**

Centrosema Grandiflora—(The Butterfly Pea.) A hardy perennial vine of great beauty, which blooms early in June from seed sown in April, and bears in the greatest profusion inverted pea-shaped flowers, ranging in color from a rosy violet to a reddish purple, with a broad feathered white marking through the center. Very fragrant. **Pkt 10 cts.** (See cut at left.)

CENTROSEMA GRANDIFLORA

• • • CLEMATIS. • • •

Clematis Paniculata—This is one of the finest hardy perennials in cultivation, growing twelve feet, and covered from the ground to the summit with pure white, deliciously fragrant flowers. **pkt 10 cts.**

Clematis Hybrida, Mixed—Rapid growing climbers, fine for arbors and verandas. The small varieties bloom in clusters, and are very fragrant; fifteen feet. **pkt 10 cts.**

Clematis Flammula—Virgin's Bower. Beautiful clusters of small white, fragrant flowers. **pkt 5 cts.**

CHRYSANthemum PERENNIAL, SHOW FLOWERS

New Celosia, Ostrich Feather—This new Feathered Celosia has very large bright crimson and orange plumes which are exquisitely curved and curled in exact resemblance of an ostrich feather. The plant grows about three feet high is of handsome pyramidal form and makes one of the most effective ornamental plants for either pot or outdoor culture. It is as easily grown as the ordinary Coxcomb. **Price, per pkt. 5 cts.**

Cleome Pungens—(Giant Spider Plant). Curious heads of bright rose-colored flowers. **Pkt. 3 cts.**

Centaurea Gymnocarpa—Finely cut, arching, silvery gray leaves. **Pkt 3 cts.**

Centaurea Cyanus—(Cornflower or Bluebottle). A popular old-fashioned flower. Mixed colors. **Pkt 3 cts.**

Centaurea Moschata—(Sweet Sultan). Showy border plant. Mixed colors. **Pkt 3 cts.**

Crazy's New Dwarf Cannas—Bloom freely the first year from seed. They are much less expensive and incomparably more beautiful for bedding than the best Geraniums. The root can be kept in the cellar over Winter, and each clump will give six to eight good roots for planting the following Spring. The seed I offer has been saved from the finest varieties. **Pkt 5 cts.**

Calliopsis Drummondii—(Golden Wave). Bushy, compact plants, covered all Summer with bright golden flowers, two inches across, distinctly marked with dark brown center. **Pkt 3 cts.**

Calliopsis Fine Mixed—Shades of yellow, orange and reddish brown. **Pkt 3 cts.**

Calendula Oriole—Large flowering, bright yellow. **Pkt 3 cts.**

Calendula Meteor—Bright yellow, striped orange. Fine and distinct. **Pkt 3 cts.**

Convolvulus Major—(Morning Glory). Well known and universally grown climber. **Pkt 3 cts, oz 10 cts.**

Convolvulus Minor—(Dwarf Morning Glory). Grows to a height of one foot only. Mixed colors. **Pkt 3 cts.**

Convolvulus, Fine Mixed—Embracing a great variety of colors. **Pkt 3 cts, oz 10 cts.**

Convolvulus Striped—(Morning Glory). Large, handsome flowers of great beauty; they are variously striped and blotched with red, blue and rose on a white ground. **Pkt 3 cts.**

Cyclamen Persicum—Most charming bulbous-rooted plants, with beautiful foliage variegated in different shades of green, and richly colored orchid-like flowers. Splendid mixed. **Pkt 5 cts.**

Cyclamen, Giganteum, Mixed—Beautifully mottled leaves and large flowers of rich colors. **Pkt 10 cts.**

Cypress Vine—One of the most elegant vines with delicate, fern-like foliage and beautiful star-shaped flowers. Mixed colors. **Pkt 3 cts.**

Cypress Vine, Scarlet—Rich scarlet. **Pkt 3 cts.**

Cypress Vine, White—Purist paper white. **Pkt 3 cts.**

Campanula, Canterbury Bells, Fine Single Mixed

—A choice assortment of colors. **Pkt 3 cts.**

Campanula, Choice Double Mixed—All double varieties mixed. **Pkt 3 cts.**

Carnation—Not being difficult of cultivation the plant should be found in every garden, where its scarlet, crimson,

DWARF CANNAS

rose and pink make a wonderful show of tints. Fine mixed **Pkt 5 cts.**

Cineraria Hybrida—This is one of the brightest and best of house plants, blooming most profusely during the late Winter and early Spring. Of richest color; crimson, magenta, violet, blue, white and variegated. Keep the plants in a cool, shady place during the Summer. Large flowering; finest mixed. **Pkt 10 cts.**

Cineraria Maritima—(Dusty Miller). Very ornamental for bedding and as a decorative plant. Of dwarf compact habit, with handsome silvery-white foliage; can be grown very easily from seed. **Pkt 3 cts.**

Cacalia—(Tassel Flower). Small, tassel-like blooms, often called Flora's Paint Brush. Useful for cutting. Bright scarlet and yellow mixed. **Pkt 3 cts.**

Delphinium, Larkspur, Tall Rocket—Double mixed. **Pkt 5 cts.**

Delphinium, Larkspur, Emperor—Splendid, a single plant having 50 or more erect spikes of flowers. Delicate mixed colors. **Pkt 3 cts.**

Delphinium, Larkspur, Double Dwarf Rocket—Finest mixed. **Pkt 3 cts.**

Delphinium, Larkspur, Formosum—Flowers very deep blue, in tall, much crowded spikes. **Pkt 3 cts.**

Delphinium, Larkspur, Hybrida—(Bee Larkspur) Grandest of perennial species. Tall spikes 3 to 4 feet high, light blue, with a black, bee-like spot in center. **Pkt 3 cts.**

Delphinium, Larkspur, Chinese—(Dwarf Chinese Larkspur)—Grows 1 1/2 feet, free-blooming; mixed. **Pkt 3 cts.**

Dracaena Indivisa—A foliage plant, is used extensively for centers of vases, and for pot culture, thin arching leaves, two to three feet. **Pkt 5 cts.**

New Large Fancy Dianthus, Oriental Beauties—A magnificent new strain, large flowering Dianthus from Southern Japan. Splendid flowers, 3 to 4 inches in diameter; most exquisitely formed, petals full, overlapping, crinkled and incinated. Color pure white through shades of pink and crimson. They are hardy, perpetual bloomers. **Pkt 15 cts, two for 25 cts.**

CYCLAMEN PERSICUM

CONVOLVULUS

DAHLIAS.

Dahlias are grown easily from seed, flowering freely the first season. Sow the seed thinly in drills one-half inch deep in the hot-bed or in shallow boxes of rich soil in the house early in the Spring. When well started transplant to the open ground when the trees are out in full leaf, setting the plants one foot or more apart each way. Furnish each plant with a stout stake, and cut off the side shoots so as to throw all the strength into the central stem to promote early flowering. In the fall the tops may be cut off, the bulbs dug and wintered in a warm cellar. Plants raised from seed will give a wide range of beautiful colorings, and nearly all the plants will produce fine double flowers. Many gardeners admire the single flowers, even more than the double ones.

Extra Choice, Large Flowering Double
—This splendid strain is saved from a large collection of perfectly double varieties. **pkt 10 cts, three for 25 cts.**

Superb Single Dahlias—These are easily raised from seed; they begin to flower in July, **pkt 5 cts.**

Double Daisy—Daisies are easily raised from Spring-sown seed, and come into flower in a very short time. With protection they will withstand the Winter. Fine double mixed. **pkt 5 cts.**

Daisy Longfellow—Remarkable for the unusual size and doubleness of its dark rose flowers. **pkt 10 cts.**

Daisy Snowball—Large flowers, perfectly double, of purest white. **pkt 10 cts.**

Digitalis (Fox-Glove) Finest Mixed—Long racemes of beautifully spotted flowers. **pkt 3 cts.**

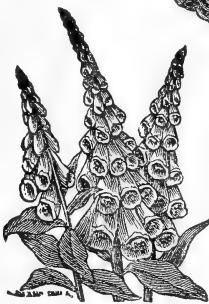

Datura—(Angel's Trumpet, or Sweet Nightingale.) Very showy, large branching plants, growing three to five feet high, bearing immense trumpet shaped flowers six inches in length and

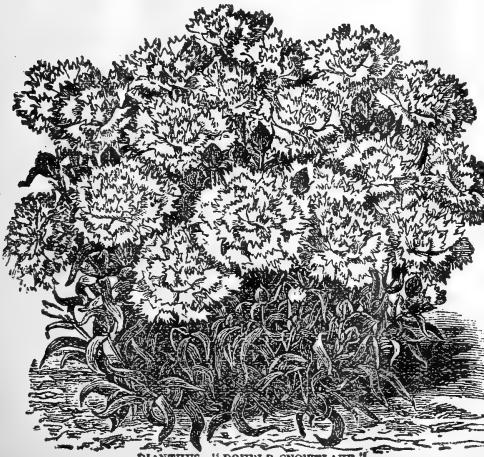

SHOW DAHLIAS FROM SEED

DATURA

DIGITALIS

DIANTHUS. "DOUBLE SNOWFLAKE."

very fragrant. They bloom freely from seed sown in the open ground the first season, but the roots can be taken up and kept over Winter the same as Dahlias. Mixed varieties. **pkt 5 cts.**

Datura Double—Mixed colors. **pkt. 5 cts.**

Datura Wrightii—Single white flowers. **pkt 5 cts.**

Dianthus Chinensis—(Double Chinese Pinks.) Very double, large flowers; magnificent color. **pkt 3 cts.**

Dianthus Snowflake—Pure white flowers, of immense size; very double, fringed. **pkt 3 cts.**

Dianthus Crimson Bell—Very large, single dark red flowers. **pkt 3 cts.**

Dianthus Dwarf Fireball—Brilliant blood-red, perfectly double, laciniate flowers. **pkt 3 cts.**

Dianthus Mourning Cloak—Large, double flowers; is a very dark mahogany, almost black; edged with white. **pkt 3 cts.**

Dianthus Eastern Queen—Magnificent single flowers; 2 to 3 inches across; striped and stained. **pkt 3 cts.**

Dianthus Heddwi—(Japan Pink.) Splendid double flowers; fine in beds or borders. **pkt 3 cts.**

Dianthus Laciniatus—Large, single, fringed flowers; mixed. **pkt 3 cts.**

Dianthus Laciniatus, fl. pl.—Large, perfectly double and fringed flowers; finest mixed. **pkt 5 cts.**

Dianthus Plumarius, Single Mixed—(Hardy Feathered Pheasant's Eye Pink.) Large, single, fragrant flowers of beautiful colors and fringed. **pkt 3 cts.**

Dianthus Plumarius (Hardy Pinks) Double Mixed—Double fringed flowers, fragrant, and of white, crimson or purple shades, spotted and variegated. **pkt 8 cts.**

New Double Daisy, Giant Flowered White—A distinct feature is the large size of its beautiful flowers, which have flat petals of a very showy white color, perfectly double. They are produced in great abundance above the foliage, which is much larger than in the older varieties. A valuable plant for Spring decoration, grown either in the open ground or in pots. **pkt 10 cents, or three pkts for 25 cents.**

COPYRIGHTED 1890 BY
A. BLANC.

Freesia Gigantea Grandiflora—This is a greatly improved Freesia that grows to a height of fifteen inches. The flowers are double the size of the ordinary Freesia; the colors are pure white with yellow throat, cream yellow with orange throat, cream shaded lavender and white with lavender throat. **pkt 10 cts.**

Feverfew—The well known double white variety. It is splendid for cutting. **pkt 10 cts.**

Godetia, Fine Mixed—Many varieties. **pkt 5 cts.**

Geranium, Apple-Scented—Leaves are very fragrant. **pkt 10 cts.**

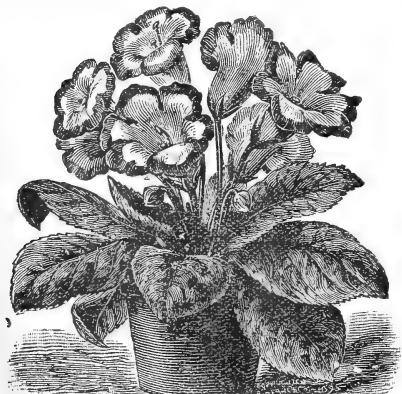

Geranium Zonale, Extra Fine Mixed—This seed has been saved from a fine collection of choice named sorts, and it is sure to produce new and very striking sorts. **pkt 10 cts.**

Grevillea Robusta—Silk Oak. A beautiful ornamental plant with fern-like foliage; easily grown from seed. **pkt 5 cts.**

Gaillardia (Blanket Flower) Salmon Red—(Sun-kissed.) Large, single flowers, salmon red, distinctly edged with bright orange. **pkt 5 cts.**

Gaillardia Picta Lorenziana—(New Double Gaillardia.) Large, gay colored double flowers, which are produced abundantly from July until frost, and are valuable for cutting. The colors embrace sulphur, golden yellow, orange, amaranth, and claret. **pkt 8 cts.**

Gaillardia, Fine Mixed—Including all other varieties. **oz. 25 cts, pkt 3 cts.**

GORGEOUS FLOWERED GLOXINIAS

GLADIOLUS NEW HYBRIDS

GREVILLEA ROBUSTA

ESCHSCHOLTZIA

EUPHORBIA

Eschscholtzia—(California Poppy.) Mixed. Flowers yellow, orange and white; leaves finely cut; height ten to twelve inches, very showy. **pkt 3 cts.**

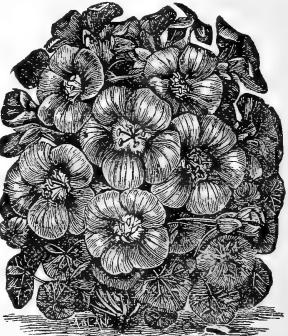

Eschscholtzia Mandarin—The inside of petals rich orange, outer a mandarin scarlet. **pkt 3 cts.**

Euphorbia Marginata—(Snow-on-the-Mountain.) Beautiful foliage, elegantly veined and margined with white; very showy. **pkt 3 cts.**

Euphorbia Heterophylla—“Annual Poinsettia” or Mexican Fire Plant. Grows two to three feet high, with smooth, glossy leaves. The leaves are at first entirely green, but about mid-Summer, at the end of each branch appear greenish-white flowers, enveloped in beautiful orange scarlet bracts, and the surrounding leaves are either blotched with vivid carmine or are carmine with green tips. **pkt 5 cts.**

Erythrina—(Coral Plant.) It grows about five feet high, with large spikes of deep scarlet, pea-shaped blossoms. **pkt 5 cts.**

Golden Rod—America’s National Flower. The favorite yellow wild beauty. **pkt 3 cts.**

GODETIA

Gloxinias, New Superb Prize Mixed

—A collection of the newest new blotched, spotted and margined strains; large size, beautiful shape, and profuse bloomers, colors ranging from pure white to dark blood red, pink, lavender, indigo blue, marbled, spotted, and margined in a manner truly fascinating. Culture printed on packets. Price of choice seed mixed: **pkt 15 cts.**, two packets for **25 cts.**

Gladiolus, New Hybrids—The ease with which new varieties of this magnificent flower can be raised from seed should entitle this grand mixture to a trial. It has been saved from one of the finest collections, comprising over 1,000 select named varieties of Childish, Lemonei, Nanceanus and Gandavensis hybrids, carefully hand hybridized, with views to carrying the size, richness and variety of color, substance of flower, as well as the strength of plant up to the highest point, and the product may be expected to produce nothing but sorts of the highest merit. **pkt 10 cts.**, three for **25 cts.**

Gypsophila, Elegans—White perennial for bouquets, grows in any soil. **Pkt 3 cts.**

Gypsophila, Paniculata—A graceful, hardy plant, fine for cutting for bouquets. Flowers in feathery-white panicles. **Pkt 3 cts.**

Gourds, Ornamental—Summer climbers of exceedingly rapid growth and luxuriant foliage; fruits when allowed to fully ripen on the vines, can be kept for months as curiosities. Fine mixtures. **Pkt 3 cts.**

Dipper Gourd—Valuable for dippers of various sizes which will last for years. **Pkt 3 cts.**

Dishcloth Gourd—The tough, spongy lining makes an admirable and lasting dishcloth. **Pkt 3 cts.**

Sugar Trough Gourd—Very useful for various purposes; grow to hold four to ten gallons; thin, hard shells. **Pkt 8 cts.**

Bottle Gourd—Curious bottle-shaped. **Pkt 3 cts.**

Japanese Nest Egg—Resembling in color, shape and size the eggs of hens; are unincurred by cold or wet and therefore make the best nest-eggs. **Pkt 3 cts.**

HOLLYHOCK.

Few hardy plants combine as many good qualities, or lend themselves as readily to varied uses, as the Hollyhock. For planting in rows or groups on the lawn, or for interspersing among the shrubbery, they are invaluable. The flowers form perfect rosettes, of the most lovely shades of yellow, crimson, rose, pink, orange, white, etc. It is not surprising that this old favorite should again become popular; for, by careful selection, the flowers have been so much improved that they are marvels of beauty and elegance. The Hollyhock requires a rich deep soil, well drained, and will respond in quantity and elegance of bloom any extra care. A slight protection in Winter will be beneficial.

Double Hollyhock, Fordhook Superb—A great beauty, magnificent long spikes crowded with double flowers, three to four inches across, and all of the brightest color. The flowers are quite as beautiful as those of the Camellia. Beyond doubt Superb Hollyhocks are the finest strain in cultivation, and will prove a revelation to many unacquainted with their remarkable perfection. All colors, finest mixed. **Pkt 10 cts., three for 25 cts.**

NEW DOUBLE HOLLYHOCK
FORDHOOK SUPERB

NEW HELIOTROPE, LEMOINE'S GIANT HYBRIDS.

New Double Fringed Alleghany Hollyhocks—Of many rich colors; the grand double flowers of this new strain are remarkable for their extra large size, novel forms and graceful arrangements upon the stems. The hardy plants remain long in bloom and are most attractive. **Pkt 10 cts., three for 25 cts.**

Hollyhock, Charter's Superb New Double Mixed—Of all the brightest and best colors. The perfect doubleness of the magnificent large flowers will please the most critical. **Pkt 5 cts.**

Hollyhock—Double White, Double Pink, Red, Yellow and White. **Separate colors each per pkt., 5 cts.**

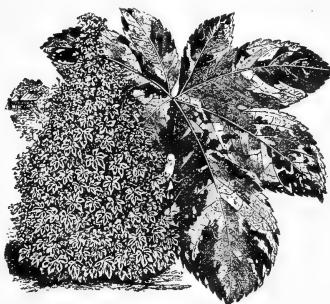

HELIANTHUS.

Helianthus, (Sunflower) The Dahlia—Produces numerous bright golden-yellow flowers, double. **Pkt 5 cts.**

Helianthus—Mammoth double flowering. **Pkt. 5 cts.**

Helianthus, Chrysanthemum Flowered—A new and magnificent variety bearing flowers seven to ten inches across and four or more in depth; the center being closely set with petals of a deep golden tint. **Pkt. 5 cts., oz. 25 cts.**

Humulus Japonica Variegata—Japanese Hop. Foliage very dense and of a lively green, variegated with white. The most valuable feature is that it attains enormous dimensions very quickly. **Pkt 5 cts.**

HUMULUS JAPONICA VARIEGATA

HELICHRYSUM, Eternal Flower—Are greatly admired for their beauty. Flowers large and colors bright. Highly prized for Winter bouquets. Flowers intended for drying should be gathered when partly unfolded, and suspended with heads downward in a cool shed. Succeed best in rich loamy soil. **Pkt. 3 cts.**

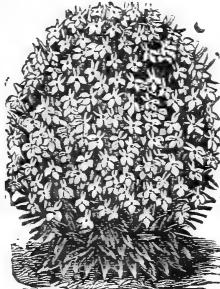

HELIOTROPE.

New Heliotrope, Lemoine's Giant Hybrids—Should I devote this entire page to an illustration it would fail to give an adequate idea of the grand size and rare beauty of the flower heads of this wonderful novelty. The trusses measure from ten to fifteen inches across. Their fragrance is delicious. The colors are from pure white through all shades of violet and blue to indigo. Even before it comes into bloom the foliage is noticeable; its large and glossy leaves frequently measure from five to seven inches, and are borne on strong, erect stems, growing about two feet in height. **Per pkt. 10 cts., three for 25 cts.**

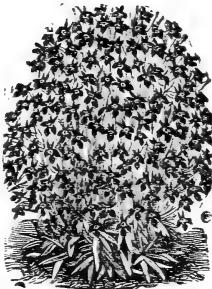

Heliotrope—Choice Mixed Varieties. **Pkt. 5 cts.**

Heliotrope, Dark Bouquet—The large flower heads are intensely dark blue in color and most deliciously fragrant; it comes true from seed. **Pkt. 8 cts.**

Heliotrope, The Black King—It comes true from seed; which can be sown in the open ground with entire success. The color is unusually rich, dark purple, nearly black; undoubtedly the darkest yet developed. **Pkt. 8 cts.**

LOBELIA WHITE GEM

LOBELIA GRANDIFLORA SUPERBA

Heliotrope, Lady in White—This lovely variety is a fitting companion to the Black King. The same vigorous, healthy growth, while the superb large clusters of deliciously fragrant flowers are of pure white. pkt 8 cts.

Hibiscus Californicus—Strong-growing plants of very easy culture and exceedingly showy, the large cup-shaped flowers frequently measuring six inches across. White flowers with deep carmine center. pkt 8 cts.

Hyacinthus Candicans—Giant Summer Flowering Hyacinth, of robust growth, producing spikes three feet long, of white, bell-shaped flowers, bulbs keeping dry over Winter like a Gladiolus. pkt 5 cts.

Iris Kaempferi—(Japan Iris.) A perfectly hardy bulbous plant, with large, showy flowers; pure white and of many shades of blue and purple. pkt 5 cts.

New Giant Imperial Japanese Ipomoeas, or Morning Glories—Here we have from Japan the new Imperial Morning Glory, a new mammoth class of flowers. The flower garden will lack a beautiful spot if it is without a fence corner or trellis covered with these glorious blossoms; plant attains a growth of twenty feet by Midsummer. The leaves are large and heart-shaped, many of them a rich, dark color, marbled with silvery white or yellow. The flowers are really gigantic, being double the size of the ordinary kind. Their varieties of colors are infinite, running from snow white through all the possible shades of blue, and of red from the palest pink to the darkest reds and purples. They are streaked, mottled, striped, marbled and bordered in wonderful fashion. To gain time, start seeds in small pots in the house in March or April and plant in a warm, sunny place. pkt 5 cts.

Ipomoea Herderacea Grandiflora Superba Alba—Large, fragrant, pure white flowers. pkt 5 cts.

Ipomoea Coccinea, Star Ipomoea—Of wonderful rapid growth; dense foliage, covered with hundreds of the brightest scarlet flowers; very showy. pkt 3 cts.

Ipomoea Grandiflora, Striped-Leaved Mixed—The leaves are green, marbled with silvery white; flowers fragrant and mostly of an intense ultramarine blue, edged with sky-blue, and with a pink throat. pkt 3 cts.

Ipomoea, "Heavenly Blue"—The vines are completely covered by its sky-blue flowers, measuring four inches across; a lovely climber. pkt 5 cts.

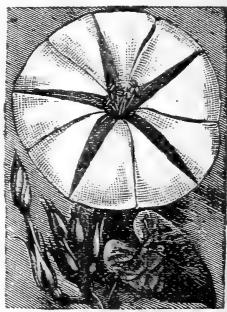

MIGNONETTE, NEW GIANT RED

COPYRIGHTED 1893
BY KELLOGG

IMPERIAL JAPANESE IPOMEAS

MOON FLOWER

Ipomoea Noctiflora, Moonflower—It bears lovely white flowers five to six inches in diameter, with a five-pointed star in the center; the flowers open at dusk, or earlier on cloudy days, at which time they are deliciously fragrant. Start the seed in the house and set out as early as safe in the Spring. pkt 5 cts.

Ice Plant—Mesembryanthemum Crystallinum. For vases; icy foliage. pkt 5 cts.

Lathyrus—(Perennial Peas.) They are in full bloom early in the Spring before the others have begun to flower, bearing magnificent clusters of flowers. Perfectly hardy; easily grown; mixed. pkt 3 cts.

Lavender—An ornamental hardy perennial, bearing long spikes of fragrant blue flowers. pkt 3 cts.

Lobelia—Elegant and useful, of easy culture, and well adapted to bedding, edging pots or rockeries. Fine mixed. pkt 3 cts.

Lobelia White Gem—This lovely new compact annual Lobelia grows only four to five inches high, and is densely covered with pure white flowers. pkt 5 cts.

Lobelia Grandiflora Superba—A very dwarf, erect growth, only four to six inches high, and forming dense balls of charming blue flowers. pkt 5 cts.

Lynaria Cymbalaria—(Kewilworth Ivy.) A hardy and perennial trailing variety, suitable for baskets, vases, pots and rockwork. pkt 5 cts.

Lantana, Finest Mixed—Well-known shrubby plants, with clusters of Verbena-like flowers, making a grand display the first season. pkt 8 cts.

Mignonette, Large Flowering—The common Sweet Mignonette. Mixed colors. pkt. 3 cts.

LANTANAS

Mignonette, New Giant Flowered Red—Of beautiful pyramidal form, compact and vigorous grower, ten to fifteen inches high and a very abundant bloomer. Flower spikes of the largest size; the single flowers of a striking red color. **pkt 5 cts.** See cut on opposite page.

Mignonette, Machet—A dwarf French variety with broad spikes of very fragrant red flowers. **pkt 3 cts.**

Mignonette, Golden Machet—Golden yellow flowers, dense dwarf growth. **pkt 3 cts.**

Mignonette, White Giant Spiral—Quite showy in growth with very long spikes of bloom. **pkt 5 cts.**

Mignonette, Mixed—All varieties mixed. **pkt 3 cts.**

Mormordica Balsamina—(Balsam Apple.) A very beautiful, climbing plant, with handsome apple-shaped fruits, which have great medicinal properties. **pkt 5 cts.**

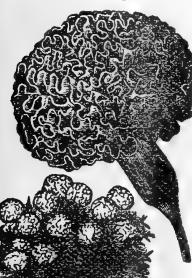

Malope Grandiflora—The plant grows eighteen to twenty inches high, and bears beautiful, large, single flowers. Mixed crimson, rose and white. **pkt 5 cts.**

Marvel of Peru (Mirabilis, or Four O'clock.)—It is one of the most brilliant and showy of annuals. When planted in beds or masses they present a gorgeous sight during the afternoon. Mixed. All colors. **oz 15 cts, pkt 3 cts.**

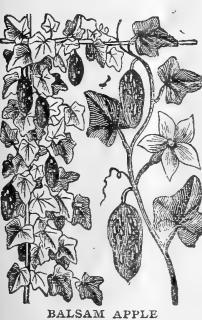

Marigold, African—The African varieties are stronger in habit and produce larger flowers than the French. Double mixed. All varieties. **pkt 3 cts.**

Marigold, Eldorado, or Dahlia-Flowered—The flowers are globular, as perfectly double as a show Dahlia, and are of enormous size, measuring three and one-half to four inches across. The shades are of the lightest primrose, lemon, rich golden yellow and deep, glowing orange. **pkt 3 cts.**

Marigold, French Compact, Gold Striped—The plant is thickly studded with handsome flowers, generally striped regularly with brown on yellow ground. **pkt 3 cts.**

MARIGOLD ELDORADO

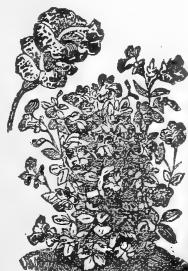

BALSAM APPLE

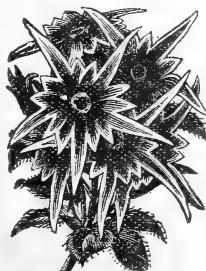

MYOSOTIS.

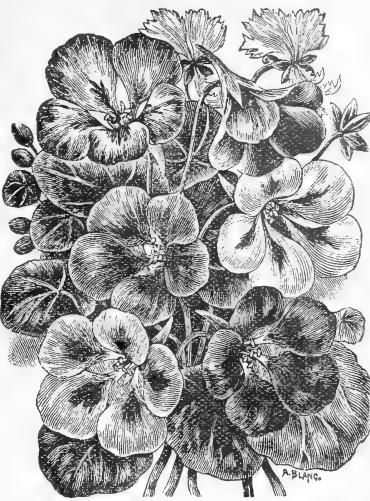

FORGET-ME-NOT

MIMULUS, MONKEY FLOWER

PHLOX, STARRED AND FRINGED

NASTURTIUM-TROPAEOLUM

Nasturtium, King of the Tom Thumbs—Bluish green foliage. Showy, intense scarlet flowers. **pkt 3 cts.**

Nasturtium King Theodore—Bluish green foliage and almost black flowers. **pkt 3 cts.**

Nasturtium, Lady Bird—Rich golden yellow. Each petal barred with bright ruby crimson. **pkt 3 cts.**

Nasturtium, Empress of India—Brilliant crimson scarlet flowers. Very rich. **pkt 3 cts.**

Nasturtium, Chameleon, New—A most gorgeously spotted and variegated flower, hardly any two on the same plant alike. The finest of the class. **pkt 10 cts, 3 for 25 cts.**

Tropaeolum, French Spotted—Flowers of many distinct colorings on the same plant. Beautiful and attractive. **pkt 5 cts, oz 20 cts.**

Tropaeolum (Lobbianum) Lucifer—The richest velvety deep crimson imaginable. **pkt 5 cts, oz 20 cts.**

Tropaeolum (Lobbianum) Spitfire—New, entirely true from seed; the brightest and most glowing in tone of all. **pkt 5 cts.**

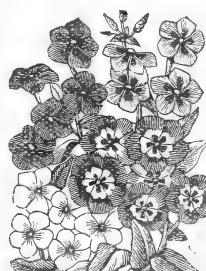

Tropaeolum (Lobbianum) Finest Mixed—From dark velvety to the brightest gay colors in mixture. **pkt 3 cts, oz 20 cts.**

Tropaeolum, Majus—Mixed colors. **pkt 3 cts, oz 15 cts, 1/2 pd 40 cts.**

Oxalis—Small, free-flowering plants, thickly starred with bright flowers from June until frost. Fine for bordering beds. Sow seed early. Finest mixed. **pkt 5 cts.**

Nigelia—(Love in the Mist.) The plant has finely cut foliage, and curious looking flowers and seed pods. It is of easy culture. All varieties and colors. **pkt 3 cts.**

Nolana, Mixed—Very pretty trailing plants for rock-work, hanging baskets, floral borders, etc. The flowers resemble the Dwarf Convolvulus. **pkt 3 cts.**

PHLOX, LARGE FLOWERED

ABUND.

PASSION FLOWER

Passiflora, Passion Flower.

Handsome, rapid-growing perennial climber for greenhouse decoration or sunny positions in the Summer. I have several sorts mixed.

Price, per pkt 10 cts.

PRIMROSE OBCONICA

CHINESE PRIMROSE

Phlox, Drummondii—Fine mixed. All colors of the original type of Phlox Drummondii. oz 60 cts, pkt 3 cts.

Phlox, Alba—Pure white. My strain is magnificent; chaste white flowers of unusual size and perfect form. pkt 5 cts.

Phlox, Large Blood Red—Dargest colored of all, being of the deepest blood-red color. pkt 5 cts.

Phlox, William First—Beautifully striped. pkt. 5 cts.

Phlox, Dwarf Fireball—Intense scarlet. pkt 5 cts.

Phlox, Dwarf Snowball—Forms balls of pure snow-white flowers. pkt 5 cts.

Phlox, Drummondii Grandiflora—Fordhook strain—This strain of mixed large flowering Phlox is most remarkable in variety and brilliancy of colors. My strain is notable for the perfection and size of the flowers—many of the single flowers are so large they will nearly cover a fifty-cent piece. pkt 5 cts.

New Large Yellow Phlox—Rich straw-yellow, of warm and glowing tone, while the flowers are of extra large size and fine form. pkt 5 cts.

Phlox, Starred and Fringed—Nothing in the Phlox line created such a sensation as the Fimbriata, Cuspidata and Star of Quedlinburg. These large sized and curiously fringed and toothed blooms took the floral world by storm. I offer the improved Hybridized strain of wondrous beauty. pkt 5 cts.

Phlox, Hardy—Magnificent hardy flowering plants, growing strong bushes from two to four feet high, bearing immense heads of large waxy flowers of lovely shades of colors. pkt 10 cts.

Primula, Alba Magnifica—Flowers borne in large trusses well above the foliage are pure white, with large bright yellow eyes. pkt 15 cts.

Primula, Coccinea—A very brilliant bright red. pkt 15 cts.

Primula, Finest Fringed—Large flowering. A grand mixture, embracing all the above and many other finest fringed, large flowering varieties. pkt. 15 cts.

Primula Obconica—A lovely and profuse ever-blooming Primrose, bearing beautiful single flowers, white shaded with a slight tinge of lilac. pkt. 10 cts.

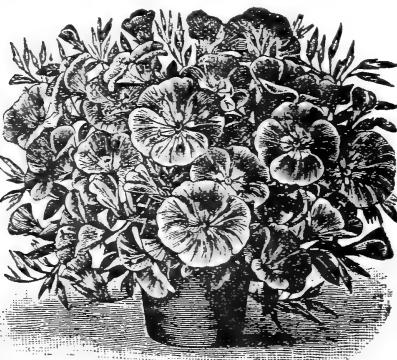

Primula, Forbesi, Baby Primrose—This is the freest flowering Primula we know of. The seed comes up very readily, and the little plants throw up tiny flower stalks when only a few weeks old. These, however, should be pinched off, and the plants kept growing until October when the flowers may be allowed to develop, and from then on until late in Spring they produce their sprays of beautiful flowers in seemingly never-ending profusion. pkt. 15 cts.

Oenothera, Mexican Primrose—A most desirable plant for Summer and Autumn blooming. The plants grow about ten inches high and are covered with large flowers of a beautiful pink, with a white center. Useful for both pots and outdoors. pkt 10 cts.

Oenothera, Evening Primrose, Acaluis Alba—Saucer-shaped, silvery white flowers of enormous size; striking and fragrant. pkt 3 cts.

Poppy, The Mikado—Of pure white and brilliant crimson scarlet; large double flowers of quaint, artistic beauty, with petals deeply cut, fringed and twisted like a Japanese Chrysanthemum. pkt 3 cts.

Poppy, Shirley—New. Of marvelous beauty. Shades of delicate rose, pink, carmine and brilliant crimson colors. Many of the flowers are edged with white and the petals have a gloss—silk-like texture. pkt 5 cts.

MEXICAN PRIMROSE

BABY PRIMROSE

POPPIES

GERMAN STOCKS

Poppy, Improved Double Carnation Mixed—For dazzling richness and variety of colors the flowers are unequalled. **pkt. 5 cts.**

Poppy, Snowdrift—A grand variety, Large, pure white flowers, perfectly round and double. **pkt. 5 cts.**

Poppy, Tulip—A new and distinct Poppy, of brilliant red color and very free-blooming. **pkt. 5 cts.**

Poppy, Peony Flowered—Double. The flowers are equal to Peonies in size, brilliancy and variety of color. **pkt. 5 cts.**

Poppy, Improved Double Mixed—For dazzling richness and great variety of colors they are unequalled. **pkt. 5 cts.**

Poppy, Fairy Blush—Immense globular flowers, perfectly double, and measuring from ten to thirteen inches in circumference; the petals are elegantly fringed and pure white, except at the tips, where they are distinctively colored with rosy cream. **pkt. 5 cts.**

Golden Gate Poppies—Every conceivable combination of colors; striped, blotched, edged and bordered, on both single, semi-double and double flowers, wonderfully varied and beautiful. **pkt. 5 cts.**

The following two varieties are Hardy Perennials:

Oriente—Immense flowers of brilliant scarlet, with a fine purple center. **pkt. 5 cts.**

Nudicaule—Iceland Poppy. More dwarf than the preceding. Flowers varying from white to the deepest and most orange yellow. Very free blooming and admirable for pots; mixed colors. **pkt. 5 cts.**

Portulaca, Single—Brilliant and beautiful colors. They delight in sunny situations, where they rapidly carpet the ground. **Fine mixed. pkt. 5 cts.**

Portulaca, Double Flowering Mixed—Unsurpassed for brilliancy and beauty. One-half of the plants will produce magnificent double flowers. **pkt. 5 cts.**

Peony, Double Mixed—Grand, hardy plants, well known ornaments of our gardens, with large, double flowers of various shades. **pkt. 10 cts.**

Picotee—(Pinks)—Hardy fancy, double; mixed superb flowers of various shades. **pkt. 5 cts.**

Pensetmon, Mixed—All varieties. Flowers resemble Gloxiniæ in shape. Mottled in crimson, pink, blue and white. **pkt. 5 cts.**

Pyrethrum, Hardy Flowering Varieties—Valuable for permanent beds, bearing large, bright-colored flowers of rose, flesh, pink, white, crimson, etc., which remain in bloom a long time. **pkt. 5 cts.**

SCHIZANTHUS—SEE PAGE 18

Platycodon, Grandiflorum—It grows upright, producing very handsome, bright deep blue and white flowers of extra large size. It flowers freely the first year from seed and is perfectly hardy; one of the finest border plants known. **pkt. 5 cts.**

Ricinus Zanzibarensis, Giant Castor Bean—Leaves measure nearly four feet across. From seed sown in the open ground in May the plants are in full foliage early in June, and attain a height of twelve to fourteen feet. The enormous leaves beautifully lobed, measure from two and a half to nearly four feet across. Planted as a solitary plant on the lawn, it makes a perfect pyramid of foliage, thickly set from top to bottom with gigantic leaves. A dozen plants in a large bed make a most picturesque sight, to be admired from a long distance. The difference between the varieties in the coloring of the grand bamboo-like stems and long, slender leaf stalks is most admirable. Mixed varieties. **pkt. 10 cts, oz. 25 cts.**

Ricinus—Castor Oil Bean. Noble plants for Summer subtropical decoration. Height five to fifteen feet, with imposing foliage and flowers. Mixed varieties. **pkt. 5 cts.**

Rocket Sweet—Mixed colors; fragrant purple and white flowers. **pkt. 3 cts.**

Stock, Giant Perfection—A splendid race, growing two and one-half feet high, with large spikes of perfectly double flowers of great substance. Mixed. **pkt. 8 cents.**

Stock, Ten Weeks—Desirable pot plants, as well as in the open garden. They are greatly prized for cut flowers on account of their fragrance and diversity of color. To have a continuous succession of bloom; sow at intervals from the beginning of March to the end of May. Fine mixed. **pkt. 5 cts.**

New Large Flowering Globe Pyramidal Stock—A magnificent race, with immense spikes of perfectly double flowers, the individual blooms frequently measuring from two to two and one-half inches in diameter. In great variety of color. **pkt. 8 cts.**

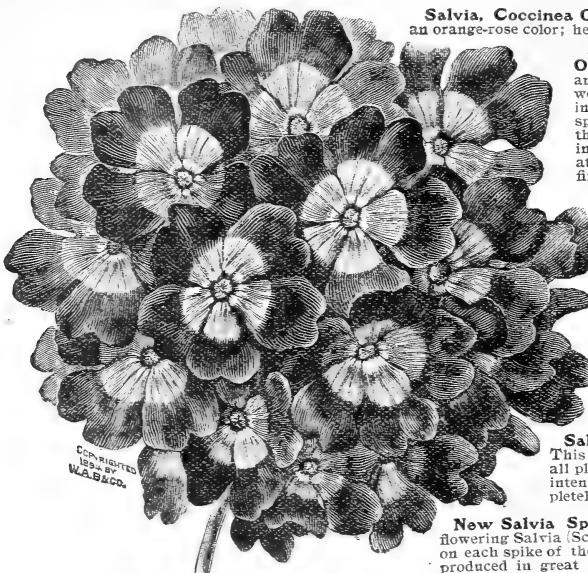

Stock, New White Perpetual—Princess Alice, or "Cut and Come Again." Of strong growth and fine branching habit, it grows to the height of one and one-half feet, and if sown early will produce uninterruptedly a great abundance of bloom from June until November. The individual flowers are uncommonly large, of the purest possible white. The oftener they are cut the better they seem to like it. **pkt. 10 cts.**

Stevia Serrata—Produces a mass of tiny, star-shaped, pure white flowers. Most excellent for bouquets. The plants grow about eighteen inches high, the stems branching freely and almost completely covered with the corymbs of flowers; very pretty in beds; unequalled for cutting. **pkt. 5 cts.**

TECOMA SMITHII

Salvia, Coccinea Grandiflora Rossa—Very beautiful flowers of an orange-rose color; height three feet. **pkt 5 cts.**

MAMMOTH FLOWERING VERBENA

weight. It is one of the most desirable plants for decoration purposes if planted either singly, in groups or with other plants. The flowers are of the most brilliant, dazzling scarlet and produced in endless profusion until late in the Fall. **Pkt 10 cts, three for 25 cts.** See cut below.

Salvia, Splendens, Silverspot—The most distinct feature of this novelty is its strikingly handsome spotted foliage. Leaves are rich, soft dark green with light sulphur or cream-colored spots of various size, liberally sprinkled over them. The unique and elegant foliage is very abundant and has an extremely fresh and healthy appearance. The intense bright scarlet flowers are very large, and the plants of neat compact habit and very floriferous. A charming variety of great effect. **pkt. 15 cts.**

Smilax—Grown principally for its elegant green foliage, so indispensable for floral work. Requires a sunny window and free from dust. It grows very quickly from seed. **pkt. 5 cts.**

Sensitive Plant, Mimosa Pudica—Very chaste and elegant in foliage, the leaves being delicately pinnated. It affords much amusement by its sensitive character—when even slightly touched the leaves instantly close and droop; easily grown. **pkt. 3 cts.**

Sweet William, Perfection, Single Mixed—A splendid strain; flowers of many bright colors, large size, and varied markings, including the finest auricula-eyed varieties. **pkt. 3 cts.**

Sweet William, Double Mixed—Fine double flowers. **pkt 3 cts.**

Sweet William, Dunetti—Large clusters of beautiful rich crimson florets, brightly marked with stripes and rings of dark contrasting colors. **pkt 3 cts.**

Tacoma Smithii—Not new, but a rare and beautiful little shrubby variety of the Woodbine or Trumpet Creeper family; it is as easily grown as a Chrysanthemum, requiring similar treatment; grown as a pot plant, it averages in height from 18 ins. to 2 feet and flowers most profusely for 9 months in the year; the tubular flowers, about 2 inches long, are borne in massive clusters on the tips of each new growth, and bright yellow inside, and of brilliant orange flushed with scarlet on the outside. **pkt. 15 cts, two for 25 cts.**

Thunbergia, Black-eyed Susan, Fine Mixed—Elegant growing climbers, rapidly covering wire trellises, hanging baskets, etc., in the house. **pkt. 5 cts.**

Tritoma—“Red Hot Poker Plant,” or “Torch Flower.” Splendid, hardy perennial plants, admirably adapted for single clumps on the lawn or among shrubbery, where its tall spikes of orange red flowers make an effective display from August until December; 4 to 5 feet high. **pkt 5 cts.**

Torenia, Fournieri—Lovely velvety-blue flowers, with three large spots of the darkest blue and a bright yellow throat; covered with bloom until frost. **pkt 5 cts.**

Torenia, White Wings—Dainty and distinct flowers, ivory white, delicately tinted rose at throat. **pkt 5 cts.**

Verbena, Fine Mixed—The seed, although so cheap, is really good, and embraces all colors. **pkt 3 cts.**

Verbena, Hybrida Fine Mixed—From a superb collection of named varieties. Very large in flower and corymba, and of the richest and most brilliant colors: is one of the finest strains in cultivation. **pkt 5 cts.**

Schizanthus, or Butterfly or Christmas Orchid Flower—Elegant and very free blooming annuals of much interest and beauty, and when well grown rival in singularity of colors and markings of the orchids. The very large flowers are spotted with crimson lilac, purple and yellow, and the petals are cut in a picturesque manner. In pots in the conservatory or house few plants are more attractive; also elegant in a bouquet or vase and fine for bedding. Choice mixed. **pkt 5 cts.**

Scabiosa, Tail German Mourning Bride—The perfectly double flowers are useful for cutting; gracefully borne upon long, slender stems, well above the foliage. **pkt 5 cts.**

Scabiosa, Snow Ball—Elegant double white flowers, very chaste and charming for bouquets. **pkt. 3 cts.**

Scabiosa, New Double Black—A superb variety, with elegant black purple flowers—so deep in color as to appear nearly black. **pkt. 3 cts.**

Scabiosa, New Large Flowering Double—New. Round flowers, double. Color, white to pink, crimson to red; some almost black. Valuable for cutting. **pkt. 3 cts.**

Salvia, Splendens—Large Flowering Scarlet Sage. This “flamed-colored beauty” is the most gorgeous of all plants. For months the blaze of flaming scarlet is intensely brilliant, with great spikes of bloom completely concealing the foliage. **pkt. 5 cts.**

New Salvia Splendens, Drooping Spikes—This new, large flowering Salvia (Scarlet Sage) has three times the flowering capacity on each spike of the ordinary *Salvia Splendens*. The flowers are produced in great numbers, causing the spikes to droop by their weight.

New Mammoth Verbena, Famous Mixture—In this grand new strain has been developed a mammoth Verbena that produces uniformly magnificent large trusses, with flowers of unusual size and of a wide range of colors. The individual blossoms are frequently larger than a silver quarter—in fact, many are scarcely covered by a silver half-dollar. Take a silver quarter and try to cover any of the single flowers of the corymb illustrated herewith, and you will realize how magnificent in size are the single floret, as the illustration is natural size. The colors are varied, and embrace all desirable markings. **Price, per pkt. 10 cts. three for 25 cts.**

Verbena, Auricula-Flowered—Splendid flowers of large size, bright colors, large white eye. **pkt. 5 cts.**

Verbena, Scarlet Defiance—True, brightest scarlet, intensely rich. **pkt. 5 cts.**

Verbena, Pure White—Sea Foam or Candidissima. A fine strain of large flowers. **pkt 5 cents.**

Verbena, Blue with White Eye—Large blue flowers, each with large white eye; very showy. **pkt 5 cts.**

Verbena, Italian Striped—Very showy striped flowers, of many bright colors. **pkt 5 cts.**

Vinca—Madagascar Periwinkle. Splendid house and bedding plants, growing 18 inches high, with glossy green leaves and beautiful circular flowers. From seed grown early in the garden they will flower beautifully during the Summer and Autumn, and may be potted for the house before frost; mixed colors. **pkt 5 cts.**

Viola Odorata, Sweet Violet—The Popular Sweet Violet flowers, being early in Spring, and deliciously fragrant. They lie in the ground a long time before germinating. Several colors mixed. **pkt. 5 cts.**

SALVIA, DROOPING SPIKES

WALLFLOWER

ZINNIA

EVERLASTINGS

TRITOMA, RED HOT POKER

Wallflower, Fine German Mixed—Spikes of deliciously fragrant double flowers, combining many shades of color; chocolate and orange purple predominating. Double mixed, pkt 5 cts. Single mixed, 3 cts.

Wistaria, Chinese, Mixed Colors—Of luxuriant growth bearing in the Spring immense panicles of purple or white flowers produced very profusely. pkt 10 cts.

Zinnia, Giant Mammoth—Of unusually robust habit of growth and immense size, the perfectly formed, very double flowers are of various colors. Blooming during a long period. pkt 5 cts.

Zinnia, Dwarf Snowball—Handsome, bushy plants, large. Dahlia-like flowers, perfectly double and of the purest snow white. pkt 5 cts.

Zinnia, Striped Zebra—Double flowers, distinctly striped. Pkt 3 cts.

Everlastings.

Mixed Everlastings—A single packet will give in abundance a great variety of the most attractive Everlasting flowers. pkt 5 cts.

Ornamental Grasses-3c per pkt.

Gynoerium Argentum—Pampas Grass. Flowers the second season; requires protection.

Mixed Annual Varieties of Ornamental Grasses—All should at least have a packet of this mixture. It contains seeds of all the annual varieties in fine mixture.

Velvet Lawn Grass Mixture.

Is a compound of grasses that ripen successively, thereby always presenting a cheerful appearance. Lawns sown with only one or two grasses turn brown under our hot sun and remain in that condition until the cool months of Autumn revive them. The mixture that I offer is one of the best on the market, and can be relied upon to produce the very best results. Sow four bushels to the acre. Weight per bushel, fourteen pounds. Price per quart, postpaid, 25 cents; price per peck, by express or freight, at purchaser's expense, \$1.00, bushel \$3.00.

Wild-Flower Garden Seeds.

Wild-Flower Garden Mixture—These mixed flower seeds embrace more than a hundred varieties of such easy-growing and pretty flowers as are suitable for forming a wild-flower garden. They are very useful for woodland walks, roadsides, railroad embankments, and for sowing along sides of fences, and on any untidy bare spots of ground which are so frequently unsightly, and which if properly cared for and kept free from weeds can be made to produce a continual display of bloom during the entire Summer. Large size packet, 10 cts.

Mushrooms.

The ease with which a crop of Mushrooms can be grown in an ordinary house cellar, wood-shed or barn, and the astonishing success of many who have taken up this new industry, both for profit and their own use is indeed surprising.

English Mushroom Spawn—It comes in bricks of about 1/4 pounds each; these, before planting, are usually divided into a dozen parts, and the pieces inserted in the bed eight to ten inches apart each way.

Prices on Spawn are net and not subject to discount. Per single brick, 25 cts, or 5 lbs. for \$1. postpaid. By express or freight, at your expense, 10 lbs., \$1.25; 25 lbs., \$2.75; 50 lbs. \$5.00.

My Condensed List of Choice Vegetable Seeds.

I believe it to be quite comprehensive, sufficiently so at least for all ordinary purposes.

My Seeds are all new and fresh, this year's crop, and I sincerely believe there are none superior sold.

IN THE FOLLOWING PAGES I OFFER SOME

Grand Bargains in Plants

SUCH AS

Geraniums, Chrysanthemums, Carnations, Begonias, Fuchsias, Etc

These are sold without PREMIUMS or DISCOUNTS of ANY KIND, as it will save much confusion and misunderstanding.

Please Remember That My Seed Discounts or Premiums Do Not Apply to Plant Orders in Any Case

PLEASE NOTICE!

That I cannot accept any orders for plants for less than 25 cents, unless 10 cents be added to pay postage and packing. The cost of mailing one or two plants is nearly as great as for a half dozen.

However, I will accept any amount for seeds, no matter how small.

8 ROSES 25 CENTS

MY GEM COLLECTION

OF 8 MAGNIFICENT HARDY EVERBLOOMING
TEA ROSES FOR ONLY 25 CENTS.

For 25 cents I will send, **postpaid by mail**, this charming "Gem" Collection of 8 Everblooming Tea Roses. Price for one year old plants 8 cents each, or 2 for 15 cents. Price for large two year old size, 20 cents each, or the entire "Gem" Collection of 8 Roses for \$1.00.

8 ROSES 25 CENTS

Cornelia Cook—Buds of immense size, borne up high on massive stems, and with their round, full, heavy form, carrying an air of grace and dignity quite unusual. The flowers are of the clearest, snowiest white and very beautiful.

General de Tertas—A first-class Rose for bedding. Brilliant carmine, deeply shaded with violet purple, extra large, very double, full and fragrant; very easy to manage, excellent for cutting for bouquets.

Madame Caroline Kuster—Bright lemon yellow; very large and handsomely shaped; one of the finest Roses; very free flowering. When its wood has once been hardened, it bears buds as large and handsome as Marechal Niel.

Madame Agatha Nabonnand—An exceedingly sweet and daintily beautiful Rose, resembling in its exquisite color the delicate tinting seen inside the fairest deep-sea shells; rosy flesh, bathed in golden amber. It has immense egg-shaped buds, broad, shell-like petals, and large, full flowers of beautiful form; free-flowering, and a great favorite for wearing.

Madame Bravy—One of the most beautiful Roses in my collection. The flowers are large and round; the outside of bud is creamy and soft, with most charming blush tinge to the center, and the arrangement of the inner petals is seldom equaled for beauty. Delicous tea scent.

Louis Richard—A superb Rose imported from France. Extra large, splendid, full form; very double; delicious tea scent; color, rich coppery rose, changing to buff, shaded with carmine; center sometimes brilliant rosy crimson.

Jules Finger—A magnificent Rose, elegant and very valuable. It has extra large and fine double flowers, which are full and sweet. The color is a bright rosy scarlet, beautifully shaded with intense crimson; of vigorous growth and a free bloomer.

Souvenir d'un Ami—The color is a deep rosy flesh, beautifully shaded with rich carmine; edges and reverse of petals silver rose; clear and bright. A Rose that will please the most exacting.

My "Christmas" Collection of 10 Very Valuable Everblooming Roses for 50 Cents.

Price, 10 Cents Each, 3 for 25 Cents. All New Kinds.

I have made a selection of the very best Roses for Winter Blooming, embracing a wide range of color. I can recommend this Collection to all who desire to grow Roses in the house during Winter. In ordering, please say the "Christmas" Collection.

Bridesmaid, New—The most elegant pink Rose. Very large. Buds extra fine. One of the sweetest and very best for cutting for bouquets.

Beaute Inconstant—A wonderful new Rose, various colors, from crimson to light pink, with shades of tawny red, orange, chrome and deep rose.

Clotilde Soupert—The best of all pot Roses, literally loaded with bloom at every stage of growth. Color, beautiful pinkish amber, flushed with silvery rose, with shades of salmon.

Champion of the World—It is the champion bloomer. It commences to bloom as soon as started to grow, and continues to bloom in the greatest profusion, both Winter and Summer. A rich, deep rosy-pink or flesh color.

Christine de Nove, New—This is a great Winter-blooming Rose, with buds and flowers of the largest size. Color, rich crimson. The best Rose of its color.

General Robert E. Lee—This Rose, which was introduced the past Spring, will produce more beautiful Roses in

the Winter than any Rose grown. A small bush will produce hundreds of blooms. Color, orange yellow. Very rich and beautiful. Extra fine.

Isabella Sprunt—A bright canary yellow, large, beautiful buds, suitable for cut flowers; very sweet tea scent, profuse bloomer. Freest blooming of all Yellow Roses. Has been a favorite in all gardens where good Yellow Roses are grown for the past twenty years. None better.

Kaiserin Augusta Victoria—A new pure white Rose. It is very large and double. A royal Rose in every respect. A Rose I can recommend.

Papa Gontier—Grand Red Tea, fine crimson shade, silken texture (distinct from velvety texture); bud of fine size, graceful form; extremely free growth and bloom. Long, beautifully leaved stems can be cut, foliage being very dark and heavy. One of the best and a perfect bedder.

Star of Gold—This is the best all-around deep golden yellow Tea Rose that is grown. The buds are very large and shaped, while the flower is double to the center; it is a deeper golden yellow than Marechal Niel. Don't fail to try it.

REMEMBER—I will send this entire Collection of 10 "Christmas" Blooming Roses for only 50 cts, costing separately over \$1.00 if purchased elsewhere. Three "Christmas" Collections \$1.25, by mail, postpaid.

Price, large two year old size, 25 Cents each, or the entire set of "Christmas" Roses for \$1.25.

A PAGE OF THE GRANDEST CLIMBING ROSES

KNOWN TO THE FLORAL WORLD.

New Pink Rambler Rose,
PSYCHE.

Climbing Meteor, the New Rose—Night more properly be called Perpetual Blooming Climbing General Jacqueminot. Though a sport from the finest of all Hybrid Teas—Meteor—it is much larger, of a deeper rich color. It will make ten to fifteen feet of growth in a season and show a profusion of bloom every day. Foliage, strong, healthy, luxuriant; buds exquisite; flowers large, beautifully shaped and of that rich, dark velvety crimson color seen only in the Jacqueminot. I do not hesitate to pronounce it the finest Rose in existence for Summer blooming, as it will make large growth and is loaded with glorious blossoms all the time. For Winter blooming it has few equals in beauty and probably none in profusion. It is just the Rose to train up in a conservatory or bay window. Price 10 cents each, three for 25 cents; two year old plants 50 cents.

Empress of China, the New Perpetual Blooming Climbing Rose—Commences to flower early in Summer, and from that time until late in the Fall blooms continuously. Entirely hardy, having withstood a temperature of 16 degrees below zero unprotected without injury. Habit of growth is vigorous, and in this respect it is unsurpassed; small plants will make a growth of six to eight feet in a single season. The flowers are of medium size, very graceful; in fragrance are highly fragrant. The bud is pointed, very sharply and is borne on long stiff stems. Color: a soft dark red, and as the flower expands it changes to an apple blossom pink. Price 10 cents each, large two year old plants 50 cents each.

The Mary Washington Climbing Pillar Rose—This Rose, which is so widely advertised, is claimed by the introducer to have originated in the garden of George Washington, at Mt. Vernon, over one hundred years ago. It is an everblooming climbing Rose of vigorous, rapid growth, and makes a profusion of very fine buds, which are borne in clusters. The flowers are of medium size, perfectly double, very sweet, and are borne in endless numbers all Summer. Price 15 cents each, large two year old plants 35 cents each.

Waltham Queen—Splendid New Climbing Rose. Hardy in the North. Strong grower and continuous bloomer. Flowers large, full and sweet. Color, a rich, scarlet crimson; beautiful. A profuse bloomer. Nothing can compare with it for beauty of bud and foliage, and profusion of its flowers. Price 15 cents each, large two year old plants, 35 cents each.

Rosa Wichuriana—Japanese Creeping Rose—Hardy Memorial Rose—It is handsome for rockeries, mounds, or embankments; especially valuable for cemetery planting. It readily adapts itself to any condition. Has pure white, single flowers and evergreen foliage. Its natural habit is to creep like an Ivy, but it may be trained to climb. Price 10 cents each, three for 25 cents, sixteen for \$1.00; large size 25 cents each, six for \$1.00.

The Rambler Roses.

Seven Beautiful Varieties.

Helene, New Rambler Rose—Distinct new color, pretty, light rosy red; foliage and growth like its parent, Crimson Rambler. Price 15 cents each, large two year old plants 40 cents.

Yellow Rambler, Aslavia—Flowers borne in immense clusters, after same manner as Crimson Rambler; same handsome pyramidal form; clear decided yellow flowers. From 120 to 150 flowers in a cluster, very sweetly scented. Flowers last three to four weeks without fading, and a large bush in full bloom is one of the most beautiful and magnificent sights imaginable. Growth is very vigorous. Price 10 cents each, fifteen plants for \$1.00; large two year old plants 35 cents each.

Golden Rambler, Allister Stella Gray—Vigorous grower; blooms profusely both early and late. Straw and orange-yellow flowers, of small size, are borne in large, handsome clusters; big bouquet in each cluster. Price 10 cents each, large two year old plants 40 cents each.

Psche, New Pink Rambler—Has all of the characteristics of Crimson Rambler, with the same large clusters of flowers, the same identical strong, clean growth, but it is the first true Pink Rambler and is bound to be, and justly so, as popular as Crimson Rambler, to which it is a beautiful companion. Its individual flowers are larger than its parent variety, ranging from two to three inches across; not quite so numerous, they are so much larger and so much more beautiful in the clusters. The color is an exquisite rosy pink; base of the petals suffused with yellow; the beauty of this combination is beyond description. We predict a career for this grand new Climbing Rose as notable as that of Crimson Rambler, of which we will venture to say that there is upwards of a half million plants sold in this country alone during the past year, which is, as you can imagine, prodigious for the sales of one solitary variety. Price for this grand novelty, 20 cents each, 3 for 50 cents; large two year old plants 50 cents.

Pink Rambler, Euphrosyne—Identical with Crimson Rambler in growth, hardiness and richness of bloom. Color, pure shiny rose; half open bud, brilliant light carmine. Price 10 cents each, large two year old plants 35 cents each.

White Rambler, Thalia—Habit of growth, manner of blooming and form of flowers identical with Crimson Rambler. Superb flowers, pure white in color, produced in splendid large clusters of same pyramidal shape. Price 10 cents each, large two year old plants 35 cents.

Crimson Rambler—Rapid growth; flowers produced in trusses, pyramidal in shape, good specimens measuring nine inches from base to tip and seven inches across, fairly covering plant from ground to top, so that it is a mass of glowing crimson. Color is superb, remaining strong and vivid to the end: plants in my grounds retained bloom for two months. Profusion of bloom is marvelous. A correspondent stated that on one shoot he counted over 300 blooms. Essentially a garden Rose, but makes a magnificent specimen in pot or tub. Price 10 cents each, 15 plants for \$1.00; two year old size 35c.

SPECIAL OFFER—For 60 cents I will send the entire set of "Rambler Roses," postpaid; in two year old size for \$2.00.

Price, for the following kinds, 5 cents each, except where noted. Large two year old plants, 25 cents each, except where noted.

Cloth of Gold, or Chromatella—Clear golden yellow; large, very full and double; highly fragrant.

Caroline Goodrich, or Running General Jacqueminot—Finely formed, very double flowers. Fragrance is most delicious. This is a Hardy Climbing Tea, and should not be classed with the Hardy Climbers that bloom but once a year. The color is the same as that of General Jacqueminot. Price 15 cents each, large two year old plants 30 cents each.

White Banksia—Pure white variety; extra large clusters of flowers with violet fragrance. Price 10 cents each.

Yellow Banksia—A rich golden yellow variety; extra large clusters of flowers with violet fragrance. Price 10 cents.

Marchal Niel—One of the most magnificent Roses ever grown; superb buds and flowers, extra large, very double and deliciously perfumed; color, deep golden yellow. It is highly esteemed for general planting and greenhouse culture, and in the South a splendid climber. Price, first size, 10 cents each; large plants 25 cents each; extra large plants 50 cents and \$1.00 each.

Reine Marie Henrietta, or Red Flowering Glorie de Dijon—Flowers large, full and of fine form. Color, a pure cherry red; sweet scented. Price 10 cents each.

Lamarque—Large clusters, pure white and double. Orange yellow or deep saffron; full and sweet.

Golden Chain, or Climbing Safrano (Reve d'Or)—Orange yellow or deep saffron; full and sweet.

James Sprunt—Deep velvety crimson; very double.

Solfaterre—Grand climbing Rose. Color, a fine, clear sulphur yellow; large, full, double, deliciously fragrant.

15 CHOICE NAMED ROSES FOR ONLY 50 CTS.

BY MAIL, POSTPAID.

THE "HOBSON" ROSE COLLECTION.

My Roses are grown on their own roots and will grow and bloom at once, either planted in the open ground or in pots. They are of hardy constitution and true ever-blooming varieties or fragrant monthlies.

EXAMINE THE LIST BELOW and see if you can duplicate them anywhere else for double the money I ask for them. Every variety is first-class and many of them new, and all produce beautiful flowers.

I can not make any change in this collection. Even if you should have several of the same varieties offered, you can easily sell them to your friends for more than double the price you have paid for them.

Archduke Charles—Rich, bright red; large, full and double; early and constant bloomer; very hardy, good.

August Halem—A constant and profuse bloomer, first introduced last year. It is very fragrant; the handsome buds and flowers are of a clear rosy red, verging to deep, rich crimson.

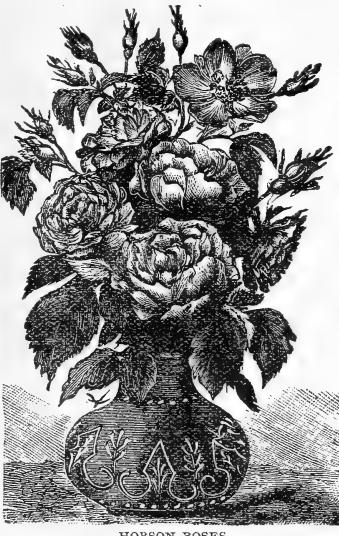

Bridesmaid—A lovely new Tea Rose worthy of its name. Sport from the well known CATHERINE MERMET. Pointed buds, long stems, lovely pink.

Bon Silene—Noted for the great size and beauty of its buds; bright rich, rosy crimson; good for both open ground and house culture.

Directeur Rene Gerard—Remarkable for the size, fullness, brilliant color combinations of its blossoms. Color, light yellow, bordered with china rose, deepened at base of petals; large, full bloom. Very fragrant, free blooming, robust in growth.

Empress Augusta Victoria—A royal Rose, which should be found in every garden. It has magnificent buds, very double, perfectly formed, full flowers, and can be cut with long stems. The color is pure white, shaded in the center of the fully expanded flower with pale lemon yellow. The habit of growth is strong and vigorous, bearing lovely flowers.

Madam Camille—Flowers and buds of grand size; rose flesh, shaded with salmon and carmine.

HOBSON ROSES

Madame Caroline Custer—One of the hardiest. Large, double flowers of beautiful lemon yellow.

Madame Lombard—Extra large, full flowers, of rosy salmon; varies richly in color.

Mrs. Whitney—A beautiful new Rose. Clear, deep pink buds of ideal form, with long stems.

Madame Margottin—A rich citron red, shaded apricot, large, full flowers, and a very profuse bloomer. A fine variety.

Madame Joseph Schwartz—A fine white, shaded with flesh pink; full flowers of medium size.

Ruby Gold—The color is a tawny shade of yellow, bordering on old gold, through which run veins of rosy red and pink. It is very difficult to describe the rich crimson—not unlike burnished copper—which lights up the center of the flower.

Star of Lyon—This magnificent Tea Rose is a rich golden yellow, a strong, healthy and vigorous grower; prolific bloomer, bearing flowers very early and late. The flowers are very deep, rich and full, excellent substance and very sweet. It is remarkably hardy, both as to the heat and cold.

Snowflake—Neat and dwarf in habit and really wonderful in constant profusion of bloom; exquisite pure white flowers of medium size.

THE "HOBSON" ROSE COLLECTION of 15 Choice Named Roses in large two year old plants for \$2.00, by mail, postpaid, or by express for \$1.75, purchaser paying charges.

The Famous LaFrance Family of Everblooming Roses

Red, White, Striped, Pink, Crimson and Yellow, 6 Varieties for 50 Cents.

The La France Roses are certainly nearest perfection of flowers and nothing can compare with them in the eyes of the true Rose lover. A distinctive characteristic of the set is the **true La France fragrance** by which every one may be known.

White La France—It is identical with La France except the color. It is pearly white, sometimes tinted fawn. **Price 10 cents each, large two year old plants 25 cents each.**

Pink La France—Undoubtedly the most perfect type of a cut flower Rose; elegant foliage. No variety surpasses it in delicate color—silver rose, shaded pink; large, keeps well, and of distinct, pervading fragrance. **Price 10 cents each, large two year old plants 25 cents each.**

Striped La France—Imagine a lovely Rose with the shape and fragrance of La France, of a rich creamy pink, with a silvery gloss, growing deeper at base of petals, the whole beautifully etched and streaked with delicate carmine. **Price 10 cents each, large two year old plants 25 cents each.**

Red La France—Of a deep Rose pink hue. The flowers are produced in wonderful profusion upon long stems; are very large, double, and of superb form. **Price 10 cents each, large two year old plants 25 cents each.**

La France de 1889 (New Crimson Hybrid Tea Rose)—One notable peculiarity of this variety is its long, elegant buds; while expanded flowers are of immense size. Color very nearly scarlet. The brightest and most brilliant Rose I know. **Price 15 cents each, large two year old plants 30 cents each.**

Yellow La France (New)—Mine. Pernet Ducher. A charming Rose and a new shade in this section, being the first with a distinct yellow coloring. Outside petals are sulphur yellow, and assume a deeper shade toward the center, with polished, glittering surface like a Water Lily. **Price 15 cents each, large two year old plants 35 cents each.**

Special Offer For 50 Cents I will send the set of 6 Hardy, Ever-Blooming La France Roses, or 3 sets for \$1.25, or the set in large 2 year old plants for \$1.50; 2 sets in 2 year old size for \$2.50. In ordering say the "La France Set."

“Zero” Collection of 10 Hardy Garden Roses FOR 60 CENTS.

They live out during the Winter in our Northern States without protection. They are noted for their magnificent form, rich colors and freedom of bloom.

Price, 10 cts. each, any three for 25 cts. Large two year old plants 20 cts. each.
“Zero” Collection in large two year old plants for \$1.50.

Alkane d’Arneville—A splendid new pure white Hybrid Perpetual; commences to bloom almost as soon as planted, and blooms all through the Summer until late in Fall. The flowers are pure white, sometimes faintly tinged with pink; large, very double and full, and elegantly perfumed.

Coquette des Blanches—One of the finest white Hybrid Perpetuals. Flowers large, pure snow white; very double, full and fragrant. Constant and very profuse bloomer.

Countess of Roseberry—We have in this charming variety probably the most beautiful Rose grown. No other Hybrid can approach it in its exquisite coloring. Indeed, no one would take it for a Hybrid, as it is as delicate and beautiful in its tints as the most gorgeous of the Teas. Color, satin pink in the center, and deepens in the outer petals to a bright rose. The feathered shading gives it the appearance of two distinct colors. Very free flowering and a strong grower.

Empress of India—One of the best garden Roses. An imperial Rose in every way. One of the darkest. The flowers are large, full and fragrant, and of the most intense dark, rich, velvety crimson imaginable. They are so dark, in fact at a little distance they look almost black. Very handsome and always greatly admired.

Glorie de Margotin—It is decidedly the most brilliant hardy red Rose as yet introduced. So very intense is the color that it might almost be termed a scarlet. Added to these qualities it has flowers of the largest size and most exquisite fragrance.

HARDY GARDEN ROSES

John Hopper—Flowers are large, very regular and full. Color, a brilliant rose, changing to a bright glowing pink, shaded with rich scarlet. Very sweet.

Jubilee—Of all the many dark red Hybrid Perpetuals introduced in recent years, Jubilee stands pre-eminently grand. In it are combined the qualities that make a perfect Rose: vigorous growth, perfectly formed flowers, great freedom of bloom, and crowning all a wealth of color unapproached by that of any other Rose. Clear, brilliant red, shading to crimson and maroon at base of petals. You will not be disappointed in this beautiful Rose.

King of Sweden—This is by far the richest Rose yet introduced. So intense in color that the exclamation on seeing it is, “Oh, that lovely black Rose.” It is very velvety in texture. A most superb Rose, and one that will always be found in the standard list of Roses.

Marshal P. Wilder—This fine new Rose originated in this country, and was named in honor of the venerated president of the Pomological Society. It is a Rose of unusual excellence. Flowers are large, semi-globular, full and of good substance. Color, a bright, scarlet-crimson.

Marchioness of Lorne, new—This beautiful Rose produces flowers of an exceedingly rich, fulgent rose color, slightly shaded in the center with vivid carmine; they are large, very sweet, full, and finely cupped shape, petals large, and buds long and handsome. It is especially remarkable for its truly perpetual habit, every shoot being crowned with a flower bud.

... The Six Nearest Black Hardy Roses ...

The set in One Year Old Plants, 50 cts., in Large Two Year Olds, \$1.25, postpaid.

Antoine Quignon—Extra large flowers, very full compact and regular form. Color, a rich violet crimson, elegantly tinged and shaded with maroon red; a free bloomer, and very sweet. **15 cts. each, large two year old plants, 30 cts. each.**

Baron de Bonstetten—Splendid, large flowers, very double and full. Color, a rich dark red, passing to a deep velvety maroon; highly scented and very beautiful. **Price 15 cts. each, large two year old plants 30 cts each.**

Black Prince—A superb Hybrid Perpetual Rose; very dark, blackish red, richly shaded with violet crimson; extra large, full flowers; delightfully perfumed; good, bushy habit; a hardy and vigorous grower, and free bloomer. One of the very best dark Roses. **Price 15 cts each, large two year old plants 50 cts.**

Duke of Edinburg—Dark velvety maroon, full regular form, very handsome and fragrant. A perfect beauty. **Price 15 cts each, large two year old plants 30 cts.**

Prince Camille de Rohan—Very dark, rich, velvety crimson, passing to intense maroon, shaded black, large, full flowers, looking at a little distance as if really black. One of the darkest roses; very handsome. **Price 15 cts each, large two year old plants 30 cts.**

Souvenir de Duchere—A superb Rose. Extra large, compact flowers, very full, double and sweet. Color, a brilliant scarlet, deepening to dark, glowing crimson; very rich and handsome. **Price 15 cts each, large two year old plants 30 cts.**

“Famous” Set of Hardy Ever Blooming Roses

For 50 cts. I will send free, by mail, my “Famous” set of Hardy Ever Blooming Roses. For \$1.25 I will send three sets. The “Famous” Set in large two year olds, \$1.25.

Ball of Snow, Boule de Neige—In this variety I have a hardy, ever blooming Rose of great value. It is a Rose of great size, perfectly double, exquisitely fragrant, pure white in color and entirely hardy. Invaluable for cemetery planting, or where the white flowers are desired as it blooms freely all summer. **Price, 10 cts each, large two year old plants 25 cts.**

Champion of the World—A very hardy, ever blooming Rose, advertised extensively. The introducer claims it is the champion in hardiness, fragrance, vigor, form, color and Winter blooming. While I cannot endorse all the good qualities claimed for it, I have found it a remarkably free flowering hardy Rose, resembling very much Mrs. DeGraw. Color, a rich, deep, rosy pink, darker and richer than Hermosa. It is always in bloom; hardy. **Price 15 cts each, two year old plants 35 cts each.**

Madame Masson—An excellent Hybrid Perpetual, noted for its constant and profuse bloom. The flowers are large; color, a clear, bright rose, highly perfumed. One of the best for planting. This Rose is a very superb variety and should be more generally known. Try it. **Price 15 cts each, two year old plants 35 cts.**

Captain Christy, New Hardy Rose—The flowers are of magnificent form, very double and stand erect in their martial bearing. The color is a delicate flesh pink, with deeper shading in the center of the flower, the whole flower possessing a bright, satiny appearance. A desirable variety. Certainly the most beautiful Rose of this color I grow. It is a free and continuous bloomer. **Price, 15 cts each, large two year plants 35 cts each.**

Dinsmore—Very similar to Madame Charles Wood, but claimed by the originator to be much stronger in growth and more fragrant. It is a vigorous Rose of dwarf, branching habit and is fairly loaded down with flowers all Summer long. The flowers are large, perfectly double, of a dazzling scarlet crimson color, with a rich, spicy fragrance. It is entirely hardy, blooms incessantly. **15 cts each, two year olds 35c.**

Madame Alfred de Rougemont—A strong, vigorous grower, begins to bloom in June and continues until stopped by severe freezing. Pure snow white flowers, finely tinged and clouded with pale rosy blush. Large, full, double and borne in large clusters. Fragrant and fine. **Price 15 cts each, two year old plants 35 cts each.**

“Favorite” List of Everblooming Roses

Price, strong young plants, 5 cents each; any 12 kinds of your choice for 50 cents, or 25 for \$1.00. Large, two year old size, 15 cents, any 8 of your choice for \$1.00; or I will send 10 two year old plants of my selection only for \$1.00.

Abbe Roustan—Creamy white, shaded rosy blush.
Adam—Bright flesh salmon rose. Extra large and double.
Agripina—Rich, velvety crimson. A grand bieder.
Alba Rosea—Beautiful rose-colored center, shaded blush.
Anna Olliver—Lovely blush, shaded with carmine.
Appolline—Clear pink, dashed with rosy carmine.
Arch Duke Charles—Brilliant crimson, shaded white.
Aurora—Beautiful creamy white, rose-colored center.
Beau Carmine—Carmine red; rich, large, with pale rose.
Bella—Pure snow white. Long pointed buds. Tea scented.
Bon Silene—Deep salmon rose, illuminated with carmine.
Bougou—Bronze pink, tinged with lilac. Large and full.
Canary—Light canary yellow. Beautiful buds and flowers.
Charles Rovelli—A lovely shade of brilliant carmine.
Cheshunt Hybrid—Red, shaded with violet; large, full.
Comtesse de Barbantin—Color, a flesh white and sweet.
Comtesse Riza du Parc—Coppery rose, tinged soft velvet.
Cramoisie Superior—A rich velvety crimson; fine.
Douglas—Dark, cherry red, rich and velvety. Large, full.
Duchesse de Thuringe—Beautiful silver rose. Finely cupped.
Eugene Beauharnais—Beautiful deep red.
General de Tارتas—Deep mottled rose, often tinged buff.
Jean Pernet—Buds of light canary, suffused with salmon.
Jules Finger—Bright rosy scarlet and intense crimson.
Lady Warrender—Pale white, sometimes shaded rose.
La Princess Vera—Pale flesh, changing to salmon.
La Sylphide—Blush with fawn center. Very large, double.
La Pactole—Elegant buds. Color, pale sulphur yellow.

Louise de la Rive—Flesh white, changing to a rose center.
Louis Richard—A coppery rose, beautifully tinted lilac.
Luculline—A beautiful dark crimson. Full and fragrant.
Mlle. Rachel—A lovely Tea Rose. Pure snow white.
Mme. Bosanquet—Flesh shaded rose; large, sweet.
Mme. Bravy—Creamy white. Large, full, very symmetrical.
Mme. Camille—Delicate rose flesh, changes to rosy salmon.
Mme. Dennis—Waxy white, center fawn and flesh. Large.
Mme. Falcon—Color, a deep apricot yellow; very beautiful.
Mme. Joseph Schwartz—White flushed pink. Cupped.
Mme. Lawrence—Pink or red, beautiful coppery center.
Mme. Margotin—Citron yellow with coppery center.
Mme. Pauline Labonte—Salmon rose. Large, full, sweet.
Mons. Furtado—A beautifully formed yellow; very full.
Monthly Cabbage—A rosy red. Globular shape, fragrant.
Pink Daily—Large pink flowers, produced in clusters.
Purple China—Rich purplish crimson; velvety.
Queen of Bourbons—Clear carmine, changing to rose.
Roi de Cramoisie—Bright purplish crimson; very double.
Rubens—White, shaded with rose, yellowish center.
Safrano—Apricot yellow, changing to orange and fawn.
Sanguinea—Rich, dark velvety crimson. Semi-double.
Sombreuil—Beautiful white, tinged with delicate rose.
Souv. d'un Ami—Fine, delicate rose, shaded with salmon.
Triomph de Luxembourg—Rosy carmine on buff ground.
Vividiflora—The flowers of this variety are pure green.
White Daily—Pure white. Beautiful, long, pointed buds.
Yellow Tea—Pale lemon-yellow. Beautiful; large buds.

“Rainbow” List of New and Extra Choice Everblooming Tea Roses

Price, 8 cents each, any four for 30 cents, any eight of your selection for 50 cents. Large, two year old Roses
 25 cents each, six of your selection for \$1.00.

American Perfection. Color, light pink, shaded deeper.
Aline Sisley—A glowing scarlet, passing to crimson.
Beauty of Stapleford. Color, clear, bright pink, shading to a bright rosy crimson; grand, extra large buds.
Beaute Inconstant. Colors from crimson to light pink with shades of tawny red, chrome orange and deep rose.
Bridesmaid. Grand new sport from Mermet. Color a rich deep pink. Best and largest pink Tea Rose.
Clocodile Soupert. Best of all pot roses. Literally loaded with blooms of pure white and colors.
Countess Eva Starchemburg. Long, pointed buds of great beauty; color, creamy yellow shaded with rose.
Coquette de Lyon.—I have no yellow Rose to bloom as freely as this. Canary yellow, shaded with rose.
Charles Legrady.—Chamois red, richly shaded crimson.
Comtesse de Frigneuse.—Buds long and pointed, like Niphets. Color, deep, intense golden yellow. Very fine.
Corinne.—A beautiful flesh color, shaded tawny copper.
Devonensis.—Magnolia; creamy white with rosy center.
Dr. Grill.—Coppery with tawny rose reflex.
Dr. Reymont.—Splendid large crimson-colored flowers.
Duchess of Edinburg.—Large buds of dark crimson.
Duchess de Brabant.—Color, soft light rose, with heavy shadings of amber and salmon; very beautiful.
Etoile de Lyon.—One of the finest deep chrome yellow.
Empress Augusta Victoria.—Pure white, pale lemon center.
Ernest Metz.—Finely formed and tinted; soft, satiny carmine pink, bordered bright rose, flamed crimson.
Edouard Littaye.—Lovely shades of pink and carmine.
Eliza Fugler.—Rich, creamy white, tinged with yellow.
Gen. R. E. Lee.—Apricot yellow, salmon and orange tints.
Henry M. Stanley.—Amber rose, tinged apricot yellow.
Isabella Sprunt.—Beautiful, rich canary yellow.
J. B. Varrone.—Intense crimson, shaded with salmon yellow.
La Neige.—Thoroughly double, pure white. Extra fine.
Luciole.—Color, bright carmine rose, shaded yellow.
Letty Coles.—A clear, soft rosy pink color, shaded with intense crimson; the flowers of the largest size.
Mde. Solitaller.—A rich, deep pink, blooming in clusters of 5 and sometimes 20 roses. Excellent for garden.
Mlle. Franceska Kruger.—One of the best roses. With its shadings of deep coppery yellow, distinct and unique.
Media.—A grand yellow Rose of the largest size.
Meteor.—Rich, velvety crimson, very bright and striking.
Madame Honore Defresne.—Citron yellow, with coppery shading.
Md. Agathe Nabonnand.—Rosy flesh and golden amber.
Madame Pierre Guillot.—The buds are large, creamy white, each petal bordered with bright rose.
Madam Scipion Cochet.—Color, a soft primrose yellow, with rose shadings; unique in size and shape of buds.
Marie Van Houtte.—Elegant white, shaded lemon yellow.
Madame Eli Lambert.—Rich, creamy white, faintly tinted pale yellow, bordered soft rose.
Madame Hoste.—Long, pointed buds, and of a lovely creamy white shade; a beautiful and charming shade.
Madame Marthe du Bourg.—The color is a creamy white, touched with carmine or pale heliotrope edges.

Md. de Vatrey.—The color is a bright, rich, crimson scarlet.
Md. Lombard.—Very sweet, with beautiful shade of rose bronze.
Mlle. Perreau.—Beautiful rosy flesh, passing to pink.
Mme. de Welche.—Color, soft rose, with pale yellow.
Md. Caroline Kuster.—Lemon yellow, changing to white.
Madame Etienne.—One of the very finest clear pinks.
Madame de Watteville.—Color, beautiful shell pink, deepening to a bright rose at edge of the petals, the body of the flower being creamy white. “Tulip Rose.”
Marion Dingee.—Deep, brilliant, dark crimson; fine.
Mlle. Cecil Berthod.—Beautiful golden-yellow buds.
Marquis de Viviens.—Bright carmine, light rose and yellow.
Malmaison Pink.—Color, a beautiful, rich, creamy flesh, shaded clear, peachy pink, with rose center.
Malmaison White.—The color is a pure, waxy snow white; the center of the flower has a delicate lemon tint.
Malmaison Striped.—Color, creamy white, with rose center reverse of petals striped carmine.
Malmaison Red.—An exact counterpart of Malmaison, except in color, being a rich, velvety crimson.
Mosella.—(New.) The Yellow Soupert. A fine companion.
Mrs. Jas. Wilson.—Pale yellow, tipped with rose pink.
Niphets.—A most elegant white Tea Rose; long buds.
Princess Sagam.—Bright velvety crimson, of great beauty.
Princess Beatrice.—Color, a coppery or ruddy yellow, distinctly margined with bright crimson.
Princess of Wales.—Beautiful amber or coppery yellow.
Perle des Jardins.—Clear, golden yellow, very sweet.
Papa Gontier.—Immense buds; color, rich cherry red, passing to clear glowing crimson. One of the best.
Peat Rivers.—The ground color is ivory white, with petals delicately shaded and bordered with pale rose.
Rose Rivers.—Tawny yellow, shading to old gold, crimson center, with tints of red and pink.
Rainbow.—The color is a lovely pink, blotched and streaked with the darkest crimson.
Rheingold.—Long, pointed buds; the color is a Naples yellow, shaded with orange; a beautiful flower.
Souv. de Victor Hugo.—Color, lovely citron red, with amber and fawn shadings. A beautiful creation.
Snowflake.—A lovely pure white Tea Rose.
Souv. de Wootton.—A grand rich crimson, large flowers.
Souv. de Laurens Guillot.—Very large and double; color, a deep pink, shading to a center of yellowish peach.
Sunset.—Color, an exquisite orange and coppery yellow.
Triumph de Pernet Pere.—A fine, clear red, sometimes passing to a bright crimson; very large and beautiful.
The Bride.—A pure white Rose of large size.
The Queen.—Beautiful buds, color, pure snowy white.
The Gem.—Color is a fine, faultless straw yellow; outside petals washed and lined with rosy crimson.
Viscountess de Wautier.—Rosy yellow on the outside petals, rosy white on the inside of petals.
Valle de Chamounix.—Coppery yellow, shaded rosy blush.
Viscountess Folkestone.—White, faintly tinted with fawn.
White Perle des Jardins.—A purely ivory white; superb.
White Bon Silene.—Valued highly for its splendid buds.

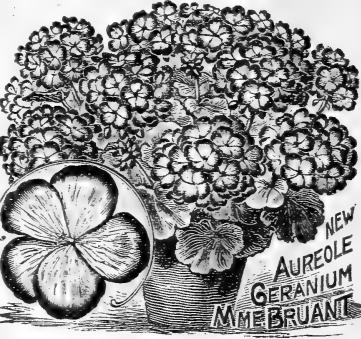

NEW DOUBLE CRIMSON-FLOWERING BEDDING GERANIUM, 3 3 3 3 3 S. A. NUTT

DOUBLE CRIMSON FLOWERING GERANIUM, S. A. NUTT 10 cts each, 3 for 25 cts; or will send 20 fine plants for \$1.00, postpaid

Beautiful New Single Aureole Geranium, Md. Bruant.

A magnificent variety for bedding. No other Geranium has ever attracted so much attention or been so much admired as this beautiful new aureole flowered variety. It is entirely distinct from any Geranium in cultivation, so much so that visitors on passing through the greenhouses where hundreds of other varieties are in bloom, single it out at once as the most beautiful and attractive in the whole collection. It might with propriety be called the Pansy-Flowered Geranium, so distinct is it from the ordinary style. The plant is a vigorous grower, making nice compact plants, and very free flowering, producing fine, large, fine shape; center of flower white, veined with carmine lake, the five petals regularly and distinctly bordered with bright solferino. The arrangement of color is exquisite and entirely new in Geraniums. An excellent variety for pot culture, being a continuous bloomer Winter and Summer. **Price, 10 cents each, 3 for 25 cents; or I will send 20 fine plants for \$1.00, postpaid.**

NEW
AUREOLE
GERANIUM
MME BRUANT

Francis Perkins, New Double Pink.

This I consider the finest pink bedding Geranium to date for our climate. It is a decided improvement on that popular variety, Emile de Gerarde, being a much brighter, clearer color. The plant is a strong, vigorous grower and a prolific bloomer; flowers are perfect in form and are borne well above the foliage on long foot stalks; color, a clear, bright pink. It stands the sun admirably, and for massing there is nothing that equals it in its color. **Price, 10 cts each, 3 for 25 cts. For \$1.00 I will send 16 fine plants.**

Giant Bedding Geranium, Bruanti.

Color of the flower is a light vermilion-red of a most pleasing shade. The flowers are absolutely perfect in shape, contour and make-up, trusses exceptionally large and borne in immense spherical balls, often measuring 8 inches in diameter. It does finely in the open ground, and is perfectly reliable as a bedding Geranium of the highest merit. **Price, 10 cts each, 3 for 25 cts; 20 fine plants for \$1.00, postpaid.**

NEW DOUBLE GERANIUMS.

Price, 10 cents each, 3 for 25 cents. 3 The Set of 18 Varieties for \$1.00, postpaid.

Alpine Beauty—Double white. One of the finest.

Centauræ—Color, the richest deep pink, shading near base of petals to light pink and creamy white.

Dr. Jacoby—Enormous trusses of clear salmon.

Ernest Kelway—Vivid scarlet, with grand truss.

Fire Brand—Color, a dazzling flame scarlet, fine, prominent truss; flowers large and of great substance.

Genl. Millott—Intense and dazzling crimson scarlet.

Glorie de France—Large, round flowers of waxy appearance; color, carmine and white, with carmine center.

Josephine Gerbeau—Of immense size; color, cherry, shading to rosy lilac; the flower marked with white.

Leonard Kelway—Glowing carmine, very bright.

L. Contable—A beautiful bright rose color; extra fine.

La Favorite—This is without doubt one of the best double Geraniums ever offered.

Mary Hill—The richest and purest deep pink flowers.

Montesquieu—Exquisite pale mauve, with white eye.

Mrs. Gladstone—Grand color, pure white and shaded flesh pink towards the center; a beautiful combination.

Marvel—Rich crimson scarlet; large flowers and truss.

Professor Poirault—Beautiful brilliant violet.

Sir Trevor Lawrence—Rosy pink; beautiful foliage.

William Pfetzer—Beautiful bright apricot color.

NEW SINGLE GERANIUMS.

Price, 10 cents each, 3 for 25 cents. 3 The Set of 18 Varieties for \$1.00, postpaid.

Athlete, **New**—Its florets two inches across, of intense fiery scarlet, has a large, distinct white eye.

Brilliant—A grand scarlet; very fine circular florets.

Granville—Floret perfectly round; a lovely bright pink. The flowers are of the largest size and form.

Gettysburg—Bright crimson maroon; beautiful.

James Kelway—A most beautiful crimson scarlet.

L. Swartling—The center of the floret is scarlet flame, shading out to salmon; floret large and truss immense.

Marguerite de Layres—A grand, single pure white.

Mrs. J. M. Garr—Dwarf, compact habit; in freedom of bloom superior to all whites, equal to the best scarlets.

Madonna—Very soft shade of pale pink.

Pierre Mael, New—Color, violet lake or pure violet, upper petals peculiarly and delicately spotted and striped with white; extremely large.

Sam Sloan—Fine velvety crimson, immense trusses.

Signor Crispì—Beautiful pink, with large white eyes.

Souvenir de Mirande—Large, round florets; lower petals salmon rose, streaked with pure white.

St. Peter—One of the largest; color bright, glowing salmon, bordered with white and veined salmon.

Scarlet Cloth—Splendid rich shade of scarlet.

Theo. Lavalle—Large flowers, freely produced; salmon changing to orange at base of petals; white eye.

Wedding Ring—Dazzling orange-scarlet florets, circular, and giving it the appearance of a beautiful ring.

Wm. A. Chalfant—Dazzling scarlet florets; cupped.

BEST STANDARD DOUBLE GERANIUMS.

Price, 8 cents each, 4 for 25 cents. 3 The Set of 10 Standard Double Varieties for 65 cents.

Asa Gray—Flowers are a salmon pink, mixed with white.

Emerson—Flesh-colored flowers shaded pink and salmon.

Grand Chancellor—Flowers are very dark, soft red.

Gilded Gold—Deep, golden orange, of medium size.

Hoff Beach—A rich amaranth purple.

James Y. Murkland—Bright peach rose, margined white.

Mrs. Hayes—A beautiful light shade of pink or flesh color.

Mrs. Chas. Pease—Rich deep pink, marked with white.

Peach Blossom—White, shaded with a dark peach pink.

Richard Brett—Fine orange scarlet and very double.

Robert George—Deep crimson scarlet, and of great size.

White Swan—Fine double white.

BEST STANDARD SINGLE GERANIUMS.

Price, 8 cents each, 4 for 25 cents. 3 The Set of 12 Standard Single Varieties for 65 cents.

Apple Blossom—Pearly white, suffused with rose.

Brightness—Bright, dazzling scarlet, very fine.

Dazzler—A fine, rich scarlet, with a large white eye.

Evening Star—White, with large rose colored center.

Favorite—A fresh and beautiful shade of light lilac.

Jealousy—Orange scarlet; a decided yellow hue.

Mary Patterson—Deep, rich orange, overlaid with buff.

Mary Hallieck Foote—A bright salmon rose; very large.

Ralph—A profuse bloomer; dark amaranthine purple.

White Perfection—Pure white, and profuse bloomer.

W. C. Bryant—A soft, rich, pure scarlet; white eye.

Wood Nymph—Bright; clear pink, with light markings.

My "Marvel" Set 10 New Double Geraniums for 60c

THIS Collection of Ten New Double Geraniums is certainly the finest lot and have the most beautiful flowers of any yet offered. They are prize winners wherever exhibited, and always attract attention. All distinct and choice new varieties. Every one is unsurpassed for pot plants or bedding purposes.

Price, 10 Cts. Each;
3 for 25 Cts.

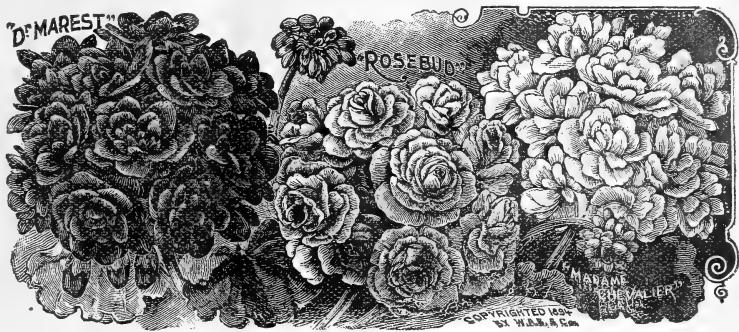

Colossus—Double floret, quite circular; semi-double; two and one-half inches in diameter; truss also fine. The color is very beautiful, a rich shade of rosy crimson. Very free in bloom. One of the very largest and finest double reds.

Dr. Marest—Flowers of remarkably vivid carmine-scarlet, very large, perfectly double, and well massed; growth dwarf, yet broad and massive. Always in bloom and always singled out as the best and brightest bedder.

Eulalie—Double. Bright salmon, a beautiful, well formed flower, and a distinct advance upon any previous introductions in the same class, both in bloom and habit.

Glorie de Bondeneau, New—Large, round florets, of waxy appearance; colors carmine and white, with carmine center, each petal delicately edged with carmine. An excellent pot variety, to which its habit is finely suited. It is one of the prettiest Geraniums we know. This is the most beautiful of the parti-colored Geraniums, which appear so bewitching.

Mad. Barney, New—An excellent bedding variety. Plant a robust, free grower and constant bloomer; fine, large, full double flowers in large, well shaped trusses on stout foot-stalks. Color, bright, clear rose; very effective as a pot plant.

Marvel—Rich, bright crimson; one of the best dark colored bedding varieties. The plant is compact and low growing in form, making excellent plants for massing; very free flowering, always attractive.

Marquis de Galard—Double. Trusses of immense size, semi-double, color, a rosy cerise, shading to orange. Stems very stiff and long. Color, very beautiful and quite new, catching the eye at a glance. A perpetual bloomer.

Madame Ayme Chevreliere—The best double white. In our trials I noticed all through the Summer this superb new variety produced more flowers than any other white variety, and trusses and florets were larger.

Mme. Chas. Debouche—Double. Extremely free flowering with enormous trusses, composed of large, round flowers. Color, bright rose, shading to light pink. A grand variety of the most pleasing color.

Rosebud—Entirely unique and a beautiful, dwarf, bushy pot plant. The full, round trusses of brightest scarlet are composed of exquisite, double florets that remain half curled like rosebuds.

Handsome Ivy-Leaved Geraniums.

A splendid class of climbing or trailing Geraniums, unsurpassed for hanging baskets, vases, (especially those in cemeteries,) rock-work and training on trellises; perpetually in bloom. **Price, 10 cents each, three for 25 cents.**

Camille Flammariion—A beautiful variety; flowers are large, full, cup-shaped, and a deep rose color.

Comtesse Horace de Choiseul—Vigorous, zoned, double and imbricated; color, a bright golden salmon.

Etincelant, Novelty—The truss is of enormous size, composed of large, semi-double florets with large petals. A glowing shade of velvety red. It is extremely vigorous in growth and a very free bloomer. **Price, 15 cents each, or two for 25 cents.**

Girofle—Beautiful wine color, shaded amaranth.

Galilee—Rich, deep pink; extra large flowers.

Incomparable—Florets immense and regular form; quite full; color, an extra shade of rosy carmine.

Joan of Arc—The flowers are perfectly double, white as snow, and literally cover the plant when it is in full bloom.

La Rosiere—Color, delicate pink shade.

P. Crozy—The flowers are brilliant scarlet, borne in the greatest profusion, the trusses measuring six inches.

Souv. de Charles Turner—Color, light scarlet with a soft rose tint, the two upper petals being veined with crimson.

Pelargoniums, Lady Washington, or Pansy-Flowered Geraniums.

The flowers have deep blotches on the upper petals and bright spots on the lower ones. When in bloom they are very beautiful and ornamental. Although their time of blooming is short, their beauty while in flower makes them very desirable. I have a number of the newest and most beautiful varieties of Pelargoniums. Price, 25 cents each; or I will send 6 fine varieties of my selection, postpaid, for \$1.00.

Golden Bronze, Silver Leaf, and Tri-colored Geraniums.

Arbutus, New—Fine, large salmon-pink flowers; profuse bloomer; foliage like Crystal Palace Gem. **Price, 10 cents each.**

Bronze Bedder—Foliage yellow, with a narrow zone of deep chocolate, simply grand. **Price, 10 cents each.**

Crystal Palace Gem—Broad, golden yellow margin, with a central disk of green; dwarf. **Price, 8 cents each.**

Marshal McMahon—Ground color of leaves, golden yellow, marked with a deep chocolate zone. A splendid bedding variety. **Price, 15 cents each.**

Happy Thought—Tri-colored, with very dark green foliage, having a light creamy, almost white center, with a dark band about the light shade of zone. **Price, 10 cents each.**

Mountain of Snow, Silver-Leaved—One of the best; the center of the leaf is bright green, the outer margin broadly marked with silvery white; flowers bright scarlet. **Price, 10 cents each.**

Mrs. Pollock, Golden Tricolor—The finest of all; holds its colors during the heat of the Summer. Distinct markings, having a broad golden belt overlaid with a bright carmine-red zone, blending beautifully with the gold and bronze. **Price, 15 cents each.**

Sweet-Scented Geraniums.

Price, 8 Cts. Each, Except Where Noted.

Apple-Scented—Apple fragrance. **Price, 10 cents.**

Balm-Scented—Delicious balm fragrance.

Lemon-Scented—Delightful lemon odor.

Nutmeg-Scented—Small leaves, nutmeg perfume.

Oak-Leaved—Beautiful foliage, resembling oak leaves; black center, with green border.

Rose-Scented—Two kinds, broad leaf and cut leaf; this is the most popular of all scented Geraniums.

Skeleton-Leaved—Leaves very finely cut; rosy fragrance.

"MORNING GLORY" SET OF NEW CARNATIONS.

PRICE, 10 CENTS EACH, EXCEPT
WHERE NOTED.

America—Largest and most perfect shaped Carnation produced thus far, producing immense quantities.

Argyle—Color, lovely shade of carmine pink, or rather, pure cerise; flowers larger on long stems; healthy and free from rust; perfect calyx; early continuous bloomer.

Evelina—Pure white, large size, good form and substance; extraordinary strong calyx, fragrant, borne on long stiff stems that always carry blooms erect; free and continuous bloomer.

Ethel Crocker—Strong, clean grower with every shoot a flower producer. Blooms continuously with immense bright pink flowers of clove-like fragrance.

Gold Nugget—Undoubtedly the best yellow variety ever introduced. Color, deep yellow, very slightly marked with red. Strong grower and continuous bloomer.

General Maceo—Flowers large, very full, deeply fringed; deep, brilliant, scarlet maroon, fully as rich and striking as Mecator. **Price, 15 cents each.**

G. H. Crane—Best scarlet, wonderfully productive; early, continuous, all season bloomer, averaging three inch blooms; well formed flower and calyx, long stems, stiff and erect; color, a clear, brilliant scarlet, of strong, robust, clean growth, making well formed, bushy plants.

J. Whitcomb Riley—Without doubt the finest and most striking of all. Color, white, striped and edged with pinkish scarlet; flowers are enormous, on strong, erect stems.

Maud Adams—Deep, clear cerise, of very pleasing shade under any light. Most attractive color and handsome flower.

Mayor Pingree—Color, clear lemon yellow, lightly marked with pink and occasionally splashed with white. Very strong, robust grower, continuous bloomer.

Morning Glory—A variety which will take the place of Daybreak. Slightly darker but brighter in color; habit much more desirable than Daybreak and giving more flowers throughout the season. **Price, 15 cents each.**

Mrs. Geo. M. Bradt—Color, clear white, heavily edged and striped with bright scarlet; flowers enormous and full. Habit strong and vigorous; a constant bloomer from early to late and is considered the most striking Carnation of recent introduction.

Mrs. Thomas W. Lawson, the Famous \$30,000 Carnation—This famous Carnation was bought two years ago for \$30,000, the highest price ever paid for a flower of any kind. Flowers are the largest, deepest, best formed. Stems are the longest and strongest. Color, purest rose pink, which illuminates splendidly under artificial light. **Price, 20 cents each, three for 50 cents.**

Olympia—The largest of the variegated Carnations. Color is a beautiful glossy white with delicate pencillings of clear scarlet, not showing too much red. Delightfully fragrant.

Queen Louise, New—A free and continuous bloomer and not a cropper. Comes into flower before any other and continues through the entire season, in fact, blooming all the time; flower large and pure white, with stiff stems. **Price, 15 cents.**

White Cloud—Remarkable new white, blooms very early, on strong, stiff stems and continuous; flowers large, of fine shape and very fragrant.

SPECIAL OFFER—I will send the Set of 16 New Carnations for only \$1.00.

NEW CARNATION, MRS. THOMAS W. LAWSON

"TRIUMPH" SET OF STANDARD FLOWERING CARNATIONS.

Price, 8 cents each, 2 for 15 cents; any 4 for 25 cents.

SPECIAL OFFER—The Entire Set of 16 for 75 Cts., Postpaid

Armazindy—A pure white, lightly penciled scarlet.

Bon Ton—Bright scarlet, large and deeply fringed.

Daybreak—Very large double flowers. Color, delicate shade of brightest rosy pink.

Flora Hill—Grand new white, looks like cut satin.

Gold Finch—Golden yellow, penciled with carmine.

Helen Keller—Large and beautiful. Color, clear white ground, delicately marked with bright scarlet.

Jubilee—Color, intense scarlet of the richest shade.

Jack Frost—Largest white Carnation in cultivation.

Kittie Clover—A very brilliant new striped yellow.

Lizzie McGowan—Pure white, petals lightly fringed.

Meteor—Deep brilliant crimson maroon; large size.

Painted Lady—Color, brilliant cherry pink.

Portia—Brilliant scarlet flowers; very fragrant.

Triumph—Does not rust and never bursts its calyx. Has a hardy constitution and is a splendid keeper after being cut. Color, a splendid pure pink; very beautiful.

Thomas Cartledge—A pure, deep pink; large size.

Williams Scott—Is an exquisite and lovely shade of pink.

HARDY SCOTCH OR SWEET MAY PINKS.

Her Majesty—Flowers a lovely clear white, very double, on long, stiff stems; clove-scented; rivaling the finest Carnations. **Price, 10 cents.**

Price of the following, 8 cents each.

Alba Fimbriata—Pure white, beautifully fimbriated.

Brunette—Color, dark velvety, almost black.

Esther—Splendid white, bordered with maroon.

Juliette—Cherry red, variegated pink and white.

Laura Wilmer—Velvety maroon, bordered white.

Snow—Large, pure white; exquisite clove fragrance.

SPECIAL OFFER—The Entire Set of 7 Hardy Pinks for 40 Cents, Postpaid.

BEGONIAS, FLOWERING VARIETIES.

Argentea Guttata—Leaves oblong in shape, of a purplish bronze color, white markings; white flowers. One of the hardest varieties.

Alba Picta Rosea—This is seedling of Alba Picta crossed with Rubra. Foliage rich green, spotted with white, flowers on long, pendant stem similar to Rubra. Color, delicate rose, very fine flowering, very fine. **Price, 10 cents each.**

Alba Perfecta—Identical with Rubra, except flowers are white.

Alba Picta—Long, pointed, slender leaves, thickly spotted with silvery white. Foliage small and elegant.

Bertha Chateau—Bright green leaves; flower currant red.

Dewdrop—It will grow and thrive anywhere, and requires no more care than a Geranium. Color, pure white.

Erfordia, or Pink Dewdrop—New. One of the most prolific bloomers. Continually covered with clusters of delicate rosy salmon flowers. Excellent for outdoor bedding, growing and blooming in our hot sun equal to the best Geraniums. A mass of bloom the whole season. Lifted and potted before frost, will flower all Winter. **Price, 10 cents each, three for 25 cents.**

Fuchsoides Coccinea—Flowers a bright scarlet color.

Foliosa—A handsome basket plant. Foliage small; bloom white.

Flambeau, New—Exceedingly free flowering, commencing to bloom when very small and flowers continually. Color, deep rosy pink, changing to delicate light pink. A valuable bedding variety, flowering fully as freely when planted in the open ground as when grown in pots in the house. **Price, 15 cents each.**

Hybrida Multiflora—Very free; beautiful pink flowers.

Metallica—Elegant. Glossy leaves, shaded with green, crimson and olive, with a peculiar luster over all; large, dark pink flowers. **Price, 10 cents each.**

McBethii—Foliage fern-like. Panicles of pure white flowers.

Marguerite—Similar to Metallica; leaves bronze green; light rose-colored flowers.

Mrs. C. A. Townsend, a New Ornamental Begonia—This new Begonia originated with one of my customers and is indeed one of the most beautiful varieties that I ever had the pleasure to offer my customers. It belongs to the Recinifolia family. The leaves are of the Rex nature, rather irregular, of a charming, lustrous metallic green color, the under surface deep crimson at the ribs, shading out to carmine. An unusually profuse bloomer, flower of a delicate light pink, born on long footstalks. **15 cts each, two for 25 cents.**

M. de Lesseps, New—A decided improvement on Argentea Guttata, the leaf being four times the size seen in that variety, while the silvery texture is the same, and is beautifully spotted with silver. A very strong, free growing variety, that will succeed with any ordinary care, growing rapidly and sending out quantities of beautiful white and pink flowers. **15 cts each.**

Nitida Rosea—A strong, profuse-blooming variety, imitating panicles of rose-colored flowers. **Price, 10 cents.**

Nitida Alba—Similar in every respect to Nitida Rosea, but with white flowers. **Price, 10 cents.**

Otto Hacker, New—The plant is a strong, vigorous grower, of stiff, upright habit, with large magnificent shining deep green leaves, eight to ten inches long. The flowers are borne in immense pendant clusters eight to ten inches across, twelve to twenty-five large flowers in a cluster. Color, a beautiful bright coral red. **Price, 15 cts each.**

President Carnot, New—In style of Rubra, but more than twice as large; upper side deep green, under side purplish red; flowers beautiful coral red, in large pendant panicles. **Price, 10 cents.**

Purity—The finest pure white Begonia grown. Its marvelous freedom of bloom and close, compact growth make it one of the finest pot plants. **Price, 10 cents.**

BEAUTIFUL NEW FLOWERING BEGONIA, VESUVE

Robusta—The stock, stem and under side of the leaf are Indian red, the upper side of the leaf glossy olive green. The flowers are of a beautiful bright rose color.

Rubra—Strong growing; heavy waxen leaves; coral colored flowers in panicles as large as your hand. **Price, 10 cts.**

Sandersonii—Coral Begonia. The flowers are of a scarlet shade of crimson, borne in profusion. Leaves slightly edged with scarlet. **Price, 10 cents.**

Thurstonii—Bright red foliage, and veining underneath the leaves are bright metallic green, shading to red in the younger growth on top. The flowers are of a beautiful deep pink; a charming variety. **Price, 10 cents.**

Vernon—Excellent as a bedding sort, flowering throughout the whole season until stopped by frost. Foliage rich glossy green, often shaded deep bronze. Flowers at first opening are a deep red, changing to a beautiful clear rose in the fully open flower. **Price 10 cts each.**

Beautiful New Everblooming Begonia, Vesuve.

A very strong growing variety, the plant being completely covered with large clusters of bright coral red blooms; very effective variety for bedding purposes where a tall grower is desired, as it produces the effect of a mass of coral red; a fine plant. **One of the best. 10c, 3 for 25c.**

Washingtonii—Strong, robust grower, with large deep green foliage; flowers in immense panicles of pure white tinted with pink. **Price 10 cts each.**

Wettsteinii—A beautiful upright growing sort, flower bright coral red in pendant panicles; very free flowering. **10 cts.**

Washingtoniana Rosea—A splendid novelty, dark green foliage covered with felt-like substance, large panicles of deep rose flowers, very free Winter-bloomer. **15 cts each.**

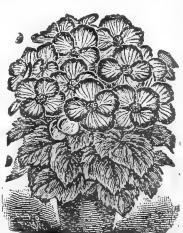

Zebra, "Zebra Begonia"—Beautiful thick, feathery green leaves, with lighter markings running across the leaves, making a distinct and lovely plant. **Price 10 cts.**

BEGONIA REX, THE KING OF BEGONIAS.

Give them a soil composed of rich loam, woods earth and sand. Require a warm, moist atmosphere and a shady situation, suitable to warden cases. Do not allow the sun to strike the leaves while wet, and do not overwater. I have the leading and distinct kinds. **Price 15 cts each, four for 50 cts, ten for \$1.00.** See cut at left.

TUBEROUS ROOTED FLOWERING BEGONIAS.

Bloom continually throughout Spring and Summer; outstrip in color the most brilliant and dazzling Geranium flowers. Never out of bloom. Borne in such profusion that the rich green foliage is almost hidden under the load of blossoms. For bedding plants outdoors, or for pot culture in the house they cannot fail to give satisfaction. Fine bulbs in the following colors: **Crimson, Scarlet, Rose, Yellow, Pink and White.** To color—**10 cts each, 6 bulbs for 50 cts, or 15 bulbs for \$1.00 postpaid.** See cut at right.

ABUTILONS

Or Flowering Maples.

Price, 8 cents each, except where noted.

Eclipse—Excellent plant for basket or vases; trailing habit, large foliage; beautifully marked with deep green and yellow; flowers bright yellow with crimson throat.

Golden Bells—Bright, golden yellow Abutilon; strong, bushy habit; very free flowering.

Infanta Eulalie—New and beautiful. Excellent variety for pot culture. The growth is short-jointed and compact, making neat and bushy plants. Flowers very large, much more cup-shaped than most of the Abutilons. Color, delicate satiny pink. Remarkably free bloomer, both in Summer and Winter. Price, 10 cents each.

Pink Perfection—Flowers a beautiful deep pink.

Rose Queen—A beautiful, deep, rose colored flower; perpetual bloomer. The plant is dwarf and compact in growths, making a fine specimen pot plant.

Robert George—Flowers broad, large and overlapping, incurved petals; color, orange, veined with crimson.

Royal Scarlet—Needs no other description than its name, which was aptly given. Very free and of excellent habit. Color, a beautiful scarlet. Price, 10 cents each.

Splendens—Dwarf, compact habit; flowers deep red.

Snow Storm—Beautiful, pure white flowers; growth dwarf. Price, 10 cts each.

Souv. de Bonne—It is a very strong grower. The leaves, a beautiful green, are regularly banded with white; flower very large and a bright orange color. Price, 10 cents each.

Savitz, New Variegated Abutilon—This is one of the most beautiful variegated foliage plants for house and outdoors, the variegation being pure white, the white predominating, and in some cases a great many leaves are almost entirely white. Is of dwarf, compact growth, thrives well outdoors, retaining its variegation in the hottest sun. It is most admirably adapted as a border for Cannas, Geraniums and other taller growing kinds. I have always found it most satisfactory and can recommend it to everybody, as it is an ornament to the smallest garden as well as the largest. Price, 15 cents each, two for 25 cents.

Thompsonii Plena—Variety with perfect double flowers; color, rich, deep orange, shaded and streaked with crimson. Foliage variegated with yellow.

CAMELLIA JAPONICA.

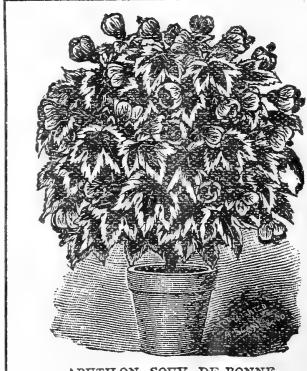

The Camellia is considered the queen flower of the South. During the month of May immense trees can be seen in full bloom, making one of the most gorgeous sights to behold. Their dark, shiny leaves contrast beautifully with the waxy-like blooms, which come in white, pink, rose, carmine, and variegated shades. No garden is complete without them; are quite hardy in the Southern states and require no protection or care. They are called the Royal Family of greenhouse plants. Leaves glossy and flowers of the most exquisite beauty; an endless variation of colors. Offer splendid plants, bushy, well grown specimens, all in splendid health; best varieties extant; pick of a Continental collection. Fine, large plants, 75 cents each; two for \$1.25.

NEW DOUBLE PINK HIBISCUS, PEACHBLOW

CAMELLIA JAPONICA

ABUTILON, SOUV. DE BONNE

Gorgeous Hibiscus

Price, 8c. each for 1 year old plants, except where noted; 4 for 25c.

Auriantica—Large, double, orange-colored flowers.

Cooperii Tricolor—Foliage beautifully variegated with dark green, pink, and white; flowers crimson. This beautiful tricolored plant is one of rare magnificence and is unequalled by any other plant in brilliancy of foliage.

Carminatus Perfectus—Full, round flower of perfect shape, and rich, soft, carmine rose with deep crimson eye. Price, 10 cents each.

Collerii—Buff yellow, crimson scarlet base; handsome and double.

Decorous—Foliage very large and lobed; enormous single flowers of rosy carmine; stamens and pistils very showy.

General de Courtigis—A very grand, large sized flower; single; light scarlet, very showy.

Grandiflorus—Rich, glossy green foliage; blooming continuously, literally covering plant with crimson scarlet single flowers.

Minutius—Semi-double flowers of a bright vermillion scarlet; petals waved and recurved. Are very handsome.

Magnificus—Very large flower; color a deep magenta; ends of petals touched with brown, foliage finely touched.

New Pink Hibiscus, "Peach-blow"—One of the finest free flowering plant novelties offered in recent years. Flowers are double, from four to five inches in diameter; charming, rich, clear pink color; small, deep crimson center; entirely new and most beautiful shade; blooms abundantly and continuously during entire Summer and Fall months. Will give great satisfaction to all who grow it, either in pots or planted in the garden. 1 off. two sizes. Price, strong young plants, 10 cents each; three for 25 cents; large size 25 cents each. This size will make gorgeous plants at once.

Rubra—Fine, double variety, with large, red flowers.

Rosa Sinensis—Flowers red, very large, nearly five inches in diameter; double. Price, 10 cents each.

Schizopetalus—Petals deeply laciniated and fringed; drooping flowers with reflexed orange red and laciniated petals render this plant not only a curiosity, but highly ornamental. Price, 10 cents.

Sub-Violaceous—Flowers of enormous size, beautiful carmine, tinted violet; probably the largest flower of the Hibiscus family.

Versicolor—A variety combining in its flowers all colors of the whole family, being handsomely striped crimson, buff, rose and white.

Zebrinus—Double; outer petals scarlet, edged with yellow; inner petals very regular and curiously variegated with creamy yellow scarlet. Price, 10 cts.

SPECIAL OFFER For 50 cents I will send 10 fine varieties of "Hibiscus," my selection only.

ACHANIA MALVAVISCUS.

From the time it is 3 or 4 inches high it blooms, mattering little what the season; shows best in Winter. Always healthy; blooms freely when other flowers are scarce. Brilliant scarlet flowers, upright, peculiarly formed, carried on extreme end of branches. 8 cents each.

NEW DOUBLE FRINGED PETUNIAS.

THE FINEST BEDDING PLANTS for massing, mixed borders or for vases. They are of the easiest culture, growing in any soil that will maintain plant life, and blooming in wonderful profusion. The brilliancy and variety of its colors, combined with the duration of its blooming period, render it invaluable for garden decoration. I have twelve of the finest varieties.

Price, 10 cents each, threes for 25 cents.

GRAND NEW FLOWERING FUCHSIAS.

Contrast—Has beautiful flowers of oval form, very large double corolla, center petals rich violet lightened with azure blue, exterior petals bright scarlet, making a distinct contrast in coloring that is very attractive and not found in any other Fuchsia. Sepals elevated, of a dark red color; plant exceptionally fine, compact growth, very early and free bloomer, probably earliest of all double Fuchsias. **Price, 15 cts each, two for 25 cts.**

Glorie des Marches—A strong growing variety of fine upright branching habit; very abundant in bloom; corolla is a pure white; sepals bright red. One of the finest of the double white. **10 cts each.**

Giant Phenomenal—The king of them all. Phenomenal is the largest Fuchsia in cultivation. The plant is a strong grower, branching like a tree; the leaves are dark; glossy green, with veins of dark crimson, giving the foliage a rich, ornamental appearance. The flowers are of enormous size, a single flower measuring three and a half inches across; sepals bright scarlet, with rich violet-blue corollas, very double. **Price, 15 cts each.**

Marenga—New. This variety is without a doubt the most most desirable sort for hanging baskets. It is of neat compact growth, not coarse, and very symmetrical. The habit is vigorous, with large healthy leaves. Corolla, dark amaranth red; single; sepals carmine. **Price, 15 cts each.**

Madame Bruant—New. Novel and distinct new Fuchsia; different in color from any other variety. Flower large and double; large corolla, recurved sepals. Corolla delicate heliotrope, suffused rose, slightly marked and veined carmine, sepals deep coral red; vigorous grower, graceful habit. This is a decided new color in Fuchsias. **Price, 15 cents each.**

Madame Carnot—Free flowering variety, flowers of very large size. Plant is of compact, symmetrical growth, making fine, shaped plants in quite small space; tube and sepals deep coral red; corolla white, veined and suffused carmine. A distinct and valuable new variety that is sure to become a popular sort. **Price, 15 cents each.**

Victor Hugo—In this variety we have a decided novelty. The corolla is of immense size, composed of large petals, some of which are a rich royal purple, some spotted with bright scarlet, others entirely scarlet, making a striking and beautiful contrast in coloring that cannot fail to please the most fastidious person. The sepals are large bright scarlet, the plant is a fine, upright, strong grower and of compact habit. Early and free blooming. **Price, 15 cents each, 2 for 25 cents.**

SPECIAL OFFER—For 75 cents I will send the set of Grand New Fuchsias, postpaid.

FLOWERING FUCHSIAS, Price, 8 Cents Each, Except Where Noted.

DOUBLE COROLLA VARIETIES.

Avalanche—Rich golden foliage, large purple flowers. **Abbie Garnier**—Sepals red, corolla short, violet-blue, and marked with bright rose blotches, extra fine. **Price, 10 cts.**

Dolly Varden—Flowers globular, dark red tube and sepals with dark blue corolla, one of the finest sorts.

Edmund Abbott—Very large, bluish white, fine.

Elm City—Sepals a rich crimson, corolla a deep purple, double, very free flowering. Extra fine.

Jupiter—Is a sport from Phenomenal and is similar to it in every respect, except in the coloring of the corolla, a beautiful shade of light magenta, dark crimson veins.

Molesworth—Beautiful double white corolla, tube and sepals scarlet. Fine for house culture.

Mrs. E. G. Hill—This is undoubtedly the most beautiful white Fuchsia ever raised. The tube and sepals are a bright red, reddish crimson color. Corolla extra large, full and double. Flowers of the largest size.

Monstrosa Superba—Very large, double flowers, covering the entire plant. Pure white corolla, beautifully reflexed, bright scarlet sepals.

Purple Prince—Tube and sepals a waxy carmine scarlet. Corolla rich velvety purple.

Pres. Carnot—Rich maize corolla, deep crimson sepals. **Price, 10 cents each.**

Pres. Gunther—Light prune-colored corolla, red sepals.

Rosain's Patrie—Very free bloomer and quite early. Tube and sepals rosy carmine. Corolla pure white.

Storm King—Corolla beautiful bluish white, veined with carmine red. Tube and sepals carmine red.

Snow Fairy—This variety stands first among all double white Fuchsias for profusion of bloom, earliness, dwarf, compact growth.

SPECIAL OFFER—I will send Ten Fine Sorts of Flowering Fuchsias for 50 cents, my selection only, either Double or Single, or half each of the Double and Single varieties.

SINGLE COROLLA VARIETIES.

Arabella—Tube and sepals white, corolla rose color.

Black Prince—Single flowering sort, red sepals and light carmine corolla, one mass of buds and bloom all year. One of the most satisfactory of all Fuchsias.

Benjamin Pearson—Tube and sepals rosy red, single corolla, crimson and purple, freely produced.

Carl Halt—Corolla crimson, striped white, distinct.

Constance—Corolla single, rich carmine, sepals white.

Duke of Albany—Purple, drooping flowers, very fine.

Earl of Beaconsfield—Deep orange corolla, extra large flowers.

Flocon de Neige—Single, tube and sepals soft coral scarlet. Corolla large, open and bell-shaped, purest white.

Lottie—Tube cream, sepals rose, carmine corolla.

Lustre—Tube and sepals white, vivid crimson corolla.

Monsieur Thibaut—A splendid variety, with large, hand-some foliage of delightful green tint. Flowers of unusual size. Sepals dark red, corolla rose vermillion, tinted violet.

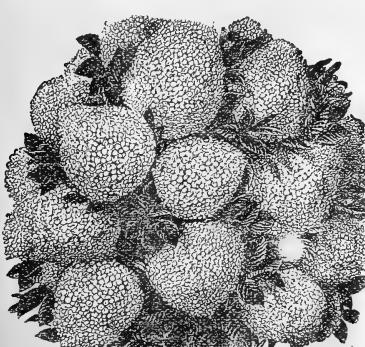

Minnesota—New. Corolla deep rose, tube and sepals white. **Price, 10 cents.**

Oriflamme—Prune-colored corolla, crimson sepals.

Riffiard—This is a new variety I imported from France. It proves to stand the sun, as I had it blooming in open ground all summer. Flowers, the corolla is crimson, sepals scarlet. **Price, 15 cents each.**

Speciosa—Corolla orange scarlet, sepals white.

Wave of Life—Beautiful foliage of bronzy yellow, flowers violet and crimson.

HYDRANGEAS

Japanese Hardy Hydrangea, Paniculata Grandiflora—A new, very striking and elegant hardy flowering shrub, suitable for lawns. Recently introduced from Japan. The flowers are pure white, afterwards changing to pink, and are borne in immense pyramidal trusses more than a foot long and nearly as much in diameter. It blooms in midsummer, and remains in bloom two or three months. The plant is of bushy and compact growth, attains a height of three to four feet, and is perfectly hardy in all parts of the country. Needs no protection of any kind. **Price, young plants, 15 cts each, extra strong two year old plants, for immediate effect, 35 cts.**

Hortensia—Growth is strong and upright, forming excellent specimen plants; flowers pink; immense trusses. **Price 10 cts.**

Okatska—A splendid variety from Japan. Flowers large, bright pink, tinted with blue; produced very freely. **Price 10 cents.**

Sapphire—(The Blue Hydrangea.) A strong stocky grower; beautiful porcelain color. **Price 15 cts.**

Thomas Hogg—The immense trusses of flowers are first slightly tinged green, becoming purest white and remaining so a long time. **Price 10 cts.**

Monstrosa Grandiflora—One of the most beautiful plants I have, the grandest and most beautiful of Hydrangeas. Clusters of bloom are simply enormous; of a beautiful and most intense rose color, shaded white. Growth robust and compact, with marvelous freedom in production of bloom; bloom 15 inches in diameter. **Price, 15 cts each, two for 25 cts.**

HYDRANGEA PANICULATA GRANDIFLORA

Fragrant Flowering Heliotropes.

Price, 5 Cents Each, Except Where Noted.

Albert Delaux—(Purple and Gold.) The foliage is a bright golden yellow, very pronounced, and marked slightly with a delicate green. In bloom it is exquisitely beautiful, deep lavender, color of the flower contrasting admirably with the ever-varying foliage; very free flowering, trusses large. **Price, 10 cts each.**

Chieftain—Rich shade of violet; highly fragrant.

Chameleon—Bright blue, passing to pale lavender.

Comtesse de Mortmant—Free flowering, sweet; dark velvety blue, white eye; good for massing. **Price, 10 cents each.**

Dark Bouquet—An unusually rich, dark purple.

Fleur d' Ete—Splendid new sort, having panicles of bloom of the largest size, the individual florets being a wide trumpet shape; beautiful shade of blue, shading to white at the center. They are very fragrant.

Juliette—Very dark purple. A grand bedding variety.

Mme. Ad. Dubouche—Trusses enormous, mossy looking; color, velvety-violet. One of the most beautiful Heliotropes ever introduced. Odor exquisite. **Price, 10 cents each.**

Md. Rene Andre, New—A very rich dark shade of violet, with very large truss and extremely sweet. **Price, 10c each.**

Miss Lizzie Cook, New—Deepest and richest violet purple color; large white eye, very fragrant. **Price, 15 cents each, two for 25 cents.**

Queen of the Violets—For a neat, dwarf habit, profusion of bloom and richness of odor, this Heliotrope has no equal, and its vivid color of rich violet blue with a distinct white center, gives us something entirely new in color, either for Summer decoration or Winter flowering. **Price, 10 cents each.**

Snow Wreath—Superb large clusters of deliciously fragrant flowers of pure white. **Price, 10 cents each.**

NEW GIANT FLOWERED HELIOTROPIES.

Czar—A very dwarf growing variety with black stems and enormous panicles of dark violet bloom. Very rich in color and of the "Giant type." **Price, 10 cents each.**

Carolina—A very fine companion for the above. A little taller grower; deep indigo blue with white eye; enormous trusses of the "Giant type." **Price, 10 cents each.**

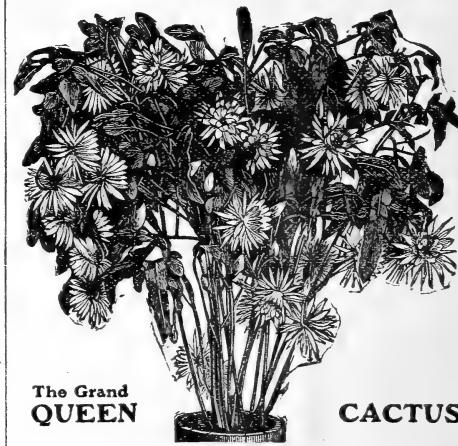

Le Cid—Semi-dwarf and very robust; panicles very large and the florets of the very largest size yet obtained. Mauve passing to lilac and tender rose, with clear white eye. A very beautiful and a most attractive variety. **Price, 15 cents each.**

Le Poitevine—Enormous florets compose the very large truss of bloom; color, mauve, violet and azure with shadings of rose. A robust, semi-dwarf grower, very free and continuous in bloom. **Price, 10 cents each.**

Md. Bruant—A fine companion for the above; a little taller grower. Color, lilac, with white eye; enormous trusses of the "Giant type." **Price, 10 cents each.**

Picciola—Rosy violet with white center. A giant variety, also very free and of beautiful habit. **Price, 10 cents each.**

Prince Charmant, Novelty—Handsome foliage with extremely free blooming qualities. Color, a lovely tint of bluish mauve. The panicles of bloom are of enormous size. **10c each.**

CACTUS

The Grand
QUEEN

Phyllocactus Latifrons, or Queen Cactus—The giant of its family. Magnificent night bloomer; flowers eight, ten and twelve inches across, produced on plants scarcely a foot high, from May to August. Quick grower if good soil and warm, though somewhat shady position given it. The most suitable Cactus for all around purposes, as it is sure to bloom profusely and make fine and valuable specimens. The perfume is especially delightful. I recommend it above all other cacti, and believe that it will please purchasers especially well. **Price, 25 cents each.**

Sweet-Scented Jasmines.

Cape Jasmine—Well known for its delicious fragrance, beauty of flower; white and double. **Price, 15 cents each; large plants 50c.**

Confederate Jasmine, Rhynchospernum Jasminoides—Elegant hard-wooded climber, or can be trained in bush form. It bears large bunches of pure white flowers, with the most delicious perfume. It is known in the South, where it is hardy, as the Confederate Jasmine. **Price, 15 cents each; large plants 40 cents each.**

Grand Duke of Tuscany—Very easily grown, even small plants bearing a profusion of very double, creamy white flowers; a magnificent plant; a valuable and popular pot plant. It can be stored in a dry cellar in Winter. **Price, strong plants, 20 and 50 cents each.**

Gracillimum—Exceedingly floriferous, flowering from every joint, which terminates in a dense cluster of pure white, fragrant flowers. **Price, 5 cents each; large plants 20 cents.**

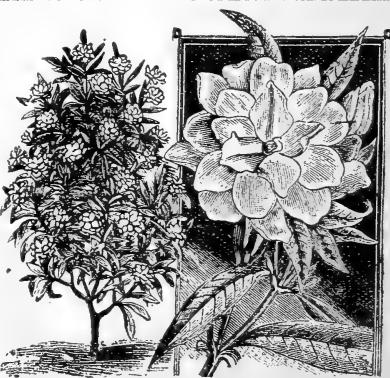

Grandiflorum, Catalonian Jasmine—Flowers pure white, star-shaped; exquisite fragrance. **Price, 5 cents each; large plants 20c.**

Maid of Orleans—I place it as peer over existing sorts. Easy cultur, fine grower, good bloomer, elegant fragrance, waxy-white flowers. **Price, 15 cents each, large plants 40 cents.**

Poetica—Similar to Jasmine Grandiflorum. Flower smaller, but on longer spikes. **Price, 15 cents each, large plants 40 cents.**

Revolutum—A yellow-flowered Jasmine, nearly hardy and exquisitely fragrant. **Price, 5 cents each, large plants 20 cents.**

SPECIAL OFFER—The 8 Jasmines for 75c.

NEW SALVIA, BONFIRE

LANTANAS.

Or Shrubby Verbenas.

Price, 8 cts each, 4 for 25 cts, except where noted.

BEAUTIFUL WEEPING LANTANA.

Plant is of very rapid growth, graceful drooping habit, lovely dark green foliage, producing a cluster of flowers at each leaf. Flowers are a most delicate, clear, brilliant, rosy lilac color; entirely distinct from any other flower I have ever seen. Indeed, I never grew a plant that attracted so much attention and gave such general satisfaction. **Price. 10 cents each, three for 23 cents.**

Aurora—Light and dark shades of pink.

A. Claveau—Flowers silvery rose, center soft yellow.

Amiel—Flowers reddish orange with yellow center.

Corbielle d'Argent—Very dwarf, pure white.

Comtesse de Biencourt—Bright rose and yellow.

Francine—Quite dwarf, flowers large, rosy lilac.

Grand Sultan—Orange crimson with yellow center.

Harket's Perfection—Golden foliage; color, yellow and pink; extra fine for bedding or pots.

Javoisi—Pure white, very large flowers.

Jaune d'Or—Bright golden yellow with bronze edges.

La Pluie d'Or—Pure yellow flowers, dwarf and bushy.

M. Schmidt—Yellow, passing to a purplish vermillion.

Snow Ball—Large, pure white flowers; very fine.

Seraphine—Dwarf; red with yellow center.

Tethys—Beautiful pure canary yellow.

SALVIAS.

Price, 5 cents each, except where noted.

NEW SALVIA—BONFIRE.

Finest of all Scarlet Sages. About 2½ feet high and two feet through, producing brilliant spikes of flowers through the entire season, borne well above the foliage. **Price, 10 cents each, 3 for 25 cents; \$6 per 100 by express, net.**

Jean Ravelin, New Dwarf Salvia—Early flowering; does not grow over 18 inches tall; blossoms as soon as well rooted; blooms from early Summer until late in the Fall. An entirely new variety, different from what I have heretofore offered as dwarf early flowering Salvia. Flowers magnificent effigient red, produced in grand spikes. **15c, 2 for 25c.**

St. Louis, New Salvia—Great improvement over the old Salvia Splendens. Grows 2½ to 3 feet high; large, bushy plants, covered with immense flower spikes, 12 to 16 inches in diameter, of a vivid scarlet. Comes into flower early and continues until frost. **Price, 10 cents, 3 for 25 cents.**

Salvia Rosea—A winter-flowering variety, with rose colored flowers, borne in spikes six inches in length.

Salvia Splendens—The standard sort for bedding; flower spikes of the most brilliant scarlet.

Salvia Splendens Alba—White variety of Splendens. Identical in every respect, except color, being pure white.

Salvia Splendens, Variegata—White and red flowers. Very evenly striped.

Salvia Vermont, or Yellow Bird—New and very dwarf plant of great beauty, with bright yellow foliage and scarlet crimson flowers. A magnificent plant for edging beds or for pot plants. **Price, 10 cents, 3 for 25 cents.**

CALLAS

NEW CALLA, Fragrance—In this I have not only a charming and useful flower, larger than common Calla, produced in great freedom, but a delightful fragrance unlike that of any other plant I know. It has been likened to the combined fragrance of lilies and violets. Flowers pure white; foliage dark green, heavily fluted. **Price 20 cents each; three for 50 cents; extra large bulbs, 50 cents each.**

BLACK CALLA, Arum Sanctum, Solomon's Lily or the Black Calla of Palestine—This magnificent flower often measures one foot in length and 5 to 8 inches in width. Beautifully shaped and turned, sweet scented. The color is of the richest velvety purple black, while the outside is of pleasing green. Sure to bloom if planted in rich soil two inches below the surface. **Price 25 cents each.**

SPOTTED CALLA, Richardia Alba Maculata—The plant is always ornamental, even when not in flower; the dark green leaves beautifully spotted with white. In other respects the plant is the same as the old favorite White Calla, except being of smaller habit. **Price, 10 cents each.**

WHITE CALLA, or Lily of the Nile—This old favorite is too well known to require any description. I offer dry roots as they are superior for forcing and Winter flowering purposes; they come into bloom quickly and require less room—making less foliage. **Price, extra large dormant roots, 25 cts each; first size 15 cts; one year old bulbs, 5 cts.**

NEW CALLA, Little Gem—This little pygmy rarely exceeds 12 inches in height and blooms most abundantly. The flowers are not more than half the size of the common variety and, therefore, can be used with telling effect in bouquets. It is in every way superior as a house plant to the larger growing variety. **Price, 15 cents each; extra large bulbs, 35 cents.**

NEW CALLA, FRAGRANCE

EVER BLOOMING CANNAS—AMERICA'S MOST POPULAR BEDDING PLANTS

Milo Berat—The nearest approach to a pink in a first class bedder. Color, a soft shade of rosy carmine. Many of those heretofore offered as pink, while very pretty in the individual flower, have a "washed out" appearance, both on the single plant, or when planted in masses. In this variety however the larger the mass, the finer the effect and when planted in conjunction with yellows and high colored reds it is simply superb. Green foliage. The height is four feet. **Price, 15 cents each.**

Madame Crozy—Luxuriant foliage, flowers borne in immense heads at the end of every shoot. Petals wide, broadly rounded; color, deepest vermillion, bordered with gold.

Paul Marquant—Flowers large; enormous spikes. The color might be called a bright salmon with carmine tint, with a silvery lustre which glistens and glows in different lights. To some it appears the fashionable apricot shade which is now so popular.

DWARF OTAHEITE ORANGE

A valuable and distinct variety; dwarf, compact grower; glossy, deep green foliage; producing a wonderful profusion of white flowers of delicious fragrance; identical with the much-sought-for blooms of the Southern orange groves. Fruits immediately after flowering, bearing fruit about one-half the size of an ordinary orange, retaining in a marked degree their sweetness. Unequalled as a Winter blooming pot plant for house culture; of easy culture. Flowers and fruits when but twelve to fifteen inches high; most novel pot plant. **Price, 10 cents each; large, strong plants, ready to bloom and bear profusely, 25 and 40 cents each.**

PRICE—For good young plants, 15 cents each, 4 for 50 cents; large plants 50 cents each. Extra large plants for fruiting this season, \$1.00.

"SUNBEAM COLLECTION" OF THE BEST EVER BLOOMING DWARF CANNAS

Price, 10 Cents Each, Except Where Noted.

SPECIAL OFFER—For only \$1.00 I will mail you, postage paid, the "Sunbeam Collection" of 12 New Cannas.

Alphonse Bouvier—This grand and luxuriant variety grows 5 to 8 feet. Tips of shoots surmounted by immense clusters of brilliant crimson flowers of largest size. For bedding or as specimen plant it is unequalled.

Burbank, New Giant American Canna—Grows about 5 feet tall, and bright green foliage. The flowers are truly gigantic in size, the upper petals spreading out fully seven inches and the form is really of a semi-double nature. Toward the inner part of flowers the petals show fine crimson spots, all the rest of the flower is a beautiful, rich, canary yellow.

Charles Henderson—Flowers of largest size. Color, a wonderful rich crimson, center penciled with gold. Owing to dwarf habit this makes a perfect pot plant. Invaluable for outdoor bedding.

Egandale—Best of all dark leaved Cannas for bedding. Flowers borne in compact heads and in great profusion; unequalled by any other sort. Color, deep currant red of a pleasing shade, different from any other.

Flamingo—The color is a solid crimson, without spot or blemish; whether grown indoors or out, it is constantly surmounted by a crowning glory of perfect blooms, whose sparkling brilliancy is as bright as the plumage of the Flamingo bird. Foliage a luxuriant deep green and tropical like. **Price, 15 cts each.**

Florence Vaughan—Superb habit, flowers borne in grand spikes; broad rounded petals, well expanded, showing the richly brilliant colors, golden yellow dotted with brightest scarlet.

Queen Charlotte—The finest of the gilt edged type, with heavily bluish green foliage; enormous flower spikes bearing a beautiful bouquet of large flowers of perfect form: a velvety blood red, broadly banded with a bright canary yellow.

Secretaire Chabanne—A beautiful orange, with deeper shadings. In this variety the color is so rich and pleasing as to be entirely distinct, and while it is valuable for planting as a separate specimen or in masses by itself, its greatest value consists in massing it in conjunction with other high colored sorts, with which it not only harmonizes, but appears to intensify their color. Height is about four feet. Green foliage. **Price, 15 cts each.**

Sunbeam—Owing to its immense size, splendid finish and great substance of its flowers, it is bound to become the most popular Canna ever introduced. The flowers are a brilliant golden yellow color, dotted with bright orange scarlet spots. Handsome and very bright green foliage. **15 cts each.**

POUNDEROSA, The Wonderful New Lemon.

NOTHING that has ever been brought to our notice in the plant line has caused half the commotion that this wonderful Lemon has. It is a true ever-bearing variety. On a plant six feet high no less than eighty-nine of these ponderous Lemons were growing at one time. It was a beautiful sight to see. The tree was blooming, and at the same time had fruit in all stages of development, from the size of a pea up to the ripe fruit, showing it to be a true ever-bearer. Fruit has been taken from this tree weighing over four pounds. Add to its fruiting qualities this wonderful new Lemon makes a grand specimen plant for house culture and a prize winner at every fair and flower exhibition. The dark green foliage is very large, aromatic and handsome. The flowers are pure waxy white with yellow stamens and pistils, nearly as large as a tub rose and as highly fragrant as orange blossoms. The lemons have a very thin rind for such large fruit. It is the juiciest of all Lemons, makes delicious lemonade, and for culinary purposes can not be excelled. It is not uncommon to make twelve lemon pies from one lemon. I have a very large stock of this ponderous Lemon and guarantee the trees to produce the same large fruit. No budding or grafting necessary. Ponderosa Lemon is sure to become popular when it is known. It fruits when quite small and makes a lovely house plant. Everybody can grow their own lemon. It will fruit freely the second year.

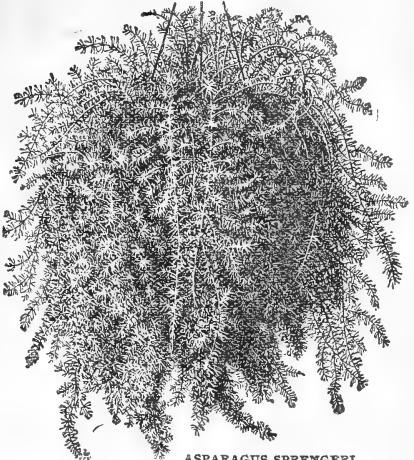

POUNDEROSA—WONDERFUL NEW LEMON

Asparagus Sprengeri, or Emerald Feather.

A most desirable new species, especially useful to grow as a pot plant for decorative purposes or for planting in suspended baskets. The fronds are frequently four feet long, are of a rich shade of green and most useful for cutting, retaining their freshness after being cut for weeks. It will make an excellent house plant, as it withstands dry atmosphere and will succeed in almost any position. No introduction of recent years has made such a favorable impression upon me as this graceful Asparagus. I have a large stock of it and offer good, strong plants. Price, 10 cents each, 3 for 25 cents; large plants 25 cents each, and extra large specimen plants, 50 cents and \$1.

Asparagus Plumosus Nanus, or Lace Fern.

One of the handsomest of foliage plants. The leaves are a bright green, gracefully arched and as finely woven as the finest silken web, lasting and retaining their freshness for weeks. I consider it the most valuable plant I have for this purpose, surpassing Maiden Hair Fern in fineness of texture and richness of color. Price, 15 cents each, 2 for 25 cents; extra large plants, 50 cents each.

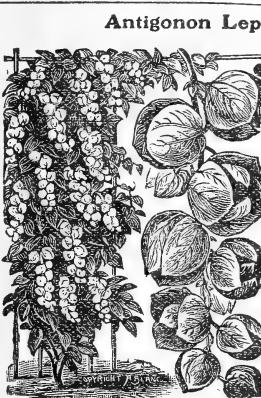

ASPARAGUS SPRENGERI

Asparagus Tenuissimus.

I consider this extremely elegant plant to be the greatest acquisition for decorative purposes, or for cutting from, that has been offered for many years. It is a climber and is grown and can be strung like Smilax, but the extreme delicacy of the foliage cannot be described. It is as fine and graceful as Asparagus, finer than the fronds of the most delicate Fern. The sprays will be in great demand for bouquet and other floral work, as in addition to its gracefulness it does not wilt like Smilax, but remains bright and green for weeks. Price, 15 cents each, 2 for 25 cents.

ASPARAGUS PLUMOSUS

MOUNTAIN ROSE

Antigonon Leptopus, or "Mountain Rose."

A lovely climber from Central Mexico, with beautiful rose-colored flowers in racemes two feet long. The profusion of bloom is such as to give the resemblance of roses at a distance, hence the Mexican name, "Rosa de Montana," or Mountain Rose. Described by its discoverer as the most beautiful climber he had ever beheld. It is moderately hardy with protection. The vines are killed to the ground by frost, but it quickly shoots up in the Spring and develops its flowers from June till frost. Price, 10 cents each, 3 for 25 cents.

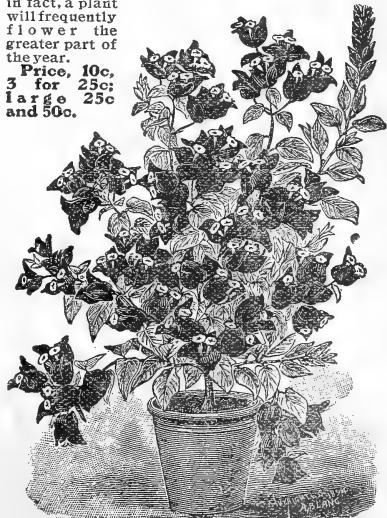

Olea Fragrans, Sweet Tea Olive.

The most desirable flowering shrub of Southern gardens, also a favorite house plant in the Northern states. Is of deep green foliage. White flowers produced in great profusion. They are very fragrant and of easy culture. Price, nice plants, 25 cents, large size, 50 cents.

Bougainvillea Sanderiana. (Chinese Paper Plant)

Elegant specimen plant; can be trained in any desired form. This beautiful free flowering variety was introduced about 3 years ago and on account of its free blooming qualities has become very popular, especially as a plant for Easter decoration. Strong, rapid growth, brilliant rosy crimson blossoms produced from early in February until mid-summer; in fact, a plant will frequently flower the greater part of the year.

Price, 10c,
3 for 25c;
large 25c
and 50c.

Beautiful Flowering Plumbagos.

Plumbago Sanguinea.

The Plumbagos are very desirable plants for bedding or house culture and are admired by all for their elegant trusses of bloom and the delicate colors of their flowers. The light blue and deep blue and white varieties are very well known, but with the new variety, Sanguinea, we have something that is entirely distinct and the prettiest of all Plumbagos. Trusses of bloom are larger than in the older varieties, often measuring ten inches in length and of the loveliest bright pink or deep rose. Order and be surprised. Price, 15 cents each.

Plumbago Capensis, Alba.

This is a splendid novelty. The exact counterpart of Plumbago Capensis, except in color, which in this beautiful novelty is a clear white. This is one of the leading new plants of the year. Do not confound this with the old worthless white. One of the most satisfactory bedding plants out. I recommend this highly. Price, 10 cents each.

Plumbago Capensis, Blue.

This produces large heads of light blue flowers. It has the most peculiar shade of blue of any flower in cultivation. Always in bloom and an elegant bedder. Price, 15 cents each.

Plumbago, Lady Larpent.

This beautiful variety of Plumbago was first popularly introduced in 1890. Since that time it has so thoroughly pleased all who have planted it, achieved such great popularity, which, coupled with our own thorough tests and observations, demonstrates that it is unquestionably the most distinct and hardy herbaceous plant now in cultivation. The plants are strong, upright in habit, growing to a height of twelve to fifteen inches in compact clumps and from the middle of July until severe frost are covered with lovely, rich, violet-blue colored flowers, borne in close terminal heads. Price, 10 cents each.

VIOLET, LADY HUME CAMPBELL

Sweet Scented Violets.

Price, 10 cents each, 3 for 25 cents,
except where noted.

Farquhar—A beautiful new double Violet; strong and healthy grower; perfectly hardy and free flowering, producing in the greatest abundance lovely deep and double flowers of delicious fragrance, borne on long stems, the flowers of splendid size, nearly as large as California. Price, 15 cents each, two for 25 cents.

Lady Hume Campbell, the New Ever-Blooming Violet—This grand new Violet is a perpetual bloomer and enormously productive; the flowers are very large, often the size of a half dollar, perfectly double, like little Roses; very fragrant and of the most lovely azure blue color.

Luxonne—New, of the same size as the California, but appears nearly double in size, as the petals all open out flat; it appears like a big blue Pansy bloom, and has the advantage of flowering continuously from early in September until April. It is a beautiful, rich but soft violet; perfect color, with strong, stout stems, and very fragrant.

Marie Louise—To contrast with white, we offer this double, deep bluish purple, sweet scented variety, recently introduced. Desirable for pots or gardens. Plants hardy and bloom freely.

Swanley White, or Queen of Fragrance—This beautiful new double White Violet is unquestionably the finest double Violet in existence, and is a decided acquisition to even the smallest collection of plants.

The California—Grand new variety. It is a sturdy grower with dense, heavy foliage, entirely free from disease. Flowers single, intensely fragrant. Color, a clear violet purple that does not fade. The flowers are as large as a silver dollar, and are borne on stems ten to twelve inches long.

Hardy Double English Violet—This Violet is entirely hardy, perfectly double, a deep violet purple color, deliciously fragrant. Surpasses the well-known Marie Louise in richness of color.

New French Violet, Princess of Wales—It is recommended by the producers as the best Violet in existence. It is of hardy, vigorous growth and wonderfully free blooming; stems ten to twelve inches long. Large, healthy and heavy foliage; grand single flowers; true blue color, symmetrical form, nearly as large as a Pansy blossom and delicately fragrant. Price, 15 cents each, two for 25 cents.

SPECIAL OFFER—For 75 cents I will send you the Set of 8 Fine Violets. This is a Big Bargain.

SILVER STRIPED PEPPEROMIA.

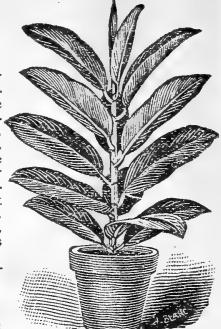

Window plants will ever be popular. So thick and waxy like are the leaves of this parlor gem that nearly every one takes it to be an artificial plant. The leaves are distinctly variegated white and green, and have the appearance of being powdered with frosted silver. Few plants could be more useful for table decoration, and none will stand ill usage so readily. Its small spikes of Mignonette-like flowers are quite interesting.

Price, 10 cents each,
three for 25 cents.

INDIA RUBBER TREE.

(*Ficus Elastica*.)

Very large, smooth, leathery leaves, evergreen foliage. Generally esteemed as one of the finest house plants grown, attaining large size; tree shape. Each new leaf enclosed in a long, coral-red envelope, looking like a great red flower bud. Fine for lawn, bay window or house decoration. My plants are the finest ever offered for double the money. Price, fine, strong plants, 50 cents each; large plants \$1.00 each.

FICUS ELASTICA

PANDANUS VEITCHI.

One of the most attractive and beautiful of decorative plants. Leaves are light green, beautifully marked with broad stripes of pure white, gracefully curved. Price for strong young plants, \$1.00 each; large plants \$2.00 each.

PANDANUS UTILIS, THE SCREW PINE.

Its vigorous constitution enables it to stand more neglect, without serious injury, than any other plant I know of. As an ornament for the window, its glossy, dark green, serrated foliage renders it unusually attractive, while as a vase plant or single specimen in greenhouse or conservatory it is unsurpassed. Nice young plants 25 cents each, extra large plants \$1.00 each.

AZALEA INDICA, CHINESE AZALEA.

These beautiful plants are deservedly becoming more popular every year for window and conservatory decorations. The ease with which they can be grown, their diversity in color and freedom of flowering will always keep them in public favor. My collection comprises the cream of the best Continental establishments. All the sizes offered will flower freely in proper season. Should be kept outdoors in a cool, shady and moist place during Summer. Large plants 75c, two for \$1.25.

PURPLE VELVET PLANT.

Gynura Aurantiaca

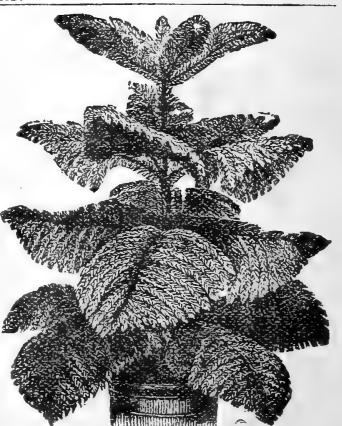

—A rare and beautiful plant. Leaves and stems entirely covered with purple hairs, giving them the appearance of velvet. One would pronounce the plants artificial, so unlike nature they appear: flowers in brilliant orange clusters. Elegant for pot culture, vases or bedding out. Price, 15 cents each, two for 25 cents.

PURPLE VELVET PLANT

Araucaria Excelsa,
Norfolk Island Pine.

Various names have been suggested for this grand plant to properly convey to the mind the appearance of it. Some have called it the "Christmas Tree Palm" from its resemblance to a Christmas tree; others call it the "Star Palm." Has deep green, feathery foliage, in whorls or tiers, rising one above the other at regular distances, symmetry of form, grace and beauty of foliage unequalled; easily grown; highly ornamental. \$1 and \$2 each.

NORFOLK ISLAND PINE

"Peerless" Prize Collection of New Chrysanthemums

SORTS FROM ALL OVER THE WORLD.

The "Peerless" New Chrysanthemums described below are recommended as among the best and most valuable varieties. They are good, healthy growers, early and abundant bloomers, bear flowers of the largest size and most beautiful colors. All of them have taken many first prizes at the great shows and all are recognized as among the very best of their respective classes.

Price 10 Cents Each; three for 25 Cents.

SPECIAL OFFER—For a remittance of \$1.00 I will mail all of the EIGHTEEN "PEERLESS" NEW "MUMS," or any EIGHT varieties for 50 cents, postpaid.

Benjamin Gouraud—New early red. Without doubt earliest pure red to date. Very large flower and does not burn or color dull for several weeks after flower attains perfection; a strong grower, compact habit. Grand for pot culture and exhibition purposes.

Black Hawk—Largest, most beautiful crimson scarlet yet introduced; shows no lighter color; looks like crimson velvet, the shade so much desired. Flowers of immense size, on fine stiff stems, clothed with elegant foliage.

Crystallina—Snowball type, pure white flower, resembling a ball of cut tissue paper, petals being fine. Grand keeper; can be roughly handled; will not drop or burst; comes into bloom early; dwarf habit; unexcelled for pot culture. Winner of first prize for best white seedling in Chicago Exhibit of 1894.

Daydawn—Grand early variety; center creamy lemon upon opening, gradually becoming pure white; petals increase in length from center; bloom is quite double, of informal, graceful arrangement; stiff stem; foliage quite up to the flower. Received certificate after traveling to Boston.

Golden Trophy—Grand early yellow, of elegant dwarf growth; beautiful foliage, quite up to flower; large, compact, crowned with petals incurving into complete golden ball of a beautiful color. Wonderful keeper, either cut or growing on plant.

Glory of the Pacific—A grand, new, magnificent pink. I predict this fine variety will rank first among pink sorts. Magnificent size and depth, with broad petals, which finally reflex, showing clear pink color to excellent advantage. Will delight every lover of the beautiful and artistic.

Kentucky—Very fine for exhibition; extra large, graceful flowers; petals long and narrow, like Lillian B. Bird; stem strong and covered with handsome foliage, nearly up to flower; pure, even shrimp color. Grand sort.

Lady Playfair—Grandest of all the lighter shades of pink; finest of all incurving varieties of this color; one of the largest, elegant in finish, color exquisite; early mid-season; finest for bush form.

Mrs. Perrin—Slender stiff stems, ornamental foliage; flower of globular form, incurved, full, finish fine as satin; color, rose pink within, glistening pink without; recognized as the ideal variety in this color. Received first prize wherever shown as best pink, at Boston, Philadelphia, Chicago and received most flattering notices everywhere.

New Fancy Large Leaved Coleus.

Price 5 cts. Each, Six for 25 cts.

SPECIAL OFFER—I will mail, postpaid, 25 distinct varieties for \$1.00; or by express, you paying the charges, 100 Choice Plants for \$2.50.

The Coleus is the gardener's paint box, bearing all the colors on its leaves, ready to be disposed in whatever ornate and parti-colored designs we may choose to display upon your lawns. The lack of sufficient space forbids listing varieties.

Swainsonia Alba.

A most desirable everblooming plant with pure white flowers, produced in sprays of from 12 to 20 flowers each, the individual blooms resembling a Sweet Pea. As a decorative plant for the window or conservatory we know of nothing that will give as much satisfaction. Easy of culture, growing in any light position. Price, 15 cts each.

Verbena, Mammoth Flowering.

In this grand new strain has been developed a mammoth Verbena that produces uniformly magnificent large trusses, with flowers of unusual size. The colors are varied and embrace all desirable markings. It is so grand that I want all my friends to have it and offer the plants at the moderate price of 5 cents each.

SPECIAL OFFER—For 50 cts I will send 15 Choice Mammoth Flowering Verbenas; or I will send 100 Fine Plants for \$2.50, by express, purchaser paying express charges.

Mrs. S. T. Murdock—Purest, brightest self pink; large size, fine form; foliage and stem perfect; first premium; grand under artificial light.

Modesto—Among all yellows will have first place. As exhibited by experts: "The finest yellow yet produced for exhibition trade." Intense color, real dandelion yellow, unsurpassed in size; incurved, slightly whorled form, full, high center. Mid-season.

Mrs. Henry Robinson—In the entire "Mum" family no grander white variety, no matter where; most popular style; intense incising, broad channeled petals of great substance and the purest white; can be used few days earlier; flat incised form, gradually changes into ball of snow, 16 to 18 ins. in circumference; foliage handsome; of easiest management. Winner of twenty-six first prizes.

Oakland—Clear shade of even terra cotta; full, deep; straight stem, good foliage; four feet high; a splendid exhibition bloom; first prize wherever exhibited. Should be in every collection.

Signal Light—Pale yellow, incurved, Japanese; reverse of lower petals tipped with red bronze; finely built flowers; truly incurved as Chinese; solid, perfectly double, lasting a long time; habit very dwarfed; clothed with beautiful foliage.

Silver Cloud—Grand exhibition variety; beautiful grower, heavy, stocky stems; elegant foliage; flower enormous, crowded with wax like petals of great substance; form of flower exquisite and imposing; color, beautiful cream, citron shadings turning to a most delicate salmon.

Violescent—Magnificent for exhibition or commercial purposes, especially where lusty blooms are desired for Thanksgiving Day. Enormous proportions, building up extremely well, finishing with slightly rounding, incurved center; color, white, lower petals delicately tinged lavender. Received first-class certificate of merit from Chrysanthemum Society.

Western Pride—Magnificent flower; grand size and form; mammoth petals incurving and rolling toward center; full and double, incurved form so much admired; color, beautiful amber and old gold.

White Swan—New White Ostrich Plum—I have great pleasure in offering this beautiful, new, pure white hairy Chrysanthemum, which is undoubtedly the most perfect yet introduced; color, pure white, very large, full and double flowers, covered with hairy like filaments which are very pronounced. Exquisitely beautiful and of enormous size.

NEW GIANT BROWALLIA—A most valuable addition to our list of Summer blooming plants. The flowers are indigo blue, fully two inches across, and cover the plant when in bloom. Invaluable for Summer beds of flowers or for pot plants in the Winter for greenhouse and window garden. Price, 10 cts each; three for 25 cts.

IMPATIENS SULTANI—This makes a very shapely plant and is in bloom continuously the year round, outdoor or indoors, even in the small plants, three or four inches high. The bloom is bright pink and comes so profusely as to almost cover the entire plant. 10 cts each, three for 25 cts.

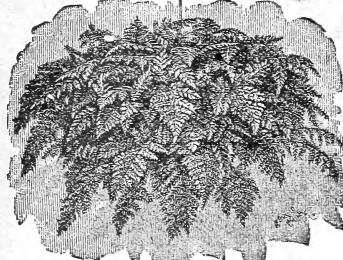

NEW RUSSELIA ELEGANTISSIMA—Scarlet Fountain—Here is certainly a fine new plant that you should not be without. A vast improvement of the old Russelia. The habit is drooping, the slender branches and leaves completely hidden by hundreds of the vivid scarlet tubular flowers. It is so floriferous that tiny cuttings show more flowers than leaves. It is one of the finest and best new plants ever introduced and one that will give satisfaction to every one. Price, 10 cents each, three for 25 cents.

Beautiful Marguerite Daisies.

Marguerite Daisy, Madame Gailbert—This is one of the finest new plants that has ever been introduced. All know the old varieties of Paris Daisies how beautiful and much sought after for decorations of all kinds. This new variety blooms constantly and produces ten blooms to the old variety's one. Nothing is so airy and graceful as these blossoms of large white petals showing a yellow disc. 10 cts each.

Marguerite Daisy, Etoile d' Or—The new yellow Paris Daisy, similar to the above, but a rich golden yellow. The two varieties go handsomely together. 10 cts. each.

Fern Ball | Growing

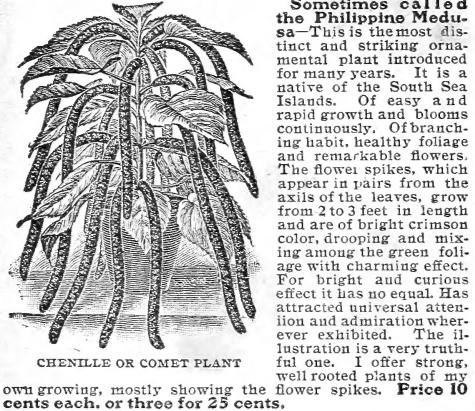

Pteris Tremula or Shaking Fern—One of the finest Ferns for house decoration, growing very rapidly and throwing up large handsome fronds. Easily grown, very popular.

Pteris Serrulata—One of our prettiest Ferns, fine for fern dishes. Price, 10 cents each.

Pteris Cretica Alba-Lineata—A very pretty and useful variegated variety. Price, 10 cents each.

Chenille or Comet Plant—*Acalypha Sanderae*.

CHENILLE OR COMET PLANT

own growing, mostly showing the flower spikes. Price 10 cents each, or three for 25 cents.

Acalypha Godsaaffiana—New—Coloring very marked, bright green leaves, broadly margined creamy white. Very distinct and different from all the others. Price, 25c each.

Acalypha Marginata—Large and pointed oval leaf, center brown, margined with rosy carmine. 10 cents each.

Acalypha Miltoniana—New—Very valuable. The leaf is 4 to 5 inches long by 1 1/2 broad, notched and very sharp pointed. Bright green, bordered with creamy white, short jointed and a free, rapid grower. Price, 10 cents each.

Acalypha Triumphantis—New—Ovate pointed leaf, 2 by 4 inches, very bright in color, a good red, marbled darker, a fine, free grower. Price, 10 cents each,

Moon Flowers.

The True Giant Everblooming Moon Flower, *Ipomoea Grandiflora*—I have the true variety that blooms constantly. Attains a height (if given a string to twine on) of 40 feet by October 15th, blooming abundantly the entire season. Is called "Moon Flower" from its rare peculiarity of blooming best at night. Pure white flowers, five to eight inches in diameter, emitting a rich, Jasmine-like odor at night. Can be kept in the house over Winter. It roots easily from slips. Price of the true Moon Flower, 10 cents each; three for 25 cents.

New Moon Flower, Heavenly Blue—Makes a splendid companion to the White Moon Flower. It is equally rapid in growth and as free blooming as the white variety, although blooming in the morning and dull days. The flowers are the most heavenly blue, with reddish purple rays, six inches across. Price, 10 cents each; three for 25 cents.

The Wonderful Japanese Fern Balls, *Davallia Bullata Nagaha*—This novelty, from Japan, I take great pleasure in introducing as one of the most satisfactory house Ferns ever offered. Center moss covered with Fern roots in very ingenious manner, like a ball of twisted roots. After watering they start into life and in a short time are covered with a mass of beautiful green foliage. If desired, they may be allowed to dry up, which is very convenient when a person goes on a Summer vacation. They may be started again by simply watering as before. When growing them they should be watered two or three times each week. \$1.00 each, by mail; when sent by express, 75 cents each.

GRACEFUL FERNS.

Price, 15 Cents Each, Except Where Noted.

Adiantum Cuneatum—Popular Maiden Hair Fern, beautiful and graceful. **Alsophila Australis**—(Australian Tree Fern)—A very beautiful and rapid growing variety. Price, 25 cents.

Davallia Stricta—One of the finest Ferns for growing as a decorative plant or planting out. Fronds strong and beautiful green shade.

Pteris Argyreia—(Silver Fern)—Very showy, strong growing Fern, variegated foliage, fronds large, light green, with a band of silvery white down the center of each, very distinct.

Polystichum Proliferum or Lady Fern—A new Fern which I have added because of its beautiful lace-like foliage and ease of cultivation. Especially fine for fern dishes, table decoration and window culture. Price, 20c each; 3 for 50c.

Nephrolepsis Cordata Compacta—Strong growing compact habit, 2 feet high when matured; fronds dark green, erect growth with arch enough to add grace. 20c each; large, 50c.

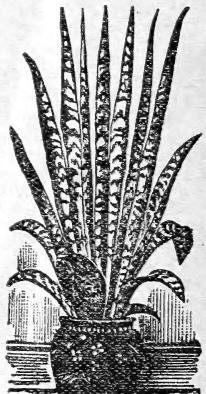

Sword Fern—(Nephrolepsis Exaltata)—This beautiful Fern is excellent for outside planting in shady borders; fine for hanging pots or baskets on piazza in Summer and conservatory or window in Winter. Strong plants, 10 cents and 25 cents; large, 50 cents; extra large specimens, \$1.

"The Boston Sword Fern"—(Nephrolepsis Exaltata Bostoniensis)—Differs from ordinary Ferns in having much longer fronds, frequently attaining length of 4 feet. They arch and droop over gracefully on account of which it is frequently called the Fountain Fern. This habit makes it excellent to grow as a single specimen on table or pedestal. Price, 15c; strong plants, 50c; extra large, \$1 each.

Sansevieria Zealanica.

A beautiful plant, specially adapted for decorating drawing rooms and halls, stands drought and dust with impunity, requires scarcely any water, leaves very beautifully striped crosswise, broad, white variegations on a dark green ground. Is a rare, beautiful plant, which should be abundantly grown for positions out of reach of sunlight, where other plants will not thrive. Can be placed in any position in any room and do well. Has a singular beauty for decorative purposes which other plants do not possess, is useful both Winter and Summer. For vases and baskets it is a fine center piece. Grows splendidly out of doors during the Summer months.

Price, fine plants, 10 and 25 cents each; extra large specimen plants, 50 cents each.

SANSEVIERIA SEALANICA

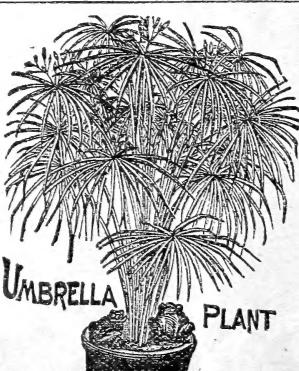

Crotons.

The Crotons are among the finest decorative foliage plants known. The leaves are all more or less veined and marginated, sometimes entirely variegated with shades of yellow, orange and crimson. Some have long, narrow leaves, arching gracefully, fountain fashion; others twisted, cork-screw like; love heat, sunshine and moisture. Price, 10 cents each, 3 for 25 cts, 8 for 50 cts.

Cyperus, or Umbrella Plant.

It grows finely in shallow water with rich soil or mud. Long stalks, surmounted with narrow, dark green leaves, arranged so as to suggest an umbrella. Will make a fine clump in the garden. Price, 10 cents each.

Cyperus Gracilis—Pretty new dwarf form; very narrow, delicate foliage, entirely distinct. Fine for bouquet. As handsome as a Fern. Price, 10 cts.

UMBRELLA

PLANT

PALMS.

Indispensable for all
Decorations for the
House.

They increase two-fold in value each
succeeding year.

LATANIA BORBONICA

The well-known Chinese Fan Palm. This is one of the most exquisitely graceful among palms. Its wide-spreading, gracefully arching leaves are elegant and effective for apartment decoration. It is considered the handsomest and most valuable of the Palms. **Small plants, 10 cts; large plants, 50 cts; extra large stocky plants, \$1, \$2, \$3 and \$5.**

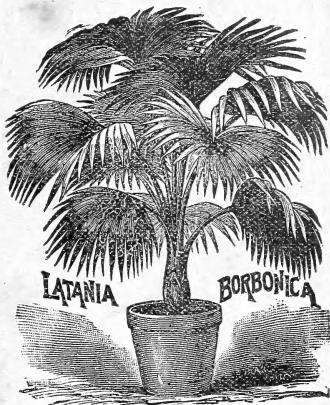

PHOENIX RECLINATA

ARECA LUTESCENS—This majestic Palm is without a peer for strength and elegance combined. Its dark, glossy, green leaves are gracefully curved on slender stems, and the entire foliage is gracefully disposed. The trunk and stems are a golden yellow, irregularly spotted with bronzy green, giving it a peculiar charm. **Small plants 15 cts, large plants 50 cts; large stocky plants \$1.50 and \$2.50.**

PHOENIX RECLINATA—One of the hardiest of the Date Palms; with dark green feathery foliage, of very strong growth, and is especially valuable for outdoor decoration, as it stands sun and wind without the least damage, even in most exposed positions. **Nice plants, 15 cts; extra large plants 50 cts and \$1.00 each.**

DAWAR PALM, LIVISTONIA ROTUNDIFLORA—Resembles Latania Bourbonica; more dwarf and compact in habit, having smaller and handsomer leaves, perfect in shape, circular in form, deeply toothed. Small plants throw up an unusual number of these beautiful leaves, making perfect specimens when only a foot high. **Nice young plants, 50 cts each; showing full character, \$1.00 and \$2.00.**

COCOS WEDDELLIANA—Is undoubtedly the most graceful Palm yet added to our collection. Stems are slender; leaves long and beautifully arched. Leaflets or pinnæ are very fine; deep green above, white below. **Good young plants, 25 cts, 50 cts and \$1.00 each.**

KENTIA BELMOREANA—The Kentias are among the best of the Palm species for general cultivation, being almost impregnable against diseases. This variety is one of the best in its class; gracefully disposed. As a decorative plant for the window, dinner table or conservatory it scarcely has an equal. **Nice young plants 25 cts, extra good plants \$1, extra strong stocky plants \$2 each.**

WASHINGTONIA FILLIFERA—A beautiful Palm. Has elegant dark green, fan-shaped leaves, from which hang thread-like filaments. **Price 10 cts each.**

KENTIA FOSTERIANA—This is one of the finest pot plants imaginable. Being almost hardy, it is not injured by slight changes in temperature. The leaves are a deep green, fan-shaped, split deeply into segments. It is very graceful for table decoration. **Price, small plants, 25 cts each; large size, 50 cts each; large specimen plants, \$1. \$2 and \$5 each.**

PHOENIX CANARIENSIS—Canary Island Date Palm. Belongs to the pinnate class, which means that its branches are feather shaped. **Small plants, 15 cts each; large specimen plants, \$1 and \$2.**

SEAFORTHIA ELEGANS—A most useful conservatory or lawn plant. Leaves from 2 to 10 feet long. Largely grown on account of its hardy constitution, useful and graceful character. Soon develop into noble specimens. **Nice young plants, 15 cts each, large plants, 50 cts and \$1.**

Try Some of My Big Bargain Sets at 50 Cents Each

Any 3 Sets for \$1.25

MY "RELIANCE" PRIZE CHRYSANTHEMUM SET

15 PRIZE
WINNING
'MUMS,
50 CENTS

THIS COLLECTION is made up of such varieties that are generally grown for exhibition purposes. They are of the most attractive colors that constitute OUR VERY BEST COMMERCIAL VARIETIES. 3 3 3

PRICE 8c,
EXCEPT
WHERE
NOTED.

SPECIAL OFFER—For 50c. I will mail you this Grand Collection of 15 Prize Winning Chrysanthemums.

BRONZE GIANT—Exhibition bronze. This is an elegant grower; heavy, stocky stems, clothed throughout in fine foliage. Flowers of immense size, crowded with petals, which are stiff and of great substance; form incurving; a most imposing bloom of the largest size; a beautiful rich bronze or old gold color. Received premium of \$50 for best bronze. **Price, 10 cents.**

EMILY LADENBERG—Incurved Japanese bloom of large size and high build; solid form, deepest crimson, the nearest approach to black. Never burns, as crimson are apt to do. Of strong, healthy habit. Winner of first prize at Madison Square Garden; best seedling exhibited.

EUGENE DAILLEDOUZE—This beautiful variety captivated all who saw it at the World's Fair. There is nothing brighter or clearer among yellows. The center of the flower is folded close; the outer petals are broad, incurving, of great substance. Winner of twenty first premiums and gold medals. **Price, 10 cents.**

FRANK THOMPSON—A splendid flower, very nearly spherical in form, petals very broad and heavy and deeply incurving. It is very nearly white in color, only showing a touch of peach-pink at the base of the petals; magnificent flower. Received first-class certificate at Philadelphia and Indianapolis. A strong grower; stiff stems.

GOLDEN WEDDING—The grandest yellow ever offered. Swept everything before it at shows. Color, deep, bright golden yellow of shining texture. It is very large in size. The petals are both long and broad, and channelled lengthwise; a Japanese, incurved, of most beautiful form, and very free in growth. A first-class exhibition variety. **Price, 10 cents each, or three for 25 cents.**

GLORIOSUM—Light lemon color, with immense flowers, having narrow petals, gracefully curved and twisted; quite early and one of the best for exhibition purposes.

GOOD GRACIOUS—So remarkable for size as to suggest its name. First sight brings forth an exclamation of admiration. The color is also unique, being a delicate shade of peach pink throughout. The form is remarkable; the petals are incurved and twisted, overlapping each other in irregular fashion, and resembling talons. Alone in its unique beauty—no other variety even approaching it. **Price, 10 cents each.**

GEORGE W. CHILDS—The Jacqueminet Crimson Chrysanthemum. This variety is the best and most perfectly formed reflex crimson variety yet introduced. Flowers of massive size; broad, stiff, relaxed petals. Color, a deep, rich velvety crimson—no shade of brown or chestnut; strong, erect stems. Awarded Pitcher Gold Medal at Orange for best seedling; silver medal at Philadelphia, and others.

HELEN BLOODGOOD—A very bold, round flower. When in perfection blooms measure 7½ inches through, and 7 inches deep. It is the finest true clear pink, without shading of purple or magenta. It has received a certificate at New York and Philadelphia. **Price, 10 cents each.**

INDIANA, New—Has immense, full, globular flower, nicely incurved. Color, clear, bright pink, outside petals a little lighter. Has been grown measuring twenty-two inches in circumference. A grand show variety, and one of the very best of the new varieties. **Price, 10 cents each.**

GOOD
GRACIOUS

MAJOR BONNAFFON, New—Soft, clear yellow, full in center, eight inches in diameter and nearly as deep; in perfect form and finish, like Ivory at its best; habit dwarf; stem stiff. An ideal variety. Bound to be one of the Chrysanthemums necessary to every collection.

MRS. E. G. HILL—This beautiful variety is one of the very earliest to bloom; of vigorous growth and of fine form. The blossoms are eight to ten inches in diameter; the color is a delicate lavender pink; petals incurved. At the World's Fair it attracted all and was admired greatly. The winner of twelve first prizes. **Price, 10 cents.**

MISS LOUISE D. BLACK—Color, reddish orange; height four feet; terminal bud; flower compact, very full and conical; lasts indefinitely, either on or off the plant. This color is the richest imaginable shade of orange. Makes grand pot specimen. Won ten prizes. **Price, 10c.**

MINNIE WANAMAKER—Pure snow-white, incurved and perfectly double, with a breadth of petal and grandeur of build only found in the best varieties; flowers are exceptionally large, produced on long, stiff stems; large and handsome foliage. Has secured numerous medals.

THE WHITE QUEEN—The grandest double white; flowers enormous, of fine form. Best for every purpose, exhibition or house culture. A prize winner everywhere.
